Every exhibitor warrants that he is the absolute owner of every animal brought by him or by his authority on to the Showground and agrees to indemnify and shall indemnify the Society against all claims on whatsoever ground and for whatsoever cause made against the Society in respect of such animal at the instance of any other person.

If, in the opinion of a Veterinary Surgeon of the Society, an animal on the Showground shall be so injured or be so affected by sickness, disease or other ailment as to warrant its destruction or its removal from the Showground as the case may be, the Society shall be entitled to have the animal destroyed and/or removed from the Showground and/or shall be entitled to require the owner to forthwith remove the animal from the Showground. All costs incurred by the Society in connection with such animal shall be for the account of the owner and shall be refunded by him to the Society.

### GROUPING OF EXHIBITS.

The exhibits of each particular breed shall be grouped according to ownership in a manner similar to that operating in the Cattle Section.

The purpose of this provision is to assist exhibitors in view of the shortage of labour.

In the event of any pig being unfed, or any sty being in improper condition at any time while the pig remains on the Showground, both before and after the pig sales, the officials of the Society shall feed and attend to the pig, and the cost of such feed and attendance shall be borne by the exhibitor of the pig.

Any exhibitor who may neglect to feed and properly attend to all pigs exhibited by him during the period through which they remain in the sties, either before or after the pig sales, shall be liable to disqualification after enquiry by the Council.

authorised agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by an explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

Age of pigs (litter classes excepted), to be calculated from the birth date shown in the litter registration in the herd book up to 1st April.

The age of pigs in litter classes shall be the actual age at the date of judging (Saturday, 17th March, 1951).

Full particulars must be stated on the certificate of entry of age, pedigree, herd book number if available. In the case where no number is available, proof of acceptance for herd book must be produced, except where otherwise specified.

No pig shall be entered for a class for which it is not eligible on account of age. Exhibitors may be disqualified and debarred from further competition for any breach of this by-law.

No pig over 17 months of age shall be eligible to compete unless the date of farrowing of the last progeny produced is shown on the certificate of entry.

Boars over 15 months old must have had their tusks cut down within six weeks of judging day.

All pigs exhibited with a sow shall be her own progeny and not exceeding eight weeks old on day of judging (Saturday, 17th March, 1951).

Any sow entered in a sow and litter class, which has not farrowed at the time of judging, may compete in a dry class or vice versa. The exhibitor must advise the Secretary as early as possible to enable the transfer to be effected before the time of judging.

All pigs exhibited in group classes must be paraded and judged as a group, and not on their awards in individual classes.

First and second prize sows in litter classes may compete individually for Championship and Reserve Championship prizes as defined hereunder.

In awarding the Championship, the Junior Champion and first prize winner of the relative sex in each class of the relative Sub-section shall be eligible to compete.

In awarding the Reserve Championship, the first prize winner of the relative sex in each class of the relative Sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize.

In awarding the Junior Championship, which prize is restricted to Berkshires, Large Whites, Middle Whites and Tamworths, the first prize winner of the relative sex in each class of the relative Sub-section, shall be eligible to compete provided that no exhibit shall be eligible to compete for the Junior Championship if it is 12 months old or over.

The removal from an exhibit of any natural markings or interference by staining, or otherwise, to dissemble natural markings will entail disqualification, and the exhibitor will be dealt with as the Council may deem fit.

Exhibitors will not be allowed more than three entries in any one class.

Exhibitors from other States should obtain from the Stock Branches of their own State and N.S.W. a "permit to travel" before arranging to despatch the pigs to Sydney.

All pigs shall be fed and attended to by the exhibitor, who shall be responsible for the cleanliness and proper condition of the sties while the pigs remain on the Showground, both before and after the pig sales, and shall be subject to the control of the Superintendent of the section appointed by the Society.

At the conclusion of the live weighing, one pig from each pen will be sent to the State Abattoir, Homebush Bay, Sydney, where it will be killed and dressed. For the purpose of identification, each pig sent to the State Abattoir will be body-tattooed by the Society. The pig selected for slaughter shall be the lightest exhibit in the pen. This pig will be sectioned to ascertain the required measurements. The carcass will be cut into sides, one of which will be cut in half at the last rib.
