**BECTIVE HEREFORD STUD**

ANKERDINE ZENITH (Imp.)

The Bective Hereford Stud was founded in 1929 with the purchase of females from Hobartville, Golf Hill, Ennisview and Mount Leonard and Glengarry dispersal sales. Since then the best sires sold in Sydney have been procured and used in the Stud with the result that the Stud is finding ready sale for both males and females that are offered, and has also figured prominently in the Show ring in Sydney and Brisbane and locally. The aim of the breeders is to produce soft, early-maturing, well-marked types of cattle with good heads, broad in the buttocks and standing square on their feet. Bective bulls meet with ready sale when offered, and universally purchasers' comments are very encouraging and pleasing to the breeders.

# TRULINE

## Brick Machines

TRULINE cement brick making machines are approved and acclaimed by Dept. of Works and Housing, Commonwealth Experimental Building Station, Ryde, N.S.W., and other local council authorities.

TRULINE cement brick-making machines ensure a reliable supply of bricks when and wherever required.

As suitable materials, sand, gravel, ashes, and cement are practically always available, the possibility and advantages of TRULINE BRICK MACHINES are unlimited.

Brick construction has numerous advantages over other building materials in outlying districts, in that fire risks are lessened, upkeep reduced, white ant problem eliminated, and climatic conditions equalised.

The machines are semi-automatic, simple and easy to operate, factory tested and ready to use.

Bricks made in TRULINE machines are of first-class quality and can be coloured or mottled if so desired.

THE TRULINE BRICK MACHINE WILL BE ON DISPLAY AND DEMONSTRATED AT ANTHONY HORDERN AND SONS LTD. (AGRICULTURAL SECTION) DURING THE ROYAL EASTER SHOW.

THE TRULINE "POWER" CEMENT BRICK-MAKING MACHINE WILL ALSO BE DEMONSTRATED.

The machines and their products are on display and demonstrated at the manufacturer's factory at all times.

Bricks of standard shape and size 9in. x 4 1/2in. x 3in., are produced in this machine.

Overall Dimensions of Both Machines:

CONDITIONS.

These competitions are for the purpose of educating and encouraging cattle exhibitors and attendants to parade exhibits before a Judge in the most efficient manner. There shall be two competitions and a Championship, viz:—

- (b) Junior Paraders' Competition. (The winner shall be eligible to contest the Championship Prizes).

The Senior Paraders' Competition shall be restricted to exhibitors and their principal herdsman. The Junior Paraders' Competition shall be restricted to exhibitors' cattle attendants, other than exhibitors and principal herdsman.

A competitor shall not be placed at an advantage or disadvantage as a result of parading animals in a less or greater number of classes.

Each competitor shall be allotted an armband number which must be worn in each class, and in the championship judging. The armband number shall be the only form of identification.

The Championship Paraders' Competition shall take place on Friday, 23rd March. Each selected senior competitor and the winner of the Junior Paraders' Competition shall parade an animal as though under judging conditions.

# A Railway Quiz

- Have you seen the Railway Show Exhibit? It is in the Manufacturers' Hall.
- Are you making good use of the Railway Office on the Showground? It is there for your convenience. You will find it in Bent Street, under the Members' Grandstand, open from 9.30 a.m. to 5 p.m.
- Have you had a trip in an air-conditioned train? Modern air-conditioned expresses are now operating between Sydney and Nowra, Sydney and Albury, Sydney and Newcastle, and Sydney and Armidale.
- Are you consigning all your freight by rail? If so, you will be helping the transport system that helps you in various ways — concession rates on Show exhibits, reduced rates for store and starving stock, rebates of freight to encourage various industries, and low rates on primary products.

- (h) Carcase Judge.—The person appointed to judge the Carcase Classes.
- (i) Shorthorn Judge and Hereford Judge.—The persons appointed to judge respectively the classes for which horned Shorthorns and horned Herefords are alone eligible.
- No exhibitor shall enter more than three exhibits in any one class.
  - Every exhibit must be the property of the exhibitor at judging day and must have been owned by him at all times during the period of three months immediately preceding day of judging.
  - Exhibits in classes for live animals must be quiet and tractable and be trained to tie up and to lead.
  - The certificate of entry must be supported by a statutory declaration lodged with the Secretary before the closing date for entries, and such statutory declaration:
    - must be made by the exhibitor;
    - must verify the particulars in the certificate of entry;
    - must contain a statement that the age of each animal entered for exhibition, or whose carcase is entered for exhibition, does not exceed the age specified in relation to such animal in the certificate of entry;
    - must contain a statement that no animal entered for exhibition:—
      - whilst under the age of one year has been suckled by more than one cow or has had any supplementary ration of milk, whether natural, powdered, or otherwise;
      - whilst over the age of twelve months has received any milk ration, whether natural, or powdered, or otherwise;
    - must contain a statement as to where each animal has been fattened and the particulars of the food upon which the animal has been fed during the twelve months prior to the day of entry and upon what ration it will thereafter be fed until judging day.
  - In export classes the Judge may be given by the Chief Steward the weights of exhibits. It will be left to the discretion of the judge to disqualify or to penalise any exhibit if an animal shall be considered to be over or under weight or size, but no animal shall be precluded from parading before the judge by reason only of weight or size.
  - The Society shall have the right to weigh any or all exhibits at any time, and each exhibitor shall afford the Secretary all facilities and assistance if and when required so to do.
  - The weight of an exhibit certified by the Secretary to be correct shall for all purposes be accepted as correct.
  - Any animal shall not be eligible for entry in any single class for fat stock if it is over the age of 2½ years.
  - Particulars of ages of exhibits in each class (other than in carcase classes) may be furnished to the Judge, and shall be so furnished if the Judge shall require it.
  - If at any time any question shall arise as to the age of any exhibit the Secretary may require the exhibitor to furnish evidence as to the age to the satisfaction of the Steward-in-Chief and failing such production the exhibit may be disqualified by the Steward-in-Chief.
  - The judge, in making his decision in classes for live stock, will take into account early maturity, quality, conformation, development, evenness and depth of flesh, lightness of bone and absence of wasteful fat, and in the case of pure-bred exhibits, breeding and trueness to type, and in the case of pen class exhibits, uniformity of size, quality, and type of the animals comprised in the exhibit.
  - The judge will not be bound to grant an award to any exhibit which in his opinion he considers of insufficient merit to receive such award.
  - If an exhibit shall in the opinion of the Steward-in-Chief be of insufficient merit for exhibition, whether from point of view of Show preparation or of standard of excellence, the Society by its Secretary may require the exhibitor to remove the exhibit from the Showground, and the exhibitor upon being so required shall forthwith remove the exhibit, and if he shall fail to do so the Society at the expense and on behalf of the exhibitor may take all appropriate steps to have the exhibit removed and slaughtered and/or sold, and all costs and expenses incidental thereto shall upon demand be forthwith paid by the exhibitor to the Society.
  - Except with the consent of or as directed by the Secretary all exhibits in classes for live stock must remain on exhibition until the termination of the Show.
  - Except as otherwise specified in the Show schedule, both the sire and the dam of an exhibit shall be either stud or pure-bred animals of the same breed.
  - The prizes awarded in carcase classes shall be awarded to the exhibitor and shall be the property of the exhibitor and not of the purchaser.
  - In the event of any question or dispute arising as to any matter or thing affecting the entry of or retention of any animal on the Showground, or affecting the exhibition or qualifications of any animal or as to the right or obligation of any exhibitor or of the Society or as to the interpretation or application of any regulation of the Society, every such question and dispute may be referred by the Society or by the exhibitor or other party affected to the Steward-in-Chief who shall determine such question or dispute acting upon such information and evidence as he may think fit regardless of the ordinary rules of evidence and his decision shall be final and be accepted as binding upon all parties to such question or dispute and upon all persons affected thereby.
  - Should it be found that a steer, at the time of examination prior to judging, shows more than the prescribed number of teeth, it shall not be sold while on the Showground.

CARCASE CLASSES.

- No carcase of any animal shall be eligible for entry in the carcase classes unless the animal is entered for exhibition and is exhibited in one or other of the classes for live fat stock.

DEMCO MACHINERY CO. PTY LTD., Australasian Agents for the WORLD FAMOUS HANOMAG Tractors—see DISPLAY, PAVILION, 134 BENT ST.

Sec. 2—CATTLE—Fat Cattle (Continued).

- carcasses will be dressed and weighed, and will then be exhibited to the judge in the presence of the stewards of the Fat Cattle Section, and if so desired by the judge or by any steward, carcasses will be quartered and will be further cut up as may be required. If the carcase is weighed hot, the official weight shall be deemed to be the scale weight, less three per cent;
- the judge shall not be present during the killing or during the dressing of the carcasses;
- care shall be taken by the stewards that each carcase shall be capable of identification by the Steward-in-Chief and by the Chief Steward, but shall not be identifiable by the judge and shall not bear a catalogue number;
- no information shall be given to the Judge, and the Judge shall not seek or obtain information which may tend to distinguish any one or more carcasses from another or others;
- in the judging of a carcase the judge shall have regard to quality, depth and evenness of fleshing, and to conformation, lightness of bone, marbling, and absence of waste.

Judging to start at 3 p.m., Thursday, 15th March.

All animals exhibited in Classes 360 to 364, must in the opinion of the judge be typical of the breed.

All Fat Cattle to be weighed at 9 a.m., Thursday, 15th March, the weight of each animal to be posted on the pen.

SHORTHORN, HEREFORD, DEVON, ABERDEEN-ANGUS, and RED POLL PURE-BRED STEERS.

Carcasses of steers entered in Classes 368 to 372 may be inspected at the State Abattoir, Homebush Bay, on the morning of Tuesday, 20th March. Should it be found necessary to alter this arrangement notice of same will be posted on the Society's notice board.

JUDGING ARRANGEMENTS.

The steers must be quiet and tractable in order to be led into the Judging and Sale Rings. They may be either stall fed, grazed on natural pastures or both.

The steers are to be weighed alive at 9 a.m., Thursday, 15th March, and the weights will be handed to the various judges, who will commence judging at 3 p.m., Thursday, 15th March.

The steers will be sold by auction on behalf of the exhibitors at 11 a.m. on Saturday, 17th March, after which those entered in carcase classes will be sent to the N.S.W. State Abattoir, at Homebush Bay, where they will be slaughtered on Monday, 19th March. The judge will not be on the killing floor while the steers are being slaughtered and carcasses dressed. The day following slaughter the carcasses will be weighed and judged. The judge has power to have the carcase cut as he wishes in order to arrive at a correct judgment. The prizes are the property of the exhibitors who enter the steers and carcasses and not the purchasers.

The Committee reserves the right of freezing and placing the 1st, 2nd, and 3rd prize carcasses and cuts therefrom, in a refrigerated cabinet at the Royal Agricultural Society's Show of this year, and delivering same after the Show has terminated. The delivery of carcasses not so selected will not be given to the purchaser or purchasers until the judge has completed his awards.
