SPECIAL HORSE REGULATIONS.**PENALTY—NON-EXHIBITION OF HORSES.**

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of £2 for each horse not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals, or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

Age of Horses.

The age of all horses to be calculated as from 1st August. Every horse foaled before 1st August in any year shall be deemed to be one year old on that date. A filly is defined as a female under four years of age.

Veterinary Certificate.

A certificate of soundness must be produced with:—

- Every stallion 2 years old or over.
- Trotting or Pacing Stallions in harness.
- Every mare in stud classes 3 years old and over.
- All Draught geldings.
- All Plough horses

before such horses shall be allowed to compete. The following certificates will be accepted:—

- Royal Agricultural Society of N.S.W.
- Stock Branch of the Department of Agriculture, N.S.W.
- The Government of any other Australian State or New Zealand, in which case an examination of the horse for identification purposes will be made by the Society's veterinary surgeons.

Stallions and mares will be examined for soundness and conformation by a Board appointed by the Council of the Royal Agricultural Society of N.S.W., consisting of a breeder and two veterinary surgeons, and the Society's Certificate will be issued to each animal passed by such Board.

Life certificates will be issued for stallions and mares (not geldings) passed as sound at six years of age.

A rig shall not be passed as a stallion.

Board of Appeal.—In the case of a horse being rejected for unsoundness, the Board of Appeal shall consist of three veterinary surgeons, and in the case of rejection on conformation the Board shall consist of two breeders and a veterinary surgeon. All appeals shall be decided previous to horses being judged. A deposit of one guinea must accompany each appeal.

Stallions or mares entered in stud classes must not be sold while on the Showground unless each has received a certificate for soundness in accordance with the Society's regulations.

Entries.

All entries should be made on the prescribed certificate of entry. Certificates of entry will be posted to exhibitors on application. When forwarding entries exhibitors should state the number of class (as per schedule) for which they desire to compete, together with the following description of the horse, viz. —Name, colour, and sex, date foaled or age, name and address of breeder, name of sire and name of dam. The colours for trotting contests must be stated. Every rider or driver in jumping or trotting events must give his name at the scales. All riders and drivers in jumping and trotting events must wear skull caps, which will be provided by the Society.

Exhibitors in stud classes will not be allowed more than three entries in any one class. It shall be a condition of entry in light horse, pony, hunting and jumping classes and contests that the performances of each horse or pony is stated on the Certificate of Entry.

In stud classes the same horse cannot enter or compete in two ordinary classes, but can compete in all classes marked special for which it is eligible, provided the entry has been made in the usual way.

A Saddle Horse shall not be eligible to compete in a Harness Horse Class, or vice versa. Similarly, a Buggy Horse shall not compete in a Sulky Turnout Class, or vice versa. A horse having competed in a Buggy or Sulky Turnout Class, or as a Harness Horse, shall not be eligible for a Business Turnout Class, or vice versa. These provisions do not apply to PONIES.

A Brood Mare, exhibited in a class for brood mares, shall not be permitted to compete in Saddle or Harness Classes, but may be entered in all Stud Classes for which she is eligible.

A mare entered in a stud class is eligible to compete in a saddle or harness class.

The time of entry shall mean the date on which the entries finally close.

Stallions are not eligible to compete in classes (Jumping and Trotting Exhibitions excepted) other than those specially provided for entries.

Horses entered in Trotting Contests are not eligible to compete in saddle and harness classes.

No person under disqualification recognized by this Society may exhibit or compete.

Riders in hack classes must be suitably attired. A rider or contestant not suitably attired shall be precluded by the Committee from competing in an event.

In awarding the Championship, unless otherwise stated, the first prize winner of the relative sex in each class of the relative sub-section shall be eligible to compete.

McPHERSON'S LTD.—Since 1860 the firm most relied on by the man on the land—
51-65 Bathurst Street, Sydney.

R.A.S.—1

Sec. 1—HORSES—(Continued).

In awarding the Reserve Championship, unless otherwise stated, the first prize winner of the relative sex in each class of the relative sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize.

If a Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship as the case may be, then the Championship shall be awarded to the animal which was awarded the Reserve Championship as the case may be.

Measuring Horses and Ponies.

Horses, galloways, and ponies entered in classes for which the height is limited must be measured by the Official Measurer before competing. No exhibit shall be judged unless so measured.

Should a horse, galloway, or pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding horse, galloway, or pony class.

Horses, galloways, and ponies will not be measured unless the exhibit card showing their number in the class for which they are being measured is produced to the Official Measurer.

The Official Measurer will issue a certificate as to height and this certificate must be produced to the Steward at the entrance to the judging ring.

The Official Measurer will attend at the Showground on Thursday, Friday, Saturday, and Monday, 7th, 8th, 9th and 11th April, from 10 a.m. to 5 p.m. Ponies will be measured on Thursday, Friday and Saturday, 7th, 8th and 9th April.

Life Certificate.

Commencing with the 1949 Royal Easter Show, a Life Certificate may be issued in respect of a pony, galloway or horse seven years old and over, which has been officially measured at a Royal Easter Show.

Time-Table of Judging.

A time-table of judging of all classes and events will be posted to each exhibitor after entries close.

Roll Call in Marshalling Yard.

Competitors in ring events must have their horses in the Marshalling Yard under the Martin and Angus Stand not later than 15 minutes prior to the commencement of the event. Any exhibitor not being present with his or her horse at the time of the roll-call, which will be taken five minutes before the commencement of the event, will not be permitted to compete in such event. After the roll-call the steward in charge of the Marshalling Yard will advise the Ringmaster the number of competitors present and ready to compete in the event about to take place.

Arrival of Exhibits.

Unless otherwise stated in the Ring Time-Table, all horses (ponies excepted) must be on the Showground before 9 a.m., Tuesday, 12th April. Stud ponies and those saddle and harness ponies which will be judged on Monday, 11th April, must be on the Showground not later than 9 a.m. on that day. Stallions and mares will be examined on the Showground on Friday, Saturday, and Monday, 8th, 9th and 11th April. Draught geldings and plough horses will be examined from 8 a.m. and not later than 9 a.m., on Good Friday, 16th April, on which day they will also be judged. Animals will not be examined on Tuesday, 12th April (Judging Day). Horses entered for harness classes and contests must be on the ground one hour, at least, before the judging or contests take place. Horses coming long distances may be stabled on the Showground before the Show.

Passes for attendants can be obtained at the Secretary's office on the Showground on presenting exhibitor's entry ticket. No horse may be removed from the ground after arrival, unless a pass (obtainable from the Horse Superintendent) is presented to the gatekeeper. In the event of horses removed each night a deposit of £2 must be lodged (vide Regulation 42).

ALLOCATION OF STALLS AND BOXES.
(Limited Number Available.)

The Society will guarantee stalls and boxes for—

(1) Stallions and mares entered in stud classes and brought on to the Showground for the Show;

(2) Recognised Hunters and Jumpers;

(3) Trotting horses competing in the Night Show Ring Programme.

The remaining stalls and boxes will be allocated strictly in accordance with the following order of preference—

(a) To recognised Inter-State exhibits;

(b) To recognised Country exhibits (areas beyond the County of Cumberland shall be deemed to be Country);

(c) To exhibits normally located eight (8) miles or more from the Sydney Showground (exhibits normally located on the North side of the Harbour shall be considered at least eight (8) miles from the Showground);

(d) To exhibits normally located within eight (8) miles of the Showground.

It shall be a condition of entry that those exhibits for which stalls and boxes are not allotted will leave the Showground daily.

Stalls and boxes will not be provided for horses competing solely in riding classes or events, or for horses (Night Ring Programme Trotters excepted) which enter the ground after the Show begins. Exhibitors must apply to the Horse Superintendent (office in horse section) for box number. One box will be allotted for feed and storage for every 15 horses. Exhibitors must share these boxes. In the event of any person placing horses in boxes or stalls, or removing numbers, without authority, the horse will at once be removed from the Showground by order of the Secretary.

NOTE: Owing to the ever-increasing horse entry, and the prevailing building and labour restrictions, the Society has been reluctantly compelled to introduce the foregoing regulation. Same will be rigidly enforced.

Bedding and feed will be placed in boxes at the expense of exhibitor before the arrival of horses, provided the Secretary is notified of the time of arrival. Exhibitors must not use sawdust and/or wood shavings in bedding down their horses.

Night Stalls for Trotters.

When required, stalls for Trotters competing in the Evening Ring Programme shall be available on application to the Horse Superintendent. This reservation will be retracted to the evening of competition, country Trotters excepted.

Exhibit Numbers.

Exhibit numbers (Breast Plate) for stud exhibits will be supplied at the Horse Superintendent's Office, situated in the Horse Section. Other exhibits will be issued with Arm Band numbers when assembled for the judging of each class. On all occasions the exhibit number for studs must be affixed to each horse before entering the ring. Arm Bands must be worn by the rider or driver before leaving the Assembly Yard to be judged. Pass-out Checks and return railway certificates can also be obtained at this office.

Ring Passes.

No exhibitor, rider, or attendant will be permitted to enter the ring unless he or she has received a ring pass for the particular class from the Horse Superintendent. The passes shall be handed back to the Society's official at the ring entrance by the exhibitor, rider, or attendant when leaving the ring at the conclusion of the judging of the class.

Parades.

All horses must parade as they are shown in their competitive classes daily. Any exhibitor who fails to parade his horses shall forfeit all prize money (if any) won by him and be liable to a fine of £5 for each animal not paraded. A special parade of prize winners will be held on a day to be fixed if time permits. Should a horse be sold prior to the close of the Show, the entrant shall be responsible for the observance of the Parade regulations. The Committee may grant exemption to any exhibit from participating in the Grand Parade.

This rule will be strictly enforced.

Pavilions Open to Public.

The Horse Pavilions shall be open to the public daily from 9 a.m. to 9 p.m., Good Friday excepted, on which day they shall be closed at 6 p.m.

Horses for Sale.

Stallions or mares entered in stud classes must not be sold while on the Showground unless each has received a certificate for soundness in accordance with the Society's regulations.

Regulation 27.—All exhibits sold at the Exhibition, or prior to their return to the owner's residence, will be subject to a commission of one per cent. if sold by auction, or five per cent. if sold privately, on the gross amount of the sale.

Departures.

All horses, except those competing in contests to take place after 5 p.m., Tuesday, 19th April, may depart from the Show on that day at 5 p.m.

Horses must not be removed from the ground unless a pass (obtainable from the Superintendent) is presented to the gatekeeper.

Exhibitors wishing to keep their horses on the Showground after the conclusion of the Show must obtain permission from the Secretary, who may grant the privilege for a period not exceeding 14 days.

Railway Certificates.

Certificates granting reduced rail carriage of unsold horses, returning to the station they were trucked from, can be obtained at the Superintendent's office. These certificates should be obtained before the horses leave the ground, and should be presented at the Stock Booking Office at Central Railway Station, when the horses are trucked, otherwise full trainage will be charged. A concessional rail certificate will not be issued unless the exhibit is returned to the Station from whence it was trucked within four weeks of the date of the forward journey.

Exhibitors—Third Party Risk.

Exhibitors and owners of horses, cattle, pigs, goats, poultry, dogs, and cats, are protected by insurance against ordinary third party risks arising from any injury or damage caused by their animals or birds from the time of their arrival on the Showground up to the time of their departure the Society having taken out a policy covering the legal liability of owners and exhibitors of such stock in this respect.

SUITABLE ATTIRE.

All riders and drivers must be suitably attired otherwise they shall be precluded by the Committee from competing in any event or contest.

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued).

HUNTING AND JUMPING EXHIBITIONS. DRESS AND COLOURS.

All riders must wear steeplechase or hunting costume (ladies in riding habit), and the colours must be stated on the certificate of entry. Ladies can ride only in classes provided for ladies, unless otherwise specified.

RIDERS TO BE SUITABLY ATTIRED.

A rider or contestant not suitably attired shall be precluded by the Committee from competing in an event.

HUNTING COURSE.

The Hunting Course is restricted to the grass oval. The trotting track is definitely not included in the Hunting Course.

SUBSTITUTE OR ALTER AN EVENT.

The committee reserves the right to substitute or alter any event in the day or night programme.

PARADES.

All horses must parade as they are shown in their competitive classes daily. Any exhibitor who fails to parade his horses shall forfeit all prize money (if any) won by him and be liable to a fine of £5 for each animal not paraded. A special parade of prize winners will be held on a day to be fixed if time permits. Should a horse be sold prior to the close of the Show, the entrant shall be responsible for the observance of the Parade Regulations.

These rules will be strictly enforced. All riders and drivers in jumping and trotting events must give their names at scales and must wear skull caps, which will be provided by the Society.

Where the conditions of a Hunt include a weight stipulation the Judge or Stewards shall not alter the number of obstacles to be negotiated.

A statutory declaration must be furnished with entries in Novice Classes showing that the exhibits comply with the conditions.

A judge in any Lady's Hunting Event may warn off a horse which in his opinion is unfit to be ridden by a lady in such event.

The Council reserves the right to substitute a judge whenever deemed necessary.

(Special Prize)—Trophy will be presented to the most successful gentleman rider in Hunting and Jumping Contests, Royal Easter Show, 1949. The prize shall be determined as follows:—Each first prize, to count as three points, second as two, third as one.

CLASS 172—THE "HUNT BROS. MOTORS" INTER-STATE CHALLENGE TROPHY HUNTING CONTEST.

(Single, Pair, and Four Horses—Ladies and Gentlemen, or both.)

(Special Prizes)—£100, presented by Hunt Bros., (Motors) Pty., Ltd., Motor Sales and Service, 242-246 Railway Parade, Kogarah, Sydney, Challenge Trophy and Memento. First prize, £50 and Challenge Trophy; second prize, £25; third prize, £15; fourth prize, £10. The Challenge Trophy shall be held by the Royal Agricultural Society of the State in which the owner of the winning team resides until one month prior to the Show at which the succeeding contest will take place. In addition to the prize-money, a Memento, will be awarded each year to each competitor in the winning team. Horses will be judged for hunting qualifications and tried singly, in pairs, and in fours over course and fences as the Committee may direct. The Contest shall be divided into three sections, each of which shall be conducted as a separate event, with an interval of at least two hours between each. The first section shall be for a single hunt, the second for pairs, and the third, a section four. The prizes shall be allocated to the teams which have negotiated the course in all three sections with the least number of faults. The horses ridden by gentlemen are to carry 12-stone; ladies to ride at catch weights. Competitors may be all ladies or gentlemen, or two of each. For the purpose of representing the State in which the horses are normally located, owners will be allowed to make up a team, but in the event of a team separately owned winning, the prizes will be divided. There shall be no restriction as to the number of teams representing any one State, but any one horse shall not be entered in more than one team. Each horse in a team must compete in each of the three sections. The name of each horse must be stated on the entry form.

By completing the Bending Race Course as aforesaid the competitor, being on the left hand side of the barrel must take each flag from the right hand side. Should a flag be not placed in the barrel, and it is necessary to dismount, the competitor must remount from which position the flag is to be placed in the barrel. All six flags must be placed in the barrel otherwise points will not be awarded. The following points will be allocated for each heat:—first, 6; second, 5; third, 4; fourth, 3; fifth, 2; sixth, 1. The prizes shall be awarded to the competitors gaining the greatest number of points in all heats. A competitor must compete in all heats. The Committee, from nominations received, shall select six competitors from each State. Should there be fewer than six nominations from any State, the number of competitors shall be limited to eighteen and a selection made by the Committee from the remaining States.

The Race shall be open to selected Lady and Gentlemen Riders.

SPECIAL NOTICE.

The Committee has found it necessary to revise the conditions of competition for Class 209A—The "City Fashions" Inter-State Challenge Bending-Flag Race, as hereunder shown:—

- (1) The nominations received from Inter-State Competitors shall not be disturbed.
- (2) To select competitors resident in New South Wales an elimination contest shall be held, commencing at 10 a.m., on Saturday, 9th April, 1949. The elimination contest shall be conducted in heats, each of six competitors. The first, second, and third placed competitor in each heat shall qualify for the Contest which will be conducted during the currency of the Royal Easter Show.

Owing to the restricted horse stall accommodation it will not be possible to provide stalls for horses, owned or ridden, by those competitors who do not qualify. This provision, however, shall not apply to horses entered in other competitive classes, in virtue of which accommodation would already be provided for them.

The number of entries received from New South Wales competitors exceeded the number allocated the State, hence the reason for the foregoing variation of conditions. Each New South Wales competitor was advised, as above, immediately following the closing date of entries.

NOVEL SHEEP DOG TRIAL. TEAM WORKING EXHIBITION.

Sponsored by The Potato Marketing Board of Tasmania.

This unusual exhibition of Sheep working by a team consisting of six Border Collies under the control of Mr. Richard Fortune, Timaru, N.Z., is an innovation which should prove both educational and entertaining. The working plan arranged by Mr. Fortune is one which calls for the closest co-operation between the dogs and their master, provides much scope for the display of sagacity on the part of the former, and at the same time reveals the degree of confidence existing between the owner and his canine friends.
