SPECIAL HORSE REGULATIONS.

Exhibitors are reminded that the Society's General Regulations apply to all sections of the Show and that the Special Regulations hereunder set out which apply to this section only are merely supplementary to the General Regulations.

PENALTY—NON-EXHIBITION OF HORSES.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of £2 for each horse not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals, or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

Age of Horses.

The age of all horses to be calculated as from 1st August. Every horse foaled before 1st August in any year shall be deemed to be one year old on that date. A filly is defined as a female under 4 years of age.

Veterinary Certificate.

A certificate of soundness must be produced with—

- Every stallion 2 years old and over.
 - Trotting or Pacing Stallions in harness.
 - Every mare in stud classes 3 years old and over;
- before such horses shall be allowed to compete. The following certificates will be accepted:

- Royal Agricultural Society of N.S.W.
- Stock Branch of the Department of Agriculture, N.S.W.
- The Government of any other Australian State or New Zealand, in which case an examination of the horse for identification purposes will be made by the Society's veterinary surgeons.

Stallions and mares will be examined on **Thursday, 26th March**, for soundness and conformation by a Board appointed by the Council of the Royal Agricultural Society of N.S.W., consisting of a breeder and two veterinary surgeons, and the Society's Certificate will be issued to each animal passed by such Board.

VETERINARY EXAMINATIONS WILL NOT BE HELD AFTER THURSDAY, 26th MARCH.

Life certificates will be issued for stallions and mares (not geldings) passed as sound at six years of age. A rig shall not be passed as a stallion.

Board of Appeal.—In the case of a horse being rejected for unsoundness, the Board of Appeal shall consist of three veterinary surgeons, and in the case of rejection on conformation the Board shall consist of two breeders and a veterinary surgeon. All appeals shall be decided previous to horses being judged. A deposit of one guinea must accompany each appeal.

Stallions or mares entered in stud classes must not be sold while on the Showground unless each has received a certificate for soundness in accordance with the Society's regulations.

Nominations and Entries.

The expression "nomination" shall be deemed to be synonymous with Application for Entry, and "Certificate of Nomination" shall be deemed to be synonymous with Certificate of Entry.

All nominations should be made on the prescribed certificate of nomination. Certificates of nomination will be posted to exhibitors on application.

When forwarding nominations exhibitors should state the number of class (as per schedule) for which they desire to compete, together with the following description of the horse, viz.:—Name, colour, and sex, date foaled or age, name and address of breeder, name of sire, and name of dam. The colours for trotting contests must be stated. Every rider or driver in jumping or trotting events must give his name at the scales. All riders and drivers in jumping and trotting events must wear skull caps, which will be provided by the Society.

Exhibitors in stud classes will not be allowed more than three nominations or entries in any one class.

It shall be a condition of nomination in light horse, pony, hunting and jumping classes and contests (studs and trotters excepted) that the performances of each horse or pony be stated on a Performance Form.

The exhibitor shall in his nomination form certify in respect of each exhibit where such exhibit is situated at date of the lodgment of the entry form.

Each exhibitor shall, if and when requested so to do, furnish such evidence as the Society may require as to the means by which the exhibit has been transported to the Showground from the place at which it was situated as at the date of lodgment of the relative nomination form and when such transport occurred, and as to whether the exhibit has been situated elsewhere than at the place stated in nomination form, and if so, where and for how long during the period between the date of lodgment of nomination form and date of arrival of the exhibit at the Showground.

No animal other than an exhibit in respect of which application for entry has been accepted by the Society shall be brought on to the Showground by any exhibitor or other person except with the consent of the Secretary.

NO HORSE SHALL BE DISPLAYED OR EXPOSED FOR SALE ON THE SHOWGROUND.

Every exhibitor warrants that he is the absolute owner of every animal brought by him or by his authority on to the Showground and agrees to indemnify and shall indemnify the Society against all claims on whatsoever ground and for whatsoever cause made against the Society in respect of such animal at the instance of any other person.

Section 1—HORSES—(Continued).

If, in the opinion of a Veterinary Surgeon of the Society, an animal on the Showground shall be so injured or be so affected by sickness, disease or other ailment as to warrant its destruction or its removal from the Showground as the case may be, the Society shall be entitled to have the animal destroyed and or removed from the Showground and, or shall be entitled to require the owner to forthwith remove the animal from the Showground. All costs incurred by the Society in connection with such animal shall be for the account of the owner and shall be refunded by him to the Society.

Performance Form.

A performance form for the purpose of conveying the information specified hereunder is to be completed for each horse or pony (Studs or Trotters excepted). This form is to be forwarded with the Nomination form and fees to reach the Secretary not later than Saturday, 13th December, 1952. Should either the performance form or the fees be omitted the Nomination form shall be returned to the applicant as incomplete. In the event of the nomination not having been submitted in proper order to reach the Secretary not later than Saturday, 13th December, 1952, the application shall be deemed to have been cancelled. The closing date of nomination shall not be extended for any reason whatsoever.

Information to be furnished on the performance form is:—

- Name of horse or pony. (A separate form to be completed for each exhibit);
- Age of horse or pony. (State day, month, and year of foaling, if known);
- Prizes gained by the horse or pony nominated, viz.:—Name of Show; Date of Show; Prizes—first, second, or third, etc. (If a horse or pony was exhibited and was not awarded a prize, such is to be stated);
- Name of exhibitor;
- Remarks. (Briefly to be stated the nature of the class in which the exhibit was entered and/or gained prizes. The approximate number of exhibits in such class to be given).

From the nominations the Society will determine which entries are to be accepted. Not later than the 23rd February, 1953, the Society will advise all nominators whether their horse or pony's nomination has been accepted as an entry for competition at the 1953 Royal Easter Show in the class or classes stated. The exhibitor will also be advised, prior to the end of February, whether a stall, on the Showground or otherwise, has been allocated the horse or pony for which the entry has been accepted.

Fees for horses or ponies for which nomination is made and the entry not accepted shall be refunded.

Eligibility for Classes.

In stud classes the same horse cannot enter or compete in two ordinary classes, but can compete in all classes marked special for which it is eligible, provided the entry has been made in the usual way.

A Saddle Horse or Galloway shall not be eligible to compete in a Harness Horse or Galloway Class, or vice versa. A Sulky, Buggy, or Harness Horse, or Galloway shall not be eligible to compete in a Saddle or Business Turnout Class, or vice versa.

A Horse or Galloway entered in a Single Harness Class must be shown in all classes for which it is entered in the same class of vehicle, sulky, or buggy.

A Brood Mare, exhibited in a class for brood mares, shall not be permitted to compete in Saddle, Sulky, Buggy, Harness, or Business Turnout Classes, but may be entered in all Stud Classes for which she is eligible.

A mare entered in a stud class is eligible to compete in a Saddle, Sulky, Buggy, or Harness Class.

The time of entry shall mean the date on which the entries finally close.

Stallions are not eligible to compete in classes (Jumping and Trotting Exhibitions excepted) other than those specially provided for entries.

Horses entered in Trotting Contests are not eligible to compete in Saddle, Sulky, Buggy, or Harness Classes.

No person under disqualification recognised by this Society may exhibit or compete.

Suitably Attired.

Riders, drivers, contestants, or attendants must be suitably attired. A rider, driver, contestant, or attendant not suitably attired shall be excluded by the Committee from competing in an event.

Riders, drivers, contestants, and attendants shall wear at all times when in the Society's main Show Ring whether during the Grand Parade or otherwise the same or similar attire as is worn in the Judging Ring in which they or the animals of which they are in charge were exhibited.

(c) Boys not over 17 years of age, in Riding Contests (over Brush Hurdles) shall not wear Steeplechase Costume.**Championship Awards.**

In awarding the Championship, unless otherwise stated, the unbeaten first prize winner of the relative sex in each class of the relative sub-section shall be eligible to compete.

In awarding the Reserve Championship, unless otherwise stated, the unbeaten first prize winner of the relative sex in each class of the relative sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize.

If a Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship as the case may be, then the Championship shall be awarded to the animal which was awarded the Reserve Championship as the case may be.

Measuring Horses and Ponies.

Horses, galloways, and ponies entered in classes for which the height is limited must be measured by the Official Measurer before competing. No exhibit shall be judged unless so measured.

THE OFFICIAL MEASURER WILL ATTEND THE SHOWGROUND ON WEDNESDAY, THURSDAY, FRIDAY, AND SATURDAY, 25th, 26th, 27th, and 28th MARCH. AN EXHIBIT WILL NOT BE MEASURED ON THE DAY IT IS TO BE JUDGED.

When measuring a horse, galloway, or pony, an allowance of one half ($\frac{1}{2}$) of an inch is to be made for shoes. Where an exhibitor disagrees with the Official Measurer's figure for an animal which has been measured with shoes on, he may, should he so desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any animal prior to measurement.

Should a horse, galloway, or pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding horse, galloway, or pony class.

Horses, galloways, and ponies will not be measured unless the breast plate showing their number in the class for which they are being measured is produced to the Official Measurer for the purpose of enabling him to impress same with a rubber stamp showing the official measurement and his initials.

Section 1—HORSES—(Continued).

Life measurement certificates will only be issued for horses, galloways, or ponies, seven years old or over. A Life Certificate shall not be issued unless, at the time of measurement, the exhibit is unshod.

Horses, galloways, and ponies will be measured by the Official Measurer, for Life Certificates on Tuesday, 7th April.

Time-Table of Judging.

A time-table of judging of all classes and events will be posted to each exhibitor after entries close. When framing the Time-Table of Judging every endeavour will be made to avoid the judging of two classes concurrently in which one exhibitor may be interested. The Society, however, cannot accept any responsibility if the judging time happens to conflict with one or more classes or events.

SCRATCHINGS—HUNTERS, JUMPERS, AND TROTTERS

Exhibitors and/or Nominators must lodge scratchings for all Hunting, Jumping, and Trotting Events with the Horse Superintendent, viz.:—

For Hunting and Jumping Events—See Special Regulations at head of Hunting and Jumping Contests.

For Trotters—at least three-quarters of an hour before the event concerned is timed to commence. See Regulation at head of Trotting Events.

EQUIPMENT.

(Keepers on whips—No spurs with spikes.)

No whip shall be used during the exhibition or Parade unless it has a keeper.

No spurs with spikes shall be used at any time on the Showground.

ROLL CALL IN MARSHALLING YARD.

COMPETITORS IN RING EVENTS MUST HAVE THEIR HORSES IN THE MARSHALLING YARD UNDER THE MARTIN AND ANGUS STAND NOT LATER THAN 15 MINUTES PRIOR TO THE COMMENCEMENT OF THE EVENT. ANY EXHIBITOR NOT BEING PRESENT WITH HIS OR HER HORSE AT THE TIME OF ROLL CALL, WHICH WILL BE TAKEN FIVE MINUTES BEFORE THE COMMENCEMENT OF THE EVENT, WILL NOT BE PERMITTED TO COMPETE IN SUCH EVENT. AFTER THE ROLL CALL THE STEWARD IN CHARGE OF THE MARSHALLING YARD WILL ADVISE THE RINGMASTER THE NUMBER OF COMPETITORS PRESENT AND READY TO COMPETE IN THE EVENT ABOUT TO TAKE PLACE.

CHILDREN'S RIDING CLASSES.

Except for classes restricted to riders six and under nine years of age, parents or assistants will not be permitted in the Ring during the judging of Children's Riding classes.

Arrival of Exhibits.

Unless otherwise stated in the Ring Time-Table, all horses (ponies excepted) must be on the Showground before 9 a.m., Saturday, 28th March. Stud Ponies which will be judged on Friday, 27th March, must be on the Showground not later than 9 a.m. on that day. Saddle and Harness Ponies must be on the Showground by 9 a.m., Saturday, 28th March. Stallions and mares will be examined on the Showground on Thursday, 26th March. Animals will not be examined after Thursday, 26th March. Horses entered for harness classes and contests must be on the ground one hour, at least, before the judging or contests take place. Horses coming long distances, and for which stalls have been allotted, may be stabled on the Showground before the Show.

Passes for attendants can be obtained at the Secretary's office on the Showground on presenting exhibitor's entry ticket. No horse may be removed from the ground after arrival, unless a pass (obtainable from the Horse Superintendent) is presented to the gatekeeper; in the event of horses removed each night a deposit of £2 must be lodged.

ALLOCATION OF STALLS AND BOXES.

(Limited Number Available.)

The Society will allocate stalls and boxes immediately after the closing date of nominations (Saturday, 13th December, 1952). Prior to the end of February, each exhibitor and nominator will be advised whether a stall or box has been allotted him on the Showground or situated elsewhere.

Stalls and boxes will not be provided for horses competing solely in riding classes or events. One box will be allotted for feed and storage for every 15 horses. Exhibitors must share these boxes. In the event of any person placing horses in boxes or stalls, or removing numbers without authority, the horse will at once be removed from the Showground by order of the Secretary.

No stall or box shall be used other than for the animal and for the purpose for which it has been allotted to the exhibitor, and the exhibitor shall be responsible for ensuring that no breach of this provision occurs.

The Society may at any time, whether before or during the currency of the Show, revoke the allotment of any box or stall and may or may not at its discretion allot some other box or stall to the exhibitor.

Upon the revocation of any allotment of a box or stall the exhibitor whose allotment has been revoked shall immediately vacate the same and give vacant possession to the Society.

Bedding and feed will be placed in boxes at the expense of exhibitor before the arrival of horses, provided the Secretary is notified of the time of arrival. Exhibitors must not use sawdust and/or wood shavings in bedding down their horses.

Should an exhibitor desire to have his exhibits stalled adjacent to those of another exhibitor, he must append a note to this effect on the Certificate of Nomination. Stalls shall be allocated strictly in accordance with the Regulations printed in the Schedule.

Night Stalls for Trotters.

When required, stalls for Trotters competing in the Evening Ring Programme shall be available on application to the Horse Superintendent. This reservation will be restricted to the evening of competition, country Trotters excepted.

Exhibit Numbers.

Exhibit numbers (Breast Plate) for exhibits (Riding classes excepted) will be supplied at the Horse Superintendent's Office, situated in the Horse Section. For Riding Classes, Arm Band numbers will be issued when the exhibits and riders are assembled under the Martin and Angus Grandstand for the judging of each class. On all occasions the exhibit numbers (Breast Plate or Arm Band) must be affixed to each horse or rider before entering the ring. Arm Bands must be returned to the Official, appointed for the purpose, in the Assembly Yard, under the Martin and Angus Grandstand, prior to leaving the Assembly Yard after each class or event has been judged. Pass-out checks and return railway certificates can also be obtained at the Horse Superintendent's Office.

Ring Passes.

No exhibitor, rider, or attendant will be permitted to enter the ring unless he or she has received a ring pass for the particular class from the Horse Superintendent. The passes shall be handed back to the Society's official at the ring entrance by the exhibitor, rider, or attendant when leaving the ring at the conclusion of the judging of the class.

Parades.

Each exhibit must be paraded as from time to time directed by the Society.

Each exhibit whilst participating in a parade, must for identification purposes carry a breast plate provided for the purpose by the Society in such manner as the Society may direct and in particular so that it may be readily seen by spectators and so that the animal may be readily identified by the number assigned to it.

Every rider and every attendant of an exhibit must be attired in accordance with directions given from time to time by the Society.

All horses must parade as they are shown in their competitive classes daily. Any exhibitor who fails to parade his horses shall forfeit all prize money (if any) won by him and be liable to a fine of £5 for each animal not paraded. A special parade

Sec. 1—HORSES—Thoroughbreds.

of prize winners will be held on a day to be fixed if time permits. Should a horse be sold prior to the close of the Show, the entrant shall be responsible for the observance of the Parade regulations. The Committee may grant exemption to any exhibit from participating in the Grand Parade. This rule will be strictly enforced.

Age and Weight Restrictions in Hunting and Jumping Contests.

Unless otherwise stated a lady competing in a Hunting or Jumping Contest must be 16 years of age or older. Unless otherwise stated ladies competing in Hunting Contests shall not be restricted to a weight limitation.

Judge's Authority—Ladies' Hunting Events.

A Judge in any Ladies' Hunting Event may warn off a horse which in his opinion is unfit to be ridden by a lady in such event.

Substitute Judge.

The Council reserves the right to substitute a judge when deemed necessary.

Pavilions Open to Public.

The Horse Pavilions (see exceptions) shall be open to the public daily from 9 a.m., to 9 p.m., Good Friday excepted, on which day they shall be closed at 6 p.m. All Horse Pavilions will be closed to the public one-half hour before and after each Grand Parade.

Departures.

All horses except those competing in contests to take place after 5 p.m., Tuesday, 7th April, may depart from the Show on that day at 5 p.m.

Horses must not be removed from the ground unless a pass (obtainable from the Superintendent) is presented to the gatekeeper.

Exhibitors wishing to keep their horses on the Showground after the conclusion of the Show must obtain permission from the Secretary, who may grant the privilege for a period not exceeding 14 days.

Railway Certificates.

Certificates granting reduced rail carriage of horses, returning to the station they were trucked from, can be obtained at the Superintendent's office. These certificates should be obtained before the horses leave the ground, and should be presented at the Stock Booking Office at Central Railway Station, when the horses are trucked, otherwise full trainage will be charged. A concession rail certificate will not be issued unless the exhibit is returned to the station whence it was trucked within four weeks of the date of the forward journey.

Exhibitors—Third Party Risk.

Exhibitors and owners of horses, cattle, pigs, goats, poultry, dogs, and cats, are protected by insurance against ordinary third party risks arising from any injury or damage caused by their animals or birds from the time of their arrival on the Showground up to the time of their departure; the Society having taken out a policy covering the legal liability of owners and exhibitors of such stock in this respect.

ALLOCATION OF STALLS AND BOXES.

(Limited Number Available.)

The attention of intending exhibitors is drawn to the Regulation relative to the allocation of stalls and boxes. Same will be rigidly enforced.

ADMISSION TO JOCKEYS' STAND.

The Society will issue a limited number of tickets the holders of which will be admitted to the Jockey Stand enclosure. Any person not in possession of a ticket shall not be entitled to enter or remain in the enclosure.

FODDER.

It is the responsibility of the exhibitor to arrange for his fodder requirements. The sale of all fodder is in the hands of the Official Produce Merchant, whose store on the Showground will be open during the Show.

Fodder shall not be admitted to or removed from the Showground without authority. For purposes of admission, a written order must be presented to the gatekeeper by the exhibitor or his representative, or by an outside merchant when making deliveries on behalf of an exhibitor. In the case of removal an official pass-out check is required. Admission orders and pass-out checks are obtainable from the Secretary.

For the convenience of exhibitors or other persons specially authorised to enter or leave the Showground with fodder, gates have been allocated as follows:—

- (i) Entry—Furber Road.
- (ii) Exit —(a) From the Horse Section—Lang Road.
- (b) From Cattle and Pig Sections—Paddington.

Conveyances may enter the Showground between 6 a.m. and 8.30 a.m. and must leave by 9.30 a.m. on ordinary days, or by 9 a.m. on Good Friday, Easter Saturday, and Easter Monday.

FIRE REGULATION.

EXHIBITORS IN THE HORSE SECTION ARE ADVISED THAT THE USE OF PRIMUS STOVES, ANY HEATING OR LIGHTING APPLIANCE OF A LIKE CHARACTER OR ANY NAKED LIGHT, IS STRICTLY PROHIBITED IN THE HORSE STALLS OR PAVILIONS.

PONIES.

GELDINGS AND MARES.

Judge: E. M. Phillpott, 2 York-st., Belmore, Sydney.
Stewards: (Same as for Ponies. See page 1—8).

Ponies must be measured by the Official Measurer.
No exhibit shall be judged unless so measured.
Ladies and Gentlemen may ride in the Saddle Pony classes.

MEASURING OF EXHIBITS.

All ponies must be officially measured. The Official Measurer shall set out the height, duly initialled, on the imprint of a rubber stamp applied to the breast plate of the animal in question.
No exhibit shall be judged unless the breast plate has been so marked.
The Official Measurer will attend the Show-ground on Wednesday, Thursday, Friday, and Saturday, 25th, 26th, 27th, and 28th March, between 10 a.m. and 4 p.m. A pony will not be measured on the day it is to be judged. Should a pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding pony or horse saddle class.

RIDERS TO BE SUITABLY ATTIRED.

A contestant who, in the opinion of the Stewards, is not attired in accordance with the standards laid down by the Society shall not be permitted to compete.
(SEE PAGE 1—2 FOR SUGGESTED ATTIRE).
PARADES.

All horses must parade as they are shown in their competitive classes daily. Any exhibitor who fails to parade his horses shall forfeit all prize money (if any) won by him and be liable to a fine of £5 for each animal not paraded. A special parade of prize winners will be held on a day to be fixed if time permits. Should a horse be sold prior to the close of the Show, the entrant shall be responsible for the observance of the Parade Regulations.
This rule will be strictly enforced.

CLASS 98—THE "FERRIS BROS." TRAINED PONY TEST.

(For Girl and Boy Riders.)

(State name of rider and pony.)

(Special Prizes)—Cups, Trophies, or Open Orders to the value of £20, presented by Ferris Bros. Pty., Ltd., Makers of "Ferris" Car Radio Receivers and Electric Trains, 252 Dowling-st., East Sydney. First, £12 10s.; second, £5; third, £2 10s.; fourth, fifth and sixth, Rosettes. For the best trained pony, not exceeding 14 hands, to be ridden by a girl or boy not over 16 years of age

on the first day of the 1953 Royal Easter Show. The birth certificate of each rider must be produced at the time of making the entry, when the certificate of entry will be endorsed accordingly. The Committee also reserves the right to again review a birth certificate.

TRAINING TESTS.

The object of these elementary training tests is to encourage progressive training of both rider and pony. They can be used in judging horsemanship or the training of a pony or both. These tests, in their turn, form the basis for and lead up to adult dressage tests.

GENERAL REMARKS.

1. Pony should be straight, head steady, reins in constant contact with mouth. Halt should be firm and square with the horse's weight on all four legs.
2. Turn on forehand. Pivot on near-fore leg, no raising of head—momentary halt on completion of movement.
3. As above, except that the off-fore leg acts as pivot.
4. Transition from one pace to the other should be smooth and definite. A lengthening of the stride should be shown at the strong trot, with the hocks well engaged (not left behind), steps should be even. When reducing the pace, the weight should not be thrown on the forehand and there should be no quickening of the cadence.
5. In this circle the pony should be bent to the left, and must perform an even circle coming in contact with X in the centre and regaining the track at the quarter markers (marked 11 yards on either side of B and E) and at C.
6. The pony should strike off into a canter at C, the head should not be bent outwards and the quarters should not be allowed to swing to the inside. The circle should be performed as in the trot.
7. The strong canter is not a racing gallop, but a balanced lengthening of the stride showing a definite increase of pace. Transitions from one pace to another should be smooth and on the hocks.

SADDLERY.

To be ridden in a plain snaffle (dropped nose-band may be used) or Double Bridle. Spurs may be worn, but whips may not be carried. Martin-gales or running reins are not allowed.

DEFINITION OF PACES.

(In accordance with the Statutes and General Regulations of the Federation Equestre Internationale.)

Halt:—At the halt, the pony, standing square on his four legs and immobile, must be ready to move forward at the least pressure of the rider's legs.

Extended Walk:—At the extended walk, the pony should cover as much ground as quickly as possible WITHOUT haste and without breaking. The hind-legs passing clearly beyond the tracks of the fore legs. The rider gives freedom to the head and neck of the pony without, however, losing contact, so as to be able at any moment to make the pony change his pace, his speed, or his direction.

Extended Trot:—At the extended trot, the pony extends his action, his neck is stretched, his

Sec. 1—HORSES—Trained Pony Test (Continued).

shoulders vigorously driven on by the haunches, gains ground forward without noticeably increasing height.

Ordinary Walk:—The ordinary walk is a free, regular and unrestrained walk. The pony walks briskly, but with a calm, deliberate and even step, each clearly marked, distinct and equally spaced. The rider keeps a light and steady contact on the reins.

Ordinary Trot:—The ordinary trot is a pace between an extended and a collected trot. The pony goes forward freely and quite straight, engages his haunches which remain very active, pulls gently at the reins with a balanced and even bearing. His strides should be as far as possible equal; the hind legs follow exactly in the tracks of the fore-legs.

Ordinary Canter:—The ordinary canter is a pace between an extended and collected canter. The pony, perfectly straight from the poll to the tail, goes freely with a natural balance.

Rein-back:—The rein-back is the walk backwards of the pony. It is correct when the pony lifts his feet and brings them down in pairs diagonally almost simultaneously, the haunches remaining well in line. The pony walks back step by step, constantly ready, at the wish of the rider, either to halt or to advance without halting.

GENERAL REMARKS.

The Test is to be performed from memory. This is a very simple test and can be carried out by any well-balanced hunter.

The number of marks obtainable is 200. Competitors will be penalised for the number of marks by which they fall short of this maximum.

Time allowed for each competitor: Seven minutes. The time will be counted from the exact moment, after the salute to the Judges, when the galloway or horse moves forward until the galloway or horse is brought to a standstill at the end of the test, and the rider salutes the Judges. For every second exceeding the time allowed a penalty of a half-mark will be deducted from the score sheet.

MEASURING OF EXHIBITS.
All ponies must be officially measured. The Official Measurer shall set out the height, duly initialled, on the imprint of a rubber stamp applied to the breast plate of the animal in question.

No exhibit shall be judged unless the breast plate has been so marked.

The Official Measurer will attend the Show-ground on Wednesday, Thursday, Friday, and Saturday, 25th, 26th, 27th, and 28th March, between 10 a.m. and 4 p.m.

A pony will not be measured on the day it is to be judged.

Should a pony be found by the Official Measurer to be under or over height for the class in which it has been entered it may be transferred to the corresponding pony or horse harness or turnout class.

In turnout classes sworn declarations as to ownership of pony, vehicle, and harness must accompany certificate of entry. The Society will take legal proceedings against any exhibitor violating this regulation. A similar declaration for Novice classes showing that the exhibits comply with the conditions must also be made. (Racing Ponies excepted in these classes).

ELIGIBILITY OF ENTRY.

An exhibit may be nominated in all classes for which it is eligible, provided the nomination has been made in the usual way.

The former provision concerning Ordinary classes now applies only to Stud classes.

PARADES.

All horses must parade as they are shown in their competitive classes daily. Any exhibitor who fails to parade his horses shall forfeit all prize money (if any) won by him and be liable to a fine of £5 for each animal not paraded. A special parade of prize winners will be held on a day to be fixed if time permits. Should a horse be sold prior to the close of the Show, the entrant shall be responsible for the observance of the Parade Regulations. This rule will be strictly enforced. See regulation at head of section.

EXHIBIT NUMBERS.

Exhibit numbers (Breast Plate) for exhibits will be supplied at the Horse Superintendent's office situated in the horse section. On all occasions the exhibit number must be affixed to each pony before entering the ring.

- Any rider competing in a class and any rider of a horse competing in a class may be precluded by the Committee from riding in such class if such rider be not suitably attired. The attire for Gentlemen riders in Hunting and Jumping contests is steeplechase costume or hunting costume, bowler or hunting cap, tweed coat, collar, and tie, or red coat and stock. Breeches and boots. Boys, not over 17 years of age, in Riding contests (over Brush Hurdles) shall not wear steeplechase costume.

- no female rider shall ride in any class other than a class provided exclusively for female riders.
- In other than pony contests no female rider shall compete in any hunting or jumping contest if she be under the age of 16 years.
- a female rider competing in a hunting contest shall not be subject to any weight limitation.

HUNTING AND JUMPING COURSE.

- The hunting and jumping course will be restricted to the grass oval and will exclude the trotting track.

WEIGHTS.

- In a hunting and jumping contest for horses there will be separate classes for the following, that is to say:—
 - Horses suitable for carrying and carrying not less than 11-stone in weight;
 - Horses suitable for carrying and carrying not less than 12-stone in weight;
 - Horses suitable for carrying and carrying not less than 13-stone in weight.
- A horse shall not be permitted to enter in more than one class unless it complies with the weight limitation, e.g., 11-stone horse cannot compete in a 12-stone or 13-stone class, or vice-versa.
- If a horse is entered as an exhibit in a weight class and if in the opinion of its exhibitor it shall have gained or lost weight carrying capacity between the date of entry and the date scheduled for the judging of such class and if the exhibit by reason of such gain or loss is considered to be ineligible for the class in which it is so entered the exhibitor may apply to the Committee to have the exhibit transferred to the appropriate weight class for which it is eligible.
- The Committee may in its discretion transfer any exhibit from one weight class to another whether upon its own initiative or at the request of the exhibitor or the Committee may refuse to do so.
- The Judge shall have the right to disqualify any exhibit if in his opinion such exhibit is not eligible to compete in the class in which it is entered or paraded and upon such disqualification the exhibit shall forthwith be removed from the Judging Ring.

RIDERS TO BE WEIGHED.

- All riders participating in a hunting or a jumping contest, for which there is a weight provision, must be weighed immediately on re-entering the Martin and Angus Marshalling Yard through the Trotters' entrance from the Ring.

HUNTERS AND JUMPERS TO BE MEASURED.

- Horses, galloways, and ponies entered in jumping and hunting classes for which the height is limited must be measured by the Official Measurer before competing. Evidence of the horse, galloway, or pony having been measured must be available on demand.
- The Official Measurer will attend the Show-ground on Wednesday, Thursday, Friday, and Saturday, 25th, 26th, 27th, and 28th March.
- When measuring a horse, galloway, or pony an allowance of one-half (½) of an inch is to be made for shoes. Where an exhibitor disagrees

with the Official Measurer's figure for an animal which has been measured with shoes on, he may, should he so desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any animal prior to measurement.

ENTRIES.

- Where a class is divided into divisions for purposes of judging, nominations must be made in the division in which the nominator desires to compete. For example, Class 219, the nomination shall be made in Class 219A and/or Class 219B. Should the Society find it necessary to transfer a nomination from the division in which the nomination was made, the transfer shall either be printed in the Catalogue, or the amended entries for such division(s) posted at the office of the Horse Superintendent not later than 9 a.m. on the day on which the class is scheduled to be judged.

NOMINATIONS.

- The expression "nominator" shall mean a person making a nomination or application for entry.

COURSE AND OBSTACLES.

- The course and the obstacles (if any) and the conditions of contest for use or application in the contesting and judging of each class will respectively be such as the Committee shall in its discretion determine; course, obstacles, and conditions of competition will, however, correspond in the main with those recognised by the Federation Equestre Internationale.
- The Judge, in making his awards in respect of each jumping contest, shall take into account penalties prescribed by the Committee for FAULTS as set out on pages 1-55 and 1-56 of the Show Schedule.

DIVISIONS.

- The Committee may at any time divide any class into two or more divisions and may determine that each division shall be limited to such number of horses as the Committee shall think fit.
- Where the Committee has divided a class into two or more divisions and where notice of its having done so has been published, a nominator may indicate in his certificate of entry the division to which he prefers a particular exhibit to be allocated. In making its allocation the Committee will take into consideration any preference so declared but will not be bound to accede to same.
- An exhibit shall not be eligible to compete in more than one division of a class.
- Each division of a class shall be, and be conducted as, a separate class and prizes shall be awarded to the place getters in each division as though it were originally a class.
- Except with the consent of the Committee no exhibit shall be withdrawn from a division of a class to which it has been allocated, and each nominator shall take all such steps as may be necessary to ensure that his exhibit will compete in the division of the class to which it has been allocated.
- If a nominator desires to withdraw an exhibit from a division to which it has been allocated—
 - he shall apply in writing to the Committee for consent to such withdrawal and any such

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued).

application shall embody or be accompanied by a statement of the reasons for such withdrawal.

(b) the application must be lodged with the Horse Superintendent at least twenty-four (24) hours before the time at which the division is scheduled to be judged.

The Committee may grant or withhold its consent as it may think fit.

25. If, without the consent of the Committee, an exhibit allocated to a division of a class shall not compete in that division, the Committee may declare such exhibit to be ineligible to compete in any other class or classes for which it might otherwise be eligible and may declare all or any other exhibits of the same nominator to be ineligible to compete in any class or classes for which such exhibit or exhibits would otherwise have been eligible.

26. The Committee may at any time withdraw any exhibit from one division to which it has been allocated and re-allocate the exhibit to some other division of the same class. But notice of such re-allocation shall as soon as practicable—

(a) be given to the nominator, and

(b) be posted at the office of the Horse Superintendent.

PRIZE MONEY.

27. The prize money originally allocated in the Prize Schedule to the divisions of a class shall not be disturbed unless the divisions of such class are amended after the closing date of nominations, in which case the allocation of the aggregate prize money amongst the divisions shall be, as nearly as practicable, pro rata to the number of entries allocated to the division or divisions respectively.

28. Notice of an alteration in the amount of prize money allocated to each division shall be posted up at the Horse Superintendent's office before 9 a.m. on the day upon which the class is scheduled to be judged.

JUMPING CONTESTS.

To be judged for FAULTS.

The jumping contests at the 1953 Royal Easter Show will be judged under the following Regulations, in conjunction with applicable Special Horse Regulations.

JUDGING ON FAULTS.

1. Obstacle Knocked Down:

(a) An obstacle is said to be knocked down when, through the fault of the horse or rider, any part is knocked down, or one of its ends at least is dislodged.

(b) Touches, raps, and tips do not penalise. Slats will on no account be used.

(c) When an obstacle is composed of several elements placed on top of another in the same vertical plane, such as several bars fixed to the same upright (post and rails), a knock-down of the top element only is penalised.

(d) When an obstacle to be taken in one jump is composed of several elements not in the same plane (Triple Bars, Double Oxer), a knock-down of one or more elements will be penalised only as for one knock-down.

2. Refusal:

(a) If, in the opinion of the Judge(s), the horse is presented at the fence and refuses to attempt to jump, or runs out at the side, it shall count as a refusal, whether the fence is knocked down or not.

If the fence is knocked down it shall be put up again before the rider makes another attempt. The rider should not continue his or her round until the Judge(s) gives the signal. Should a competitor, who has knocked down a fence when refusing deliberately jump that fence before it is re-set, he or she will be eliminated.

If the horse, in attempting to refuse, slides into the obstacle, pushing it down, and its hind-legs cross the line, it shall count a jump and four faults be scored. If, however, the horse stops before the hind-legs cross the line of the jump, and is taken back, it shall count as a refusal.

If the horse, after refusing, is pushed through the fence, the faults made will be added to those for the refusal. When the obstacle is composed of more than one element to be taken in a single jump or leap by the horse (i.e., Double Oxer, Parallel Bars, Triple Bars, etc.), the line shall be deemed to be that of the element nearest the take-off side of the obstacle.

(b) Showing an obstacle to the horse after a refusal and before resuming the course incurs elimination.

(c) Should a competitor, on entering the Ring, show his horse an obstacle before commencing the round, he will be eliminated.

(d) If a horse, when refusing an obstacle, knocks down the obstacle and jumps it before it is re-set, he will be eliminated.

(e) If a horse refuses and slides through the obstacle, the competitor must return and await the re-setting of the obstacle and then re-jump it. Should he continue without attempting to re-jump the obstacle he will be eliminated.

3. Running-Out:

It is considered as running out and the horse must be brought back to jump the obstacle again, falling which he is eliminated, when:—

(a) the horse, not being properly under the control of his rider, avoids the obstacle he should have jumped;

(b) he jumps the obstacle outside the boundary flags which mark it.

4. Refusals at a Double or Treble:

Clearing an obstacle which is a Double or a Treble constitutes a particular test, and the fences cannot, therefore, be separated. Consequently, if a horse refuses, runs out, or falls in between any of these obstacles, the rider is obliged to start over again from the first of these fences.

All faults, including refusals at each fence during the various attempts, will be totalled up.

The complete Double or Treble should be numbered as one obstacle only.

5. Penalties and Marking:

(a) First turn round, circle, run out, or refusal 3 faults
Second turn round, circle, run out, or refusal 6 faults

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued).

Third turn round, circle, run out, or refusal Eliminated

The above are cumulative on the entire round.

(b) Obstacle knocked down 4 faults

(c) Fall of horse and rider or fall of rider only 8 faults

Definition of a Fall:—A horse is considered to have fallen when the shoulder and quarters on the same side touch the ground or touch the obstacle and ground. A rider is considered to have fallen when there is a separation between him and his horse which necessitates his remounting or vaulting into the saddle.

(d) Jumping an obstacle out of correct order Eliminated

(e) Jumping an obstacle before it is re-set Eliminated

(f) Horse leaving the arena, whether mounted or riderless Eliminated

(g) Landing in water or ditch whether one or more feet 4 faults

(Note: Should a horse land in water or ditch, in addition to knocking down the fence, he cannot be penalised more than four faults. It is only one obstacle.)

6. Time:

(a) Unless otherwise stated in the conditions of the contest, the "Time Allowed" for the course will be worked out on the basis of 382 yards per minute, according to the length of the course measured on the track that a well-trained horse would take.

(b) The "Time Limit" is twice the "Time Allowed."

(c) Faults for Time:—
For every second or part of a second exceeding the "Time Allowed" 1/2 fault
Exceeding the "Time Limit" Eliminated

7. General:

(a) Weight. In jumping contests at a Royal Easter Show, unless otherwise stated, gentlemen will ride at a minimum of 11-stone, ladies, catchweights.

(b) Blinkers are prohibited.

(c) Competitors are forbidden under penalty of disqualification for the entire Show, to enter the Ring mounted, except during the contests or for authorised parades, etc.

8. Jumping-Off:

In the event of equality of faults for first place there will be a jump-off, and time will decide; and/or

in the event of two or more horses tying for first place in any jumping contest, unless otherwise stated, they shall be jumped-off over successive enlarged courses with a reduced number of obstacles, the height of the obstacles in each successive course being raised until the winner is found. The courses and obstacles will be at the discretion of the Committee.

The remaining prizes will be awarded in accordance with the number of faults incurred by each finalist. Any other awards which may remain will be allocated among the other horses in a like manner. Equality of faults after the first prize has been awarded will cause the relative prize(s) to be divided. The Committee reserves the right to terminate a jumping-off in any jumping contest in which prizes shall be divided in accordance with the number of faults incurred by the various horses.

SPECIAL JUMPING REGULATIONS.

Special Jumping Regulations 15 to 28 shall apply to all jumping contests.

Unless otherwise stated, ladies and gentlemen may ride in all jumping contests.

Riders will be permitted to "Walk the Course" prior to the commencement of each jumping contest.

To enable a rider to make an examination of the course and obstacles, he or she may enter the Ring half an hour prior to the commencement of the jumping contest concerned. A rider will not be permitted to enter the Ring unless he or she has first obtained a Ring pass, for the purpose, at the Horse Superintendent's office. Such pass will indicate the class number for the jumping contest, the date on which the contest will be conducted, and time that each rider will be permitted to enter the Ring for the purpose of examining the course and obstacles. Examination of the course and obstacles shall be restricted to riders who will be participating in the contest concerned.

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued).

CLASS 233—The "White Horse Whisky" Water Jump.

(Special Prizes)—£125, presented by White Horse Distillers, Ltd., Glasgow and London. First, £65; second, £30; third, £17 10s.; fourth, £12 10s. For the horse, galloway, or pony taking the longest jump over water.

The length of the jump shall be the distance between the leading hoof mark at the take-off and the trailing hoof mark at the landing provided that the water and the tape are completely cleared. To clearly define the width of the jump, one tape shall be placed at the foot of the take-off obstacle and another, parallel to it, at the edge of the water on the landing side of the jump, to serve as guiding marks to measure the width cleared. In this contest two obstacles must be jumped, each to consist of the water (approximately 12') with a low brush hurdle approximately 1' 6" to 2' high placed along the take-off edge of the water. Affixed to the hurdles will be low wings extending approximately 14' from the take-off side. Each contestant will be permitted two attempts at each obstacle. Failure to completely clear the water shall constitute a fault. A fault shall count as an attempt. After each contestant has successfully negotiated the two jumps, another brush hurdle shall be placed behind each of the existing hurdles at a distance of 4' or, as decided upon by the Committee, and this process shall be repeated until the winners have been determined. Should two horses jump the same width, the first and second prize money will be divided.

World's Record.

(Special Prize)—£50, will be paid to the owner of the horse, galloway, or pony which beats the world's record water jump of 27' 3". An attempt may be made on the record either in this event or as a distinct contest. In an endeavour to establish a world's record in a distinct contest a contestant will be permitted three attempts. A refusal shall count as an attempt. The rider will be given the opportunity of deciding the distance at which the additional obstacles, as hereinbefore stated, will be placed behind the water. In order to beat the world's record the horse, galloway, or pony must clear a height of at least 2" or a spread of at least 4", as the case may be, above or beyond the existing measurement. Should two or more contestants break the world's record during the 1953 Royal Easter Show the prize money will be equally divided.

The Society will not recognise any claim for a record water jump unless the measurement has been made in the manner prescribed above.

A YOUNG STOCKMAN

FROM INDOOROPILLY . . .

On meeting friends, looked rather silly,
For a glance to the rear
Would reveal, I fear,
That the seat from his strides was
Ack Willy.

With his buckjumping feats he could dazzle
All the girls from Swan Hill to Newcastle,
But the frictional wear
Twixt his horse and his rear
Cuts his chance, like his pants, to
a frazzle.

Now, the moral is here in the sequel:
For jodhpurs it's worthwhile to seek
well.

Get certain assurance
Of rugged endurance
Buy Dencraft—they haven't an equal.

It's not only value-wise boundary riders—by a long chalk—who insist on Dencraft jodhpurs. Men, women and children from every walk of life—more than 50,000 of them every year—choose Dencraft jodhpurs for roving and droving, hiking and biking and general knockabout wear. That's a tribute to the extremely rugged construction, authentic cut and fine tailoring of these top-value jodhpurs. Choose from these supremely tough materials: Cotton venetian—made in Dencraft's own mill—Bedford Cord, Cavalry Twill, Sanforised Cotton Drill.

The Grand Parade

We are all in the "Grand Parade" — marching through life, doing our allotted tasks. Some grow wool, some wheat, others breed cattle, always trying for improvement.

Fay's part is to supply dependable footwear for the family and, as the parade goes on, will always strive to give even better service than you have enjoyed in the years gone by. Footwear by mail, of course. C.O.D. if you wish.
