CHAMPIONSHIP SHOW.

Held under the Rules and Regulations of the Royal Agricultural Society of New South Wales and the R.A.S. Kennel Club.

SPECIAL REGULATIONS.

- All dogs must be registered with the R.A.S. Kennel Club and must be the bona fide property of the exhibitor. Dogs registered with the Kennel Club (England) or a recognised interstate canine governing body must be re-registered without a fee.
- A dog may be entered in more than one class, subject to the schedule as classified.
- Should any judge be prevented from fulfilling his or her engagement, or where two or more judges appointed to make an award fail to agree, the Society shall have the right of appointing another judge without reference to the exhibitors.
- Prize money will be paid on the Judge's awards, in accordance with the number of entries in each class.
- All dogs must be at the Dog Pavilion at 8.30 a.m. on Saturday, Tuesday, Wednesday, Thursday, Friday, Saturday, or Monday, 9th, 12th, 13th, 14th, 15th, 16th, and 18th April (in accordance with judging groups). The examination of dogs by the Official Veterinary Surgeon of the Society will take place opposite the pavilion. If approved, the dog must be at once benched. Dogs will not be benched or judged before having been so examined. No person, except the owner or his representative, will be allowed in the pavilion until after the dogs have been examined and benched. Any dog showing symptoms of any disease must be removed from the Showground at once.
- All dogs must be brought to the Show fastened with a suitable chain and collar.
- A challenge and reserve challenge certificate may be awarded in any breed if recommended by the Judge.
- No prize cards or other notices, except approved registered Kennel and/or dog's name, may be placed over the benches except the official prize cards for the current Show. The Notice Board displaying the Kennel and/or dog's name must be made of wood, size 18 inches by 6 inches, painted white, black letters. Bench numbers shall not be changed from one pen to another, unless authorised by the Superintendent.
- Dogs must not be removed from the Show building between the hours of 9 a.m. and 6 p.m. daily, unless a Veterinary Certificate be produced stating that the dog is not fit to remain on the bench, or for the purpose of being judged, or for exercise, for which permission must be obtained from a Steward.
- If a dog is not on its bench when required for judging, the Society will not be responsible for its absence.
- Exhibitors must not interfere in any way with the benching as erected, and in particular the partitions between one pen and another must not be removed under any circumstances.
- Only dogs on exhibition for the particular day of judging will be permitted to be benched in the special area set aside for the purpose. The public shall be admitted to this area at the conclusion of judging. A separate portion of the Pavilion will also be reserved for prize winners of the preceding day and the public shall be admitted to such portion of the Pavilion from 9 a.m. daily.
- Dogs absent from any class for which they have been entered except in the case of their being ineligible for same shall not be judged in subsequent classes.
- All protests must be lodged (in writing) by noon on the day following the judging, such protests to be placed in a box provided for that purpose in the office of the Secretary on the Showground. The sum of £1 is. must accompany each protest and this sum may be forfeited if the protest is considered frivolous. Protests shall be heard by the committees of the sections in which the protests occur, and the recommendations of the committees shall be reported to the Council, whose decision on protests shall be final.
- Delivery of Dogs.—The pavilion will be closed to the public at 6 p.m. daily, when the delivery of dogs will commence. See over page for retention of prize winning exhibits for exhibition on day following judging.
- All exhibits sold at the exhibition, or prior to their return to the owner's residence, will be subject to a commission of 1 per cent if sold by auction, or 5 per cent if sold privately, on gross amount of sale.
Note:—Should an exhibitor wish to have his or her dogs benched alongside those of another exhibitor of the same breed, notification accordingly must be given on the entry form.

CATTLE DOGS AT "ROYAL"

Cattle-dogs were well represented at the Royal this year, as indeed they have always been since the beginning of this century; and, in conjunction with the Barbs and Kelpies, help to make up the canine backbone of the Show.

No matter how "fancy" breeds may come and go, the R.A.S. is always sure of a good entry in our classes.

RED SPECKLES

The puppy dogs in Red Speckles were not bad types, but mostly too light in color.

The classes improved up to the open dog (with one exception, which looked like a bull-mastiff cross. Heaven help the stock he bit!). The Red breeders have evidently gone back to the dingo cross, because most of the reds were much more active and typy than the blues, and I never breed the Red Speckles myself, although they are good workers and biters, because they are too hard to breed to color from my experience in the 'nineties; litters mostly run from nearly white (a most dangerous color for the animal wearing it, especially at night, when the dark makes a dog inclined to be careless in his work; result, either horned or kicked), to Red Speckles, with patches of dingo red all over them, which offend the breeder's eye.

There were a few nice puppy red bitches, one being very good dingo type; but no outstanding Red Speckle bitches in novice and open.

REMEDY FOR THIS

What is the reason for this all round lack of quality working types? In a pastoral country, this is a bad state of affairs; because we must remember, no working cattle dogs, so much extra expense in handling the stock. In the first place, it comes back to the same old thing—more prize-money. The few specials given do not attract most breeders, as the cost of getting a dog out of working condition and into "show" (or fat) condition, hurts, with good beef the price it is now. The tendency, therefore, is to keep them fat on mutton and carbonaceous foods all the year round, which makes the dogs gradually lose their proper shape and type. If our dogs could be shown in working condition, it would be much easier, and the Royal would get a much better entry! Besides, as every breeder and most judges know, fat (like charity) hides a multitude of faults.

Sec. 8—DOGS (Continued).

SUBSTITUTE JUDGE.

The Council reserves the right to substitute a judge when deemed necessary.

RESERVE AWARD.

For the purpose of the Society's records judges will make a Reserve Award when deciding Special Prizes.

SERVING AUSTRALIA ★

Like some magnificent mirror, the Royal Show reflects the true Australia. Here city and country are seen as a whole; here their interests meet and mingle. In the pages of the "Herald," too, the community's most progressive elements find their interests truly reflected. The "Herald" serves both city and country; it is a great national daily.

100 Years' Service to Australia

THE A.M.P. Society, which celebrates its centenary this year, was founded in Sydney by a group of public-spirited citizens with the ideal of service to the community — a life office founded on Mutual Principles. To-day it stands as the greatest Mutual Life Office in the Empire.

The A.M.P. is controlled by a Board of Directors elected by the members. There are NO SHAREHOLDERS and therefore all surplus belongs to its members.

If you are not a member, the Society will be pleased to send an experienced Representative to tell you how best membership can be used to benefit you and your family.
