BECTIVE HEREFORD STUD

ANKERDINE ZENITH (Imp.)

The Bective Hereford Stud was founded in 1929 with the purchase of females from Hobartville, Golf Hill, Ennisview and Mount Leonard and Glengarry dispersal sales. Since then the best sires sold in Sydney have been procured and used in the Stud with the result that the Stud is finding ready sale for both males and females that are offered, and has also figured prominently in the Show ring in Sydney and Brisbane and locally. The aim of the breeders is to produce soft, early-maturing, well-marked types of cattle with good heads, broad in the buttocks and standing square on their feet. Bective bulls meet with ready sale when offered, and universally purchasers' comments are very encouraging and pleasing to the breeders.

Sec. 2—CATTLE—Fat Cattle (Continued).

- (g) **Herefords** will include pure-bred animals of the Hereford breed whether they be horn Herefords, dehorned Herefords, or Poll Herefords.
- (h) **Carcase Judge.**—The person appointed to judge the Carcase Classes.
- (i) **Shorthorn Judge and Hereford Judge.**—The persons appointed to judge respectively the classes for which horned Shorthorns and horned Herefords are alone eligible.
2. No exhibitor shall enter more than three exhibits in any one class.
 3. Every exhibit must be the property of the exhibitor at judging day, and must have been owned by him at all times during the period of three months immediately preceding day of judging.
 4. Exhibits in classes for live animals must be quiet and tractable and be trained to tie up and to lead.
 5. The certificate of entry must be supported by a statutory declaration lodged with the Secretary before the closing date for entries, and such statutory declaration:
 - (a) must be made by the exhibitor;
 - (b) must verify the particulars in the certificate of entry;
 - (c) must contain a statement that the age of each animal entered for exhibition, or whose carcase is entered for exhibition, does not exceed the age specified in relation to such animal in the certificate of entry;
 - (d) must contain a statement that no animal entered for exhibition:—
 - (i) whilst under the age of one year has been suckled by more than one cow or has had any supplementary ration of milk, whether natural, powdered, or otherwise;
 - (ii) whilst over the age of twelve months has received any milk ration, whether natural, or powdered, or otherwise.
 - (e) must contain a statement as to where each animal has been fattened and the particulars of the food upon which the animal has been fed during the twelve months prior to the day of entry and upon what ration it will thereafter be fed until judging day.
 6. In export classes the Judge may be given by the Chief Steward the weights of exhibits. It will be left to the discretion of the judge to disqualify or to penalise any exhibit if an animal shall be considered to be over or under the weight or size, but no animal shall be precluded from parading before the judge by reason only of weight or size.
 7. The Society shall have the right to weigh any or all exhibits at any time, and each exhibitor shall afford the Secretary all facilities and assistance if and when required so to do.
 8. The weight of an exhibit certified by the Secretary to be correct shall for all purposes be accepted as correct.
 9. Any animal shall not be eligible for entry in any single class for fat stock if it is over the age of 2½ years.
 10. Particulars of ages of exhibits in each class (other than in carcase classes) may be furnished to the Judge, and shall be so furnished if the Judge shall require it.
 11. If at any time any question shall arise as to the age of any exhibit the Secretary may require the exhibitor to furnish evidence as to the age to the satisfaction of the Steward-in-Chief and failing such production the exhibit may be disqualified by the Steward-in-Chief.
 12. The Judge, in making his decision in classes for live stock, will take into account early maturity, quality, conformation, development, evenness and depth of flesh, lightness of bone, and absence of wasteful fat, and in the case of pure-bred exhibits, breeding and trueness to type, and in the case of pen class exhibits, uniformity of size, quality, and type of the animals comprised in the exhibit.
 13. The judge will not be bound to grant an award to any exhibit which in his opinion he considers of insufficient merit to receive such award.
 14. If an exhibit shall in the opinion of the Steward-in-Chief be of insufficient merit for exhibition, whether from point of view of Show preparation or of standard of excellence, the Society by its Secretary may require the exhibitor to remove the exhibit from the Showground, and the exhibitor upon being so required shall forthwith remove the exhibit, and if he shall fail to do so the Society at the expense and on behalf of the exhibitor may take all appropriate steps to have the exhibit removed and slaughtered and sold and all costs and expenses incidental thereto shall upon demand be forthwith paid by the exhibitor to the Society.
 15. Except with the consent of or as directed by the Secretary all exhibits in classes for live stock must remain on exhibition until the termination of the Show.
 16. Except as otherwise specified in the Show Schedule, both the sire and the dam of an exhibit shall be either stud or pure-bred animals of the same breed.
 17. The prizes awarded in carcase classes shall be awarded to the exhibitor and shall be the property of the exhibitor and not of the purchaser.
 18. In the event of any question or dispute arising as to any matter or thing affecting the entry of or retention of any animal on the Showground, or affecting the exhibition or qualifications of any animal or as to the right or obligation of any exhibitor or of the Society or as to the interpretation or application of any regulation of the Society, every such question and dispute may be referred by the Society or by the exhibitor or other party affected to the Steward-in-Chief who shall determine such question or dispute acting upon such information and evidence as he may think fit regardless of the ordinary rules of evidence and his decision shall be final and be accepted as binding upon all parties to such question or dispute and upon all persons affected thereby.
 19. Should it be found that a steer, at the time of examination prior to judging, shows more than the prescribed number of teeth, it shall not be sold while on the Showground.

CARCASE CLASSES.

20. No carcase of any animal shall be eligible for entry in the carcase classes unless the animal is entered for exhibition and is exhibited in one or other of the classes for live fat stock.
21. The following rules will apply to the judging of carcase classes:—
 - (a) the animals of which the carcasses are entered for competition will be slaughtered at the abattoir at Homebush Bay;
 - (b) carcasses will be dressed and weighed and will then be exhibited to the Judge in the presence of the Stewards of the Fat Cattle Section, and if so desired by the Judge or by any Steward, carcasses will be quartered and will be further cut up as may be required. If the carcase is weighed hot, the official weight shall be deemed to be the scale weight, less three per cent.;
 - (c) the Judge shall not be present during the killing or during the dressing of the carcasses;
 - (d) care shall be taken by the Stewards that each carcase shall be capable of identification by the Steward-in-Chief and by the Chief Steward, but shall not be identifiable by the Judge and shall not bear a catalogue number;
 - (e) no information shall be given to the Judge, and the Judge shall not seek or obtain information which may tend to distinguish any one or more carcasses from another or others;
 - (f) in the judging of a carcase the Judge shall have regard to quality, depth and evenness of fleshing, and to conformation, lightness of bone, marbling, and absence of waste.

JUDGING ARRANGEMENTS.

The steers must be quiet and tractable in order to be led into the Judging and Sale Rings. They may be either stall fed, grazed on natural pastures or both.

The steers are to be weighed alive at 9 a.m., Thursday, 26th March, and the weights will be handed to the various Judges, who will commence judging at 3 p.m., Friday, 27th March. Steer carcasses will be judged on Tuesday, 31st March.

The steers will be sold by auction on behalf of the exhibitors at 10.30 a.m. on Saturday 28th March, after which those entered in Carcase Classes will be sent to the N.S.W. State Abattoir, Homebush Bay, where they will be slaughtered on Monday, 30th March. The Judge will not be on the killing floor while the steers are being slaughtered and carcasses dressed. The day following slaughter the carcasses will be weighed and judged. The Judge has power to have the carcass cut as he wishes in order to arrive at a correct judgment. The prizes are the property of the exhibitors who enter the steers and carcasses and not the purchasers.

The Committee reserves the right of freezing and placing the 1st, 2nd, and 3rd prize carcasses, and cuts therefrom, in a refrigerated cabinet at the Royal Agricultural Society's Show of this year, and delivering same after the Show has terminated. The delivery of carcasses not so selected will not be given to the purchaser or purchasers until the Judge has completed his awards.

IDEAL AVERAGE WEIGHTS.

For the purpose of these competitions, and as a guide to exhibitors, the ideal weights are generally considered to be:—

- (a) Live weight between 1000lb and 1200lb.
(b) Export Carcase, between 680lb. and 760lb.

Construction**

The desire to build a brick home at the minimum cost, using unskilled labour if necessary, can now be achieved by the use of the . . .

Truline New Method Cement Bricks

The TRULINE cement brick-making machine opens new fields in all types of building constructions, enables cement bricks to be made and used in all locations in the building of cottages, home-steads, tanks, silos, garages, woolsheds, dairies, and all types of building structures in country, city, and suburban areas.

Also High Production Power Machines for Standard Bricks.

The TRULINE Brick Machine will be in Anthony Hordern's Agricultural Section, demonstrated at this year's Royal Show, and for the convenience of country visitors, the Trulines and their products will be on display and demonstrated at the manufacturer's factory at all times. Special demonstrations can be arranged during the holidays by phoning for an appointment.

PENALTY—NON-EXHIBITION OF GOATS.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense and disarrangement of the Show Yard, any person making any entry will be subject to a fine of £1 for each entry of goats not exhibited, unless a certificate under the hand of exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of Exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debit all persons owing them from exhibiting at future exhibitions of the Society.

JUDGING DAY AND EXHIBITION PERIOD.

Goats will be judged at 9 a.m., Thursday 2nd April, and will remain on exhibition on that day and until 5 p.m. on Easter Saturday, 4th April.

SPECIAL GOAT REGULATIONS.

Exhibitors are reminded that the Society's General Regulations apply to all sections of the Show and that the Special Regulations hereunder set out which apply to this section only are merely supplementary to the General Regulations.

Goats must be registered in a Herd Book recognised by the Royal Agricultural Society of N.S.W. and proof of registration must accompany all entries for the Show. All goats not of age for registration must be the progeny of registered sires and dams and definitely recorded in the kid register of the Goat Breeders' Society of Australia. For particulars of the Goat Breeders' Society of Australia, apply to the Secretary, G. C. Somerville, Endeavour House, 33 Macquarie Place, Sydney; L. Monod, Secretary, Victorian Branch, Temple Court, 422 Collins-st., Melbourne; H. J. Finnis, Secretary, South Australian Branch, 7 Pirie-st., Adelaide; J. B. Marshall, Secretary, Western Australian Branch, William-st., Perth.

The age of all goats to be entered from the birth date shown on the kid record and on registration form up to the official judging day, 2nd April.

All Does will be milked dry, commencing at 4 p.m. Wednesday, 1st April, when an inspection will be made. The exhibitor or his representative to be present when the Does are being stripped out. Any Doe, which in the opinion of the steward, is carrying excessive milk shall be debarred from competition. Should the judge require any Doe to be milked out before making his award, same shall be done.

Any doe, entered as dry, if in milk at the time of the competition, may compete as a wet doe, and vice versa.

All goats shall be fed and attended to by the exhibitor while the goat remains on the Showground.

In awarding the Championship, the first prize winner in each class of the relative sub-section shall be eligible to compete.

In awarding the Reserve Championship, the first prize winner in each class of the relative sub-section, other than the exhibit to which the Championship has been awarded shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize.

In awarding the Junior Championship, the first prize winner in each class of the relative Sub-Section shall be eligible to compete, provided that no exhibit shall be eligible to compete for the Junior Championship if it is over the age of two years and, in the case of a Saanen, if it is not a maiden.

In awarding the Reserve Junior Championship, the first prize winner in each class of the relative Sub-Section, other than the exhibit to which the Junior Championship has been awarded, shall be eligible to compete together with the second prize winner in the class from which the Junior Champion was drawn, provided that no exhibit shall be eligible to compete for the Reserve Junior Championship if it is over the age of two years and, in the case of a Saanen, it is not a maiden.

If a Champion or Reserve Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship or Junior Championship, then the Championship or Junior Championship shall be awarded to the animal which was awarded the Reserve Championship or Reserve Junior Championship.

In all classes where only two or three prizes are offered, Very Highly Commended, Highly Commended, and Commended cards may be recommended at the discretion of the judge.
