FODDER.

The official fodder store on the Showground will be open for sale of fodder during the Show. It will be the responsibility of each exhibitor to make his own fodder arrangements. The sale of fodder on the Showground shall be restricted to the Official Produce Merchant.

Fodder shall not be admitted to the Showground unless on the presentation to the gatekeeper of a written order form by an exhibitor or his representative. Likewise fodder must not be removed from the Showground unless the exhibitor or his representative presents a written authority when applying for a pass-out check. The authority forms for fodder coming on to the Showground, whether purchased from an outside produce merchant or brought in by the exhibitor, are obtainable on application to the Secretary.

To assist exhibitors or produce merchants authorised by an exhibitor, to enter or leave the Showground with fodder, the following gates have been reserved for the purpose:

(i) On entering the ground—Through the Furber Road gate.

(ii) When leaving the ground—

(a) From the horse section through the Lang Road gate.

(b) From the cattle and pig sections through the Paddington gate.

All conveyances must enter the Showground between the hours of 6 a.m. and 8.30 a.m.

All conveyances must leave the Showground on ordinary days by 9.30 a.m. and on Good Friday, Easter Saturday, and Easter Monday, by 9 a.m.

NOTICE.

All pigs (except those entered for bacon classes) over five months old must be registered with the Australian Pig Society, or a recognised Pig Stud Book Society. Pigs, including litters in sow and litter classes, must be from litters duly notified in accordance with the rules of the Australian Pig Society. For particulars apply to Branch Secretaries:—G. C. Somerville, Endeavour House, 33 Macquarie Place, Sydney; L. Monod, Temple Court, Collins-st., Melbourne; H. W. Watson, Primary Building, Creek-st., Brisbane; H. J. Finnis, 7 Pirie-st., Adelaide; J. B. Marshall, 18 William-st., Perth; A. J. Stewart, 15 St. John-st., Launceston, Tas.

PENALTY—NON-EXHIBITION OF PIGS.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of 10s. for each and every entry of pigs not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by an explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

Prizes.—In addition to the cash prizes specified in each class, ribbons will be presented.

Age of pigs (litter classes excepted), to be calculated from the birth date shown in the litter registration in the herd book up to 1st April.

The age of pigs in litter classes shall be the actual age at the date of judging (Saturday, 1st April, 1950).

Full particulars must be stated on the certificate of entry of age, pedigree, herd book number if fixed. In the case where no number is fixed, proof of acceptance for herd book must be produced, except where otherwise specified.

No pig shall be entered for a class for which it is not eligible on account of age. Exhibitors may be disqualified and debarred from further competition for any breach of this by-law.

No pig over 17 months of age shall be eligible to compete unless the date of farrow of the last progeny produced is shown on the certificate of entry.

Boars over 15 months old must have had their tusks cut down within six weeks of judging day.

All pigs exhibited with a sow shall be her own progeny and not exceeding eight weeks old on day of judging (Saturday, 1st April, 1950).

Any sow, entered in a sow and litter class, which has not farrowed at the time of judging, may compete in a dry class or vice versa. The exhibitor must advise the Secretary as early as possible to enable the transfer to be effected before the time of judging.

All pigs exhibited in group classes must be paraded and judged as a group, and not on their awards in individual classes.

First and second prize sows in litter classes may compete individually for Championship and Reserve Championship prizes as defined hereunder.

In awarding the Championship, the Junior Champion and first prize winner of the relative sex in each class of the relative Sub-section shall be eligible to compete.

In awarding the Reserve Championship, the first prize winner of the relative sex in each class of the relative Sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize.

In awarding the Junior Championship, which prize is restricted to Berkshires, Large Whites, Middle Whites, and Tamworths, the first prize winner of the relative sex in each class of the relative Sub-section, shall be eligible to compete provided that no exhibit shall be eligible to compete for the Junior Championship if it is 12 months old or over.

Exhibitors from other States should obtain from the Stock Branches of their own State and N.S.W. a "permit to travel" before arranging to despatch the pigs to Sydney.

Any exhibitor who may neglect to feed and properly attend to all pigs exhibited by him during the period through which they remain in the sties, either before or after the pig sales, shall be liable to disqualification after enquiry by the Council.

No pig shall be removed from its numbered pen without the sanction of the Superintendent.

Each exhibitor or his representative will be allowed to get in the pen and show his pig to the Judge, and must remain in the pen until the Judge has finished with that exhibit.

Millions rely on the A.M.P.

The faith of the people of Australia and New Zealand in the A.M.P. Society has made it the greatest Mutual Life Office in the Empire—with assets conservatively estimated at over £194,000,000. Millions rely upon the Society for protection and security.

The A.M.P. is a democratic organization and its affairs are controlled by a Board of Directors, elected by the members. There are NO SHAREHOLDERS, and therefore all surplus belongs to its members.

If you are not a member, the Society will be pleased to send an experienced Representative to tell you how best membership can be used to benefit you and your family.

Pigs are to be weighed alive at 10 a.m. on Thursday, 30th March, when a margin of 5 lb. either under or over the specified weights will be allowed. At the conclusion of the live weighing, one pig from each pen will be sent to the State Abattoirs, Homebush Bay, Sydney, where it will be killed and dressed. For the purpose of identification, each pig sent to the State Abattoirs will be body tattooed by the Society. The pig selected for slaughter shall be the lightest exhibit in the pen. This pig will be sectioned

to ascertain the required measurements. The carcass will be cut into sides, one of which will be cut in half at the last rib. The carcass will then be judged in accordance with the abovementioned points. Cold weight will be taken simultaneously with the carcass appraisal. At the conclusion of the carcass judging the prize winning carcasses will be hung in the Metropolitan Meat Industry Commissioner's refrigerated cabinet at the Royal Agricultural Society's Show this year, where they will remain until the termination of the Show. Delivery of unselected carcasses shall be made immediately after judging. Note:—For educational purposes photographs of the winning live pigs will be displayed in the Metropolitan Meat Industry Commissioner's refrigerated cabinet on the Sydney Showground. The pigs will be photographed on Wednesday, 29th March. For succeeding Royal Easter Shows the photographs of the winning pigs with the selected carcasses of the immediate previous Royal Easter Show will also be displayed in a like manner. NO CHAMPIONSHIP AWARDS.

In accordance with the proposal made by the Federal Viticultural Council of Australia for Royal Shows only to conduct Championship Shows in the State in which the Federal Viticultural Council of Australia's Annual Conference is held, there will be no championship awards in the Wine and Brandy Section of the 1950 Royal Easter Show.

SPECIAL REGULATIONS.

- All classes are open for competition to wine growers and wine and spirit merchants.
- A wine merchant shall mean any person, association, or company buying wine and brandy.
- A wine grower shall mean any wine grower owning or occupying a vineyard, and manufacturing wine from grapes grown in such vineyard, or from grapes purchased for the purpose of wine-making.
- Exhibitors may either be members or non-members of the Society. Entry fee: Members, 7s. 6d.; non-members, 12s. 6d.
- Exhibitors will be allowed up to three entries in any one class. Each wine sample to consist of three quart (reputed) bottles. Two quart (reputed) bottles are to be supplied for Brandy and Vermouth. Exhibitors entering the same wine in more than one class must supply the full number of sample bottles for each entry.
- All wines will be judged on points.
- No exhibitor will be awarded more than one prize in any one class. Where an exhibitor has more than two entries in a class only the exhibit securing the highest number of points shall be considered for the prize. The succeeding prizes will be awarded in a similar manner among the remaining exhibitors in that class.
- The judge may award prizes on the basis of First, Second, Third, Very Highly Commended, Highly Commended, and Commended, but prize money will only be allocated for first and second awards.
- Entries must be made on forms supplied by the Society for that purpose. Exhibitors must state on the certificate of entry the class to be competed for, the distinguishing mark on the exhibits, character and vintage of the wine, and, when stipulated, the quantity in stock.
- No person will be allowed to inspect a certificate of entry, after reception by the Secretary, until the Judges' awards have been made public.
- After the close of entries, no person will be permitted access to the exhibits, except the Judges, Stewards, Secretary, and Staff, until the awards have been made.
- Exhibits are to bear the labels supplied by the Society for that purpose, and must show:—
(a) The year of the Competition (1950)
(b) The number of the class
(c) Where more than one entry, the distinguishing mark of the entry to conform to the certificate of entry.
(d) The year of vintage.
- (N.B.—Bottles must not be labelled with business labels. Branded bottles and corks are permissible.)
- Sparkling Wines are to represent wines which can be purchased on the market.
- Exhibits to be delivered to the Overseer's office at the Sydney Showground in cases properly marked to show Exhibitor's name, not later than Tuesday, 31st January, 1950.
- In all classes the wine in stock as stated on the certificate of entry may be inspected and checked by a representative of the Society or its nominee. Each exhibitor must supply the Society with a sealed envelope containing the record of any sale made subsequent to their entries being lodged, provided such sale has reduced the stipulated quantity below the minimum.
- Each exhibit of brandy must be accompanied by a declaration:—(a) that it conforms with the regulations; (b) that it has not been subjected to any treatment since its release from Bond; (c) that it has not been blended with any imported spirit or liqueur. The strength of brandy must be shown on the Certificate of Entry to enable same to be printed in the Catalogue.
- All exhibits to become the property of the Society. In disposing of the wine it shall be sold by public auction, and the proceeds of such to be donated to charity as selected by the Society.
- Exhibits must represent stocks as set out on the certificate of entry and be the bona fide property of the exhibitor at the time of entry.
- All wine exhibits must be the sole produce of Australian grapes and free from any foreign substance. The Society reserves the right to have any exhibit inspected and/or analysed by one or more persons appointed for that purpose.
