PENALTY—NON EXHIBITION OF PIGS.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of 10s. for each and every entry of pigs not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals, or (2) contagious or infectious disease (confirmed by an explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

**Prizes.**—In addition to the cash prizes specified in each class, ribbons will be presented. Age of pigs (litter classes excepted), to be calculated from the birth date shown in the litter registration in the herd book up to 1st April.

The age of pigs in litter classes shall be the actual age at the date of judging (Monday, 22nd March, 1948). Full particulars must be stated on the certificate of entry of age, pedigree, herd book number if fixed. In the case where no number is fixed, proof or acceptance for herd book must be produced, except where otherwise specified.

No pig shall be entered for a class for which it is not eligible on account of age. Exhibitors may be disqualified and debarred from further competition for any breach of this by-law.

No pig over 17 months of age shall be eligible to compete unless the date of farrow of the last progeny produced is shown on the certificate of entry.

Boars over 15 months old must have had their tusks cut down within six weeks of judging day. All pigs exhibited with a sow shall be her own progeny and not exceeding eight weeks old on day of judging (22nd March, 1948).

Any sow, entered in a sow and litter class, which has not farrowed at the time of judging, may compete in a dry class or vice versa. The exhibitor must advise the Secretary as early as possible to enable the transfer to be effected before the time of judging.

All pigs exhibited in group classes must be paraded and judged as a group, and not on their awards in individual classes.

First and second prize sows in litter classes may compete individually for Championship and Reserve Championship prizes as defined hereunder.

In awarding the Championship, the Junior Champion and first prize winner of the relative sex in each class of the relative Sub-section shall be eligible to compete.

In awarding the Reserve Championship, the first prize winner of the relative sex in each class of the relative Sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize.

In awarding the Junior Championship, which prize is restricted to Berkshires, Large Whites, Middle Whites, and Tamworths, the first prize winner of the relative sex in each class of the relative Sub-section, shall be eligible to compete provided that no exhibit shall be eligible to compete for the Junior Championship if it is 12 months old or over.

Sec. 5—PIGS—Pork and Bacon Classes (Continued).

Pigs are to be weighed alive at 10 a.m. on Thursday, 18th March, when a margin of 5lb. either under or over the specified weights will be allowed. At the conclusion of the live weighing, one pig from each pen will be sent to the State Abattoirs, Homebush Bay, Sydney, where it will be killed and dressed. For the purpose of identification, each pig sent to the State Abattoirs will be body tattooed by the Society. The pig selected for slaughter shall be the lightest exhibit in the pen. This pig will be sectioned to ascertain the required measurements. The carcase will be cut into sides, one of which will be cut in half at the last rib. The carcase will then be judged in accordance with the above-mentioned points. Cold weight will be taken simultaneously with the carcase appraisal. At the conclusion of the carcase judging the prize winning carcasses will be hung in the Metropolitan Meat Industry Commissioner's refrigerated cabinet at the Royal Agricultural Society's Show this year, where they will remain until the termination of the Show. Delivery of unselected carcasses shall be made immediately after judging. Note:—For educational purpose, photographs of the winning live pigs will be displayed in the Metropolitan Meat Industry Commissioner's refrigerated cabinet on the Sydney Showground. For succeeding Royal Easter Shows the photographs of the winning pigs with the selected carcasses of the immediate previous Royal Easter Show will also be displayed in a like manner. The judge's decision to be final.
