CONDITIONS.

- The competitions shall be open to students of Agricultural Colleges, Experiment Farms, Agricultural High Schools, Rural Schools, Junior Farmers' Clubs and others outside the foregoing classifications within the prescribed age limits. In any class the number of competitors from an Agricultural College, High School, or like institution, shall be restricted to three. There shall be no restriction on the number of Junior Farmer or individual competitors.
- "Post" entries and "Substitute" entries will not be accepted.
- The competitions shall be for competitors who have not reached their 25th birthday at time of competition. DATE OF BIRTH MUST BE SHOWN ON CERTIFICATE OF ENTRY.
- The number of animals to be judged in each competition shall be four.
- Unless otherwise specified, there shall be a "breed" judge and an "assessor" judge.
- In substantiation of the age of any competitor, the Steward-in-Chief may call for a Statutory Declaration.
- There shall be a judging time allowance of 25 minutes, after which all judging cards as supplied by the Society must be completed and handed to the Steward in charge.
- A competitor may enter in more than one of the specified groups, viz., Clydesdales, Pony, Beef Cattle, Fat Cattle (any breed), Dairy Cattle, Pigs, Poultry, but he is restricted to any one class in each group. (In the Agricultural classes this restriction does not apply).

ANIMAL CLASSES.

- The competitors and the judge will be provided with cards on which they will be required to record:—
 - the two outstanding defects—in order of importance—for each animal exhibited;
 - the order in which they place the animals—
 - under specified headings;
 - as final placings;
 - (i) the outstanding qualities of the animal placed first;
 - (ii) the reasons for placing the fourth.
- The maximum marks to be awarded for each section of the card are:—
 - for "Outstanding defects" (see 1a) 40

1b(ii) fifteen marks.

Allotted as follows:—

The "assessor" judge will then compare each competitor's card with that of the "breed" judge and will mark them in accordance with the previously agreed on rating.
- The competitor gaining the highest total number of points shall be the winner. In the event of a tie in total points, the marks gained under reasons for placing (2c) will be taken into account, and in the event of further equality the marks gained under "defects" (2a) will be the deciding factor.
- At the conclusion of the judging in each class the "breed" judge will give a talk on judging and will discuss the exhibits judged.

AGRICULTURE CLASSES.

- In these classes (Wheat, Maize, Potatoes) competitors are required to deduct points for each exhibit under specified headings and to give reasons for any deduction made.
