SPECIAL GOAT REGULATIONS.

Goats must be registered in a Herd Book recognised by the Royal Agricultural Society of N.S.W., and proof of registration must accompany all entries for the Show. For particulars of the Goat Society of Australia, apply to the Secretary, G. C. Somerville, Endeavour House, 33 Macquarie Place, Sydney; F. A. Downes, Hon. Secretary, Queensland Branch, 17 Mary St., Toowoomba, Q'ld.; A. C. T. Hewitt, Hon. Secretary, Victorian Branch, 18 Waterdale Rd., Ivanhoe, Melbourne.

The age of all goats to be calculated from the birth date shown on the kid record and/or registration form. All goats shall be fed and attended to by the exhibitor while the goat remains on the Showground. The official fodder store shall not be open during the currency of the Show, it will therefore be the responsibility of each exhibitor to make his own fodder arrangements.

Goats will be judged at 9 a.m., Good Friday, 26th March, and will remain on exhibition (bucks excepted) on that day and until 5 p.m. on Easter Saturday, 27th March. Bucks may leave the Showground after 5 p.m. on Good Friday, 26th March.

In awarding the Championship the first prize winner of the relative sex in each class of the relative Sub-section shall be eligible to compete provided that the first prize winner is 12 months old or over.

In awarding the Reserve Championship, the first prize winner of the relative sex in each class of the relative Sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize provided that no exhibit shall be eligible to compete for the Championship or Reserve Championship unless it is 12 months old or over.

If a Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship then the Championship shall be awarded to the animal which was awarded the Reserve Championship.

- SAANEN TYPE AND PRODUCTION CLASSES.**
Conditions.
Exhibits entered in classes 14 to 20 are restricted to Saanens which have gained an Official Lactation Production Test Certificate for 273 days not later than the 20th March, 1948. The age of each doe shall be calculated from the birth date shown on the kid record and/or registration form, but the points for production shall be based on the best official production record. The latter shall be brought to a mature age standard. Each exhibit shall be judged for type and production, viz.: 60 points for type, and 40 points for milk and butter-fat production. Each doe shall be credited with one point for every 100lb. milk over her age standard with a maximum of 20 points. Each doe shall also be credited with one point for every 5lb. butter-fat over her age standard with a limit of 20 points.

CONDITIONS.

Exhibitors must advise the Secretary, at least seven clear days, before despatch of the lambs to Flemington Saleyards, giving details of Agents who will make delivery.

Each exhibitor shall state the age of lambs and the breed of the rams and ewes used to produce the exhibits.

Exhibits to be selected of suitable age and condition for export.

Six or fewer lambs in each exhibit to be consigned to any Homebush Selling Agent for delivery to the Metropolitan Meat Industry Commissioner, Flemington Saleyards.

Lambs will be immediately slaughtered and graded at the State Abattoirs, Homebush Bay, and the three best carcasses in each consignment selected as the exhibit by a competent grader, and placed in Cold Store to await the Royal Easter Show.

After the carcasses have been selected by the grader, each will be marked for identification. The marks for identification will be recorded with this Society.

No exhibitor shall be permitted to enter the Cold Chamber, at the State Abattoirs, in which exhibits are stored during the period of the competition. Further, no information will be given in respect of the weight or quality of any exhibit after the lambs have been slaughtered.

The Metropolitan Meat Industry Commissioner will dispose of the skins, fat, and unselected carcasses as soon as convenient after slaughter, and the selected carcasses immediately after the Royal Easter Show. The proceeds of such sales will be forwarded to each competitor less the cost of receiving, slaughtering, weighing, and grading of each consignment.

The judging shall be on a basis of uniform quality of carcasses as called for by export conditions. All carcass, skin, and fat values will be based on those ruling at the date of delivery to the Metropolitan Meat Industry Commissioner of the first consignment received and these values will be retained as the standard throughout the judging.

The date of slaughtering and the period of storage will be stated when exhibited, and to meet the convenience of exhibitors and so as to give each the opportunity of forwarding exhibits of suitable age, such exhibits will be received by the Metropolitan Meat Industry Commissioner from the 1st July, 1947, up till 28th February, 1948.

The age of the lambs will be determined from the dates furnished by the exhibitor of joining the rams and ewes, allowing 150 days for the gestation period.

In calculating the values of the carcasses the ranges of weights shall be taken as follow:—

(a) First Range	28 to 36lb inclusive
(b) Second Range	37 to 42 lb. "
(c) Third Range	43 to 50 lb. "

and a decrease between the values ruling in regard to range of weights at the date of delivery to the Metropolitan Meat Industry Commissioner of the first consignment will be allowed between (a) and (b) as well as between (b) and (c).

In estimating the skin value of the exhibit for comparison, the ages must be taken into consideration when determining the value of one line of skins with another.

Lambs shall be judged on the following points:—

Suitability for export	Points
Skin values	90
Age	5
		5
TOTAL	...	100

Points shall be deducted as hereunder shown:—
