Every exhibitor warrants that he is the absolute owner of every animal brought by him or by his authority on to the Showground and agrees to indemnify and shall indemnify the Society against all claims on whatsoever ground and for whatsoever cause made against the Society in respect of such animal at the instance of any other person.

If, in the opinion of a Veterinary Surgeon of the Society, an animal on the Showground shall be so injured or be so affected by sickness, disease or other ailment as to warrant its destruction or its removal from the Showground as the case may be, the Society shall be entitled to have the animal destroyed and/or removed from the Showground and/or shall be entitled to require the owner to forthwith remove the animal from the Showground. All costs incurred by the Society in connection with such animal shall be for the account of the owner and shall be refunded by him to the Society.

## ENGRAVING OF CUPS AND/OR TROPHIES.

Owing to the length of explanation involved in connection with cups or trophies gained at the Royal Easter Show and the need for conserving costs, it has been decided that all such engraving shall be reduced to a minimum when carried out by the Society.

Arrangements may, however, be made by the donor or recipient for the engraving of the cup or trophy provided one or other is agreeable to meet the cost, and that the wording is approved by the Society as being in accordance with the provisions of the relative award.
