JUDGING DAYS, POULTRY AND PIGEONS, WEDNESDAY, 13th APRIL.
PHEASANTS, THURSDAY, 14th APRIL.
CANARIES AND CAGE BIRDS, FRIDAY, 15th APRIL.

ARRIVAL AND DEPARTURE OF EXHIBITS.

All Poultry and Pigeons must be penned before 9 p.m. on Tuesday, 12th April, Pheasants by 9 p.m. on Wednesday, 13th April, Canaries and Cage Birds by 9 p.m. on Thursday, 14th April. Special labels are issued to exhibitors of Poultry to be attached to their crates, baskets, etc. They are requested to attach same to their crates, etc., and mark thereon the catalogue numbers of the birds contained therein. By complying with this, exhibitors will have their birds returned in the same crates as despatched in and avoid wrong birds being placed in the crates. No bird will be received at the pavilion unless the tag supplied to each exhibitor with the pen number slip is securely fastened to one of the bird's legs. Poultry and Pigeons are not to be removed from the Show before 9 p.m. on Tuesday, 19th April. Exhibits will be delivered on demand over barriers only at entrance to building. No exhibitor will be allowed inside the barrier while the exhibits are being delivered. The return of exhibits by rail will commence on the morning of Wednesday, 20th April, and continue until completed.

SPECIAL REGULATIONS.

- Entries will only be accepted on the express condition that the following regulations shall be applicable:—
1. No entry will be received from any person disqualified by this Society or any recognised Club or Society during the period of such disqualification, provided that notice has been received of the disqualification and the same has been confirmed by the Council. Should any such entry be accidentally accepted, it shall, whenever discovered, be deemed void, and the entry fee returned.
- No exhibit shall be entered by or in the name of any person who is disqualified, or which is not at the time of the entry the bona fide property of the exhibitor. No sale for a limited period or borrowing will be allowed. In the case of partnerships or joint ownerships, the names of all such partners or owners must be stated, and each of such owners shall be equally liable under all the rules and regulations of this Society.
- No exhibit entered in a wrong class will be allowed to compete, and the entry fee in respect of such exhibit will be forfeited.
- The Council reserves the right of refusing or cancelling any entry without giving any reason for so doing.
- The decision of the judges shall be accepted as final.
- No trimming, plucking, dying of feathers, legs, or any other fraudulent practice will be allowed, and every exhibitor will be deemed to be, and will be held responsible for the condition in which his exhibit appears in the pen.
- All protests will be considered by the Council as soon as possible after the judgment, and their decision shall be final for this Show.
- Whenever any exhibit has been disqualified the Council may also disqualify the exhibitor thereof from exhibiting at future Shows of this Society and may declare forfeited all prizes awarded to him.
- Should any exhibit which has been awarded a prize be disqualified, the next in order of merit on the Judge's award card shall not necessarily be entitled to the prize, but the matter shall be determined by the Council.
- The Society will not receive the proceeds of sales of birds or take any responsibility in connection with the same, except in Table Poultry Classes, where any pen of birds exhibited may be claimed from the exhibitor for £2 2s., in which case a written claim must be lodged with the Superintendent, together with the above amount, before noon on the day following judging. In the event of more than one claim being lodged for any one pen the respective claimants will be invited to tender for that exhibit.
- All exhibits sold at the exhibition, or prior to their return to the owner's residence, will be subject to a commission of 2½ per cent. on the gross amount of sale.
- If there be three or more exhibitors in an A.O.V. or A.O.C. class, with exhibits of the same variety or colour, a separate class or classes will be provided for the variety or colour.

YOU . . .

are among good company if you purchase
your Stud Poultry from

Judson's Australorps

In 1948, 101 eggs were sent to the Iowa
Agricultural College, U.S.A., and 91 healthy
chicks were hatched. Similar results were
obtained from eggs sent to New Zealand,
and to all parts of Australia.

Birds for breeding were sent to India, for
Government purposes, and to private firms
in South Africa, Malaya, Ceylon, Hong Kong,
all of whom were anxious to build flocks
from the very best foundation stock.

You, too, can improve or build your flock to
the best advantage, if you buy your settings,
chicks, or stock from this world famous Stud.
