## PENALTY—NON-EXHIBITION OF GOATS.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show Yard, any person making any entry will be subject to a fine of £1 for each entry of goats not exhibited, unless a certificate under the hand of exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

## JUDGING DAY AND EXHIBITION PERIOD.

Goats will be judged at 9 a.m., Thursday, 10th April, and will remain on exhibition on that day and until 5 p.m. on Easter Saturday, 12th April.

## SPECIAL GOAT REGULATIONS.

Exhibitors are reminded that the Society's General Regulations apply to all sections of the Show and that the Special Regulations hereunder set out which apply to this section only are merely supplementary to the General Regulations.

Goats must be registered in a Herd Book recognised by the Royal Agricultural Society of N.S.W., and proof of registration must accompany all entries for the Show. All goats not of age for registration must be the progeny of registered sires and dams and definitely recorded in the kid register of the Goat Society of Australia. For particulars of the Goat Society of Australia, apply to the Secretary, G. C. Somerville, Endeavour House, 33 Macquarie Place, Sydney; C. Hood, Secretary, Queensland Branch, P.O. Box 34, Toowoomba, Qld.; L. Monod, Secretary, Victorian Branch, Temple Court, 422 Collins-st., Melbourne; H. J. Finnis, Secretary, South Australian Branch, 7 Pirie-st., Adelaide.

The age of all goats to be calculated from the birth date shown on the kid record and/or registration form up to the official judging day, Thursday, 10th April.

Any doe, entered as dry, if in milk at the time of the competition, may compete as a wet doe, and vice versa.

All goats shall be fed and attended to by the exhibitor while the goat remains on the Showground.

In awarding the Championship, the first prize winner in each class of the relative sub-section shall be eligible to compete.

In awarding the Reserve Championship, the first prize winner in each class of the relative sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize.

In awarding the Junior Championship, the first prize winner in each class in the relative Sub-Section shall be eligible to compete, provided that no exhibit shall be eligible to compete for the Junior Championship if it is over the age of two years and, in the case of a Saanen, if it is not a maiden.

In awarding the Reserve Junior Championship, the first prize winner in each class in the relative Sub-Section other than the exhibit to which the Junior Championship has been awarded shall be eligible to compete together with the second prize winner in the class from which the Junior Champion was drawn, provided that no exhibit shall be eligible to compete for the Reserve Junior Championship if it is over the age of two years and, in the case of a Saanen, if it is not a maiden.

If a Champion or Reserve Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship or Junior Championship then the Championship or Junior Championship shall be awarded to the animal which was awarded the Reserve Championship or Reserve Junior Championship.

Note.—The following classes are arranged in the order in which they will be judged.

TYPE AND PRODUCTION CLASSES.  
Conditions.

Exhibits entered in Classes 11 to 17 are restricted to does which have qualified for an Official Lactation Production Test Certificate at least thirty days before the first day of the Show, viz., 4th April. The age of each doe shall be calculated from the birth date shown on the kid record and/or registration form, but the points for production shall be based on the best official production record within three years prior to the 30th June of each year. Furthermore, the points shall be calculated on the basis of twice-a-day milking. Yields of does milked three times a day will be reduced in proportion to twice-daily milkings. The production shall be brought to a mature age standard.

Each exhibit shall be judged for type and production viz.:—60 points for type and 40 points for milk and butter-fat production.

Each doe shall be credited on the basis of one point for every 100lb. of milk or part thereof over her age standard with a maximum of 20 points. Each doe shall also be credited with one point for every 5lb. of butter-fat or part thereof over her age standard with a maximum of 20 points.

PREFACE.

The Fat Lamb Carcase Competitions will be governed by the general Rules and Regulations of the Royal Agricultural Society and by the Special Regulations hereunder.  
The Special Conditions are designed to permit exhibitors to provide exhibits between the 1st July and the closing date for entry (2nd January, 1952) at an age and in a condition most suitable for the export trade.  
In order to ensure that the carcasses judged are representative of a "car load" furnished by the exhibitor the Special Regulations contemplate that in respect of each entry each exhibitor will submit at least 100 lambs from which a representative selection of six will be made and after slaughtering three of the carcasses from these six will be regarded as the exhibitor's exhibit and will be judged at the N.S.W. State Abattoir, Homebush, in competition with other exhibits.  
Facilities are provided to enable the draft or "car load" of lambs to be sent to the exhibitor's selling agent in Flemington at any time between 1st July and the closing date of entry so that this selection of six lambs can then be made and the carcasses held in the freezing chambers of the N.S.W. State Abattoir until all exhibitors' carcasses are ready for submission to the judge.

SPECIAL FAT LAMB REGULATIONS.

Exhibitors are reminded that the Society's General Regulations apply to all sections of the Show and that the Special Regulations hereunder set out which apply to this section only are merely supplementary to the General Regulations.

- The following Special Regulations apply to entries and exhibits for the 1952 Royal Easter Show but may be revised in respect of entries or exhibits for any subsequent Royal Easter Show.
- The closing date for entry for the 1952 Royal Easter Show is Wednesday, 2nd January, 1952.
- Each exhibitor shall nominate a selling agent at Flemington sale yards to act as his Agent and shall notify the Secretary of the Society of such nomination in writing and such notification shall be given at least seven clear days before the despatch of the exhibitor's car load of lambs pursuant to the provisions hereinafter contained.
- Applications for entry may be lodged with the Society at any time between the 1st day of July, 1951, and the closing date for entry but the Society shall not be called upon to accept or reject an application until after the closing date for entry and no act on the part of the Society prior to formal acceptance of the application in writing shall be regarded as or constitute an acceptance of the application.
- An exhibitor shall be restricted to three entries in any one class.
- The exhibitor shall consign or deliver to his nominated selling agent at Flemington sale yards a "car load" of lambs comprising a minimum of 100 head.
- At least seven clear days' previous notice in writing of the date when the car load of lambs will reach Flemington sale yards and be delivered to the nominated selling agent shall be given to the Secretary. Lambs will not be accepted for slaughter unless this provision is observed.
- The lambs comprising the car load must all be lambs bred by the exhibitor and every such lamb must be of suitable age and condition for the export trade.
- Each exhibitor shall furnish particulars, in writing to the Secretary, of the breed of the sire and dam of the respective lambs comprising the car load and such particulars shall accompany the application for entry.
- The six lambs of each car load shall be indelibly and clearly marked by the exhibitor so that they may be identified as comprising the car load and be distinguished from the lambs comprising any other car load of the same exhibitor.
- The expression "car load" means a mob of lambs capable of being contained in a sheep van for transport by road or rail.
- The following rules and procedure will apply to each car load—  
(a) An exhibitor may select and raddle his lambs prior to their despatch to the Flemington sale yards. Upon receipt of the consignment of the car load by the relative selling agents at Flemington sale yards, if a selection has not already been made, the exhibitor, or failing him the Society, will arrange for an expert, who will be a representative of the New South Wales Meat Exporters, to select and raddle, for the purpose of identification, six lambs which must be representative of the bulk of the lambs comprised in the car load.  
(b) The six lambs so selected and the balance of the lambs comprising the car load shall be subject to inspection by an Inspection Committee (known as the "R.A.S. Stewards' Fat Lamb Inspection Committee") which shall comprise three members, one of whom shall be appointed by the Metropolitan Meat Industry Board, another by the Sydney Fat Stock Salesmen's Association and the third by the Carcase Butchers' Association.
