The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

In the case where no herd book number is fixed, proof of acceptance for herd book must be produced except where otherwise specified.
2. All adult animals must have been finally accepted for registration in a recognised herd book (Shorthorns, Poll Shorthorns, Herefords, and Polled Herefords are considered as distinct breeds; also see Fat Cattle Special Regulation No. 1 (e)) and proof of registration must accompany all entries for the Show. 20. In awarding the Championship, the first prize winner of the relative sex in each class of the relative Sub-section shall be eligible to compete provided that the first prize winner in the case of dairy breeds is twenty-four months old or over. All first prize animals in pens may compete for Championship prizes.

In awarding the Reserve Championship, the first prize winner of the relative sex in each class of the relative Sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize provided that no exhibit, in the case of dairy breeds, shall be eligible to compete for the Championship or Reserve Championship unless it is over the age of twenty-four months.

In awarding the Junior Championship in the beef breeds, the first prize winner of the relative sex in each class of the relative Sub-section shall be eligible to compete provided that no exhibit shall be eligible to compete for the Junior Championship if it is over the age of eighteen months.

In awarding the Reserve Junior Championship in the beef breeds, the first prize winner of the relative sex in each class of the relative Sub-section, other than the exhibit to which the Junior Championship has been awarded shall be eligible to compete together with the second prize winner in the class in which the Junior Champion was awarded first prize provided that no exhibit shall be eligible to compete for the Reserve Junior Championship if it is over the age of eighteen months.

If a Champion or Junior Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship or Junior Championship as the case may be, then the Championship or Junior Championship shall be awarded to the animal which was awarded the Reserve Championship or Reserve Junior Championship as the case may be.

21. Any cattle not fed or watered by the exhibitor or his agent shall be fed and watered by the Society, and the cost charged to the owner or selling agent.

22. Exhibits except prize winners, can be removed from the ground after 5 p.m. on the day of judging. Prize winners shall remain on exhibition until 3 p.m. on Tuesday, 30th March.

23. In all classes where only two or three prizes are offered Very Highly Commended and Highly Commended cards and ribbons may be awarded at the discretion of the Judge.

24. To enable the necessary stalls to be prepared, each exhibitor of cattle must, when forwarding entries, state on the certificate of entry the total number of cattle he will be sending to the Show. No cattle can compete in any class additional to those for which they are entered on the certificate of entry.

PARADES.

Cattle must parade daily when called upon by the Superintendent. This rule will be strictly enforced. Any exhibitor who fails to parade his cattle when called upon to do so shall forfeit all prize money (if any) won by him, and be liable to a fine of five pounds (£5) for each animal not paraded.

In the Beef Cattle Section, the breed represented by the Champion Steer will lead the Parade each year. Where the Champion Steer is a cross between two pure breeds, whichever of the two pure breeds last led a Parade in the preceding years, shall be invited to lead the Parade. Dairy Cattle shall be governed by the order of the Auction Sale draw.

ATTENTION IS DRAWN TO REGULATIONS.

Machines

— OF TOMORROW

In the fields of earthmoving, materials' handling, and logging, rapid progress has been made in the past twelve months.

Where formerly large gangs of workers toiled, modern machines have taken over and do the same work faster and at far less cost.

A large display of the modern machines which have brought this about—"The New Trend" in construction equipment — has been assembled at STAND 152 (in Commemoration Avenue, opposite Manufacturer's Hall and the Woodchop) at the 1948 Royal Sydney Show.

Inspect these "Machines of To-morrow" and learn how they are used in high-speed operations to conserve both manpower and dollars and in helping develop Australia.

BECTIVE HEREFORD STUD

BECTIVE DEFENSE

The Bective Hereford Stud was founded in 1929 with the purchase of females from Hobartville, Golf Hill, Ennisview and Mount Leonard and Glengarry dispersal sales. Since then the best sires sold in Sydney have been procured and used in the Stud with the result that the Stud is finding ready sale for both males and females that are offered, and has also figured prominently in the Show ring in Sydney and Brisbane and locally. The aim of the breeders is to produce soft early maturing well marked types of cattle with good heads, broad in the buttocks and standing square on their feet. Bective bulls meet with ready sale when offered, and universally purchasers' comments are very encouraging and pleasing to the breeders.

CONDITIONS.
These competitions are for the purpose of educating and to encourage cattle exhibitors and attendants to parade exhibits before a Judge in the most efficient manner. Suitable attire of competitors and condition of animals, although highly desirable, shall not be the deciding factor except in the case of equality of competitors.

There shall be two competitions, viz.:
(a) For exhibitors or their principal herdsmen, and
(b) For exhibitors' cattle attendants, other than the principal herdsmen.

From each breed, during the judging of the cattle classes on Monday, 22nd March, three competitors may be selected for the purpose of competing against other breed competitors on Friday morning, 26th March, in the main Judging Ring opposite the Society's office.

The competition shall commence as soon as the exhibits in each class enter the Judging Ring on Monday, 22nd March. The selected competitors from each breed shall be those who, in the opinion of the competition judges, parade their animals in the most efficient manner. Account will be taken of difficulties which a competitor may have in controlling an exhibit.

A competitor shall not be placed at an advantage or disadvantage as a result of parading animals in a less or greater number of classes.

Each competitor shall be allotted an armband number which must be worn in each class, and in the final judging. The armband number shall be the only form of identification.

For the judging to take place on Friday, 26th March, each selected competitor shall parade an animal as though under actual judging conditions. One judge shall decide the prizes.

CLASS 310—The "Glencor Whisky" Cattle Paraders' Competition—Restricted to exhibitors or their principal herdsmen.

21. The prizes awarded in slaughter and carcass classes shall be awarded to the exhibitor and shall be the property of the exhibitor and not of the purchaser.

CARCASS CLASSES.

22. No carcass of any animal shall be eligible for entry in the carcass classes unless the animal is entered for exhibition and is exhibited in one or other of the classes for live fat stock.
23. The carcass may be that of a male or female.
24. The following rules will apply to the judging of carcass classes:—
- (a) the animals of which the carcasses are entered for competition will be slaughtered at the abattoirs at Homebush Bay;
 - (b) carcasses will be dressed and weighed (cold—weighed cold shall be deemed to be weighed hot, less 3 per cent.) and will then be exhibited to the judge in the presence of the stewards of the Fat Cattle Section, and if so desired by the judge or by any steward, carcasses will be quartered and will be further cut up as may be required;
 - (c) the judge shall not be present during the killing or during the dressing of the carcasses;

 - (h) in judging the carcass classes neither the hide nor by-products nor the percentage of dead weight to live weight shall be taken into account;
 - (i) The Judge shall award his points to each carcass according to its merits and according to the following scale of points:—

Quality, depth and evenness of flesh, and general conformation	25 points
Lightness of bone, distribution and evenness of fat, and absence of waste fat	15 points

STALL FED EXHIBITS.

SHORTHORN, HEREFORD, ABERDEEN-ANGUS, RED POLL (weight restrictions will not apply to steers entered in the Aberdeen-Angus and Red Poll Classes), **THE EXPORT STEER, AND PEN STEER (SLAUGHTER CLASSES).**

JUDGING ARRANGEMENTS.

Applicable to Classes 340, 341, 342, 343, 344, 345, 347, 348, and 349 only.

The steers must be quiet and tractable in order to be led into the Judging and Sale Rings. They may be either stall fed, grazed on natural pastures or both.

The steers are to be weighed alive at 9 a.m., Friday, 19th March, and the weights will be handed to the various judges, who will commence judging at 2 p.m., Friday, 19th March.

The steers will be sold by auction on behalf of the exhibitors at 3 p.m., on Tuesday, 23rd March, after which they will be sent to the State Abattoirs, at Homebush Bay, where they will be slaughtered on Wednesday, 24th March. The judge will not be on the killing floor while the steers are being slaughtered and carcasses dressed. Immediately the carcasses have been removed from the killing floor, the judge will assess his points for hide and fat. The day following slaughter the carcasses will be weighed and judged. The live weight is also to be furnished to the carcass judge, who has power to have the carcass cut as he wishes in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits gaining the highest number of points in the two judgments and are the property of the exhibitors who enter the steers and not the purchasers.

The Committee reserves the right of freezing and placing the 1st, 2nd, and 3rd prize carcasses in a refrigerated cabinet at the Royal Agricultural Society's Show of this year, and delivering same after the Show has terminated. The delivery of carcasses not so selected will not be given to the purchaser or purchasers until the judge has completed his awards.
