**SPECIAL HORSE REGULATIONS.**

### PENALTY—NON-EXHIBITION OF HORSES.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of £2 for each horse not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals, or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

### Age of Horses.

The age of all horses to be calculated as from 1st August. Every horse foaled before 1st August in any year shall be deemed to be one year old on that date. A filly is defined as a female under four years of age.

### Veterinary Certificate.

A certificate of soundness must be produced with:—

- Every stallion 2 years old or over.
- Trotting or Pacing Stallions in harness.
- Every mare in stud classes 3 years old and over.

- Stock Branch of the Department of Agriculture, N.S.W.
- The Government of any other Australian State or New Zealand, in which case an examination of the horse for identification purposes will be made by the Society's veterinary surgeons.

Stallions and mares will be examined for soundness and conformation by a Board appointed by the Council of the Royal Agricultural Society of N.S.W., consisting of a breeder and two veterinary surgeons, and the Society's Certificate will be issued to each animal passed by such Board.

Life certificates will be issued for stallions and mares (not geldings) passed as sound at six years of age.

A rig shall not be passed as a stallion.

**Board of Appeal.**—In the case of a horse being rejected for unsoundness, the Board of Appeal shall consist of three veterinary surgeons, and in the case of rejection on conformation the Board shall consist of two breeders and a veterinary surgeon. All appeals shall be decided previous to horses being judged. A deposit of one guinea must accompany each appeal.

Stallions or mares entered in stud classes must not be sold while on the Showground unless each has received a certificate for soundness in accordance with the Society's regulations.

### Entries.

All entries should be made on the prescribed certificate of entry. Certificates of entry will be posted to exhibitors on application. When forwarding entries exhibitors should state the number of class (as per schedule) for which they desire to compete, together with the following description of the horse, viz.:—Name, colour, and sex, date foaled or age, name and address of breeder, name of sire and name of dam. The colours for trotting contests must be stated. Every rider or driver in jumping or trotting events must give his name at the scales. All riders and drivers in jumping and trotting events must wear skull caps, which will be provided by the Society. Exhibitors in stud classes will not be allowed more than three entries in any one class.

A Saddle Horse shall not be eligible to compete in a Harness Horse Class, or vice versa. Similarly, a Buggy Horse shall not compete in a Sulky Turnout Class, or vice versa. A horse having competed in a Buggy or Sulky Turnout Class, or as a Harness Horse, shall not be eligible for a Business Turnout Class, or vice versa. These provisions do not apply to PONIES.

A Brood Mare, exhibited in a class for brood mares, shall not be permitted to compete in Saddle or Harness Classes, but may be entered in all Stud Classes for which she is eligible.

A mare entered in a stud class is eligible to compete in a saddle or harness class.

The time of entry shall mean the date on which the entries finally close.

Stallions are not eligible to compete in classes (Jumping and Trotting Exhibitions excepted) other than those specially provided for entries.

Horses entered in Trotting Contests are not eligible to compete in saddle and harness classes.

No person under disqualification recognised by this Society may exhibit or compete.

Riders in hack classes must be suitably attired.

In awarding the Championship, unless otherwise stated, the first prize winner of the relative sex in each class of the relative Sub-section shall be eligible to compete.

In awarding the Reserve Championship, unless otherwise stated, the first prize winner of the relative sex in each class of the relative Sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize.

If a Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship as the case may be, then the Championship shall be awarded to the animal which was awarded the Reserve Championship as the case may be.

Sec. 1—HORSES—(Continued).

Measuring Horses and Ponies.

Horses, galloways, and ponies entered in classes for which the height is limited must be measured by the Official Measurer before competing. No exhibit shall be judged unless so measured.

Should a horse, galloway, or pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding horse, galloway, or pony class.

Horses, galloways, and ponies will not be measured unless the breastplate showing their number in the class for which they are being measured is produced to the Official Measurer for the purpose of enabling him to impress same with a rubber stamp showing the official measurement and his initials.

The Official Measurer will issue a certificate as to height and this certificate must be produced to the Steward at the entrance to the judging ring. Life certificates will not be issued.

The Official Measurer will attend at the Showground on Friday, Saturday, and Monday, 19th, 20th, and 22nd March, from 10 a.m. to 5 p.m. Ponies will be measured on Friday and Saturday, 19th and 20th March.

Any exhibitor not being present with his or her horse at the time of the roll-call, which will be taken five minutes before the commencement of the event, will not be permitted to compete in such event. After the roll-call the steward in charge of the Marshalling Yard will advise the Ringmaster the number of competitors present and ready to compete in the event about to take place.

Arrival of Exhibits.

No horse may be removed from the ground after arrival, unless a pass (obtainable from the Horse Superintendent) is presented to the gatekeeper; in the event of horses removed each night a deposit of £2 must be lodged (vide Regulation 42).

Boxes and Stalls.

Boxes will be guaranteed for stallions only, and will only be reserved for stallions entered and brought into the ground for the Show. Accommodation will not be provided for horses which enter the ground after the Show begins. Exhibitors must apply to the Horse Superintendent (office in horse section) for box number. One box will be allotted for feed and storage for every 15 pedigree horses. Exhibitors must share these boxes. In the event of any person placing horses in boxes or stalls, or removing numbers without authority, the horse will at once be removed from the Showground by order of the Secretary.

Bedding and feed will be placed in boxes at the expense of exhibitor before the arrival of horses, provided the Secretary is notified of the time of arrival. Exhibitors must not use sawdust and/or wood shavings in bedding down their horses.

The passes shall be handed back to the Society's official at the ring entrance by the exhibitor, rider, or attendant when leaving the ring at the conclusion of the judging of the class.

All horses must parade as they are shown in their competitive classes daily. Any exhibitor who fails to parade his horses shall forfeit all prize money (if any) won by him and be liable to a fine of £5 for each animal not paraded. A special parade of prize winners will be held on a day to be fixed if time permits. Should a horse be sold prior to the close of the Show, the entrant shall be responsible for the observance of the Parade regulations. This rule will be strictly enforced.

PROGRESS OF LIGHTING ...

The Rush Light was one of the earliest forms of illumination used by man. In candle form or as wicks for crude "slush" lamps this primitive method of lighting lasted for many generations.

To-day we flood our dwellings with clear, cheerful electric light. The quality of the light depends, of course, on that of the lamps we use.

That is why everyone says . . . .

Osram lamps are made in Australia for The General Electric Co. Ltd. of England.

Marketed by their sole Australian Representatives British General Electric Co. Pty. Ltd.

YORKSHIRE INSURANCE CO., LTD.—All Classes of Insurance Effected. Fire, Workers' Compensation, Crops, Fencing, etc. Yorkshire House, 14 Spring St., Sydney.

THE British Labour Minister in introducing the "1946 Assurance Companies Act," stated that "The 1946 Act":—

"Acknowledges the inherently international and comprehensive character of Insurance."

The Labour President of the Board of Trade in the House of Commons also stated that it would be proper in this connection to inform the House of the attitude of the Labour Government toward the future of British Insurance business. The Government, he stated, had no intention of interfering with the transaction of Insurance business by private enterprise. It is, he stated, the desire of the Government that Insurance should be, in the future, as in the past, dealt with on an international basis and as business of an international character.

Under the protection of Insurance Policies ships sail the oceans, land and air transport moves, men work, and homes and factories are built and safeguarded. Injuries are compensated and distress relieved.
