SPECIAL PIG REGULATIONS.

Exhibitors are reminded that the Society's General Regulations apply to all sections of the Show and that the Special Regulations hereunder set out which apply to this section only are merely supplementary to the General Regulations.

All pigs (except those entered for bacon classes) over five months old must be registered with the Australian Pig Society, or a recognised Pig Stud Book Society. Pigs, including litters in sow and litter classes, must be from litters duly notified in accordance with the rules of the Australian Pig Society. For particulars apply to Branch Secretaries:—Lt.-Gen. Sir Frank H. Berryman, Endeavour House, 33 Macquarie Place, Sydney; H. T. C. Woodfull, Temple Court, Collins-st., Melbourne; F. J. Kennedy, Primary Building, Creek-st., Brisbane; H. J. Finnis, 7 Pirie-st., Adelaide; J. B. Marshall, 9 Howard-st., Perth; J. S. Millen, 1-21 John-st., Launceston, Tas.

No animal other than an exhibit in respect of which application for entry has been accepted by the Society shall be brought on to the Showground by any exhibitor or other person except with the consent of the Director.

No animal other than an exhibit shall be displayed or exposed for sale on the Showground.

Sec. 5—PIGS (Continued)

Every exhibitor warrants that he is the absolute owner of every animal brought by him or by his authority on to the showground and agrees to indemnify and shall indemnify the Society against all claims on whatsoever ground and for whatsoever cause made against the Society in respect of such animal at the instance of any other person.

PENALTY NON-EXHIBITION OF PIGS.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense and disarrangement of the Show yard, any person making any entry will be subject to a fine of 10s. for each and every entry of pigs not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Director of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals, or (2) contagious or infectious disease (confirmed by an explanatory certificate of a veterinary surgeon) or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to defray all persons owing them from exhibiting at future exhibitions of the Society.

Age of pigs (litter classes excepted), to be calculated from the birth date shown in the litter registration in the herd book up to 1st April.

The age of pigs in litter classes shall be the actual age at the date of judging (Friday, 1st April, 1955).

The name and breeding particulars of a boar or sow entered in a class for exhibits born after 1st November, 1954, may be furnished prior to the closing date of entries, or not later than the day before judging. Failure to observe this provision will automatically cancel the entry.

Full particulars must be stated on the certificate of entry of size, pedigree, herd book number (if available). In the case where no number is available, proof of ownership for herd book must be produced, except where otherwise specified.

No pig shall be entered for a class for which it is not eligible on account of age. Exhibitors may be disqualified and barred from further competition for any breach of this by-law.

No pig over 17 months of age shall be eligible to compete unless the date of farrowing of the last progeny produced is shown on the certificate of entry.

Boars over 12 months old must have had their tusks cut down within six weeks of judging day. Upon arrival on the Showground all boars over 12 months old will be inspected by the superintendent of the section to ensure that this regulation has been observed. Exhibits not conforming with this regulation will be attended to by the Society's Veterinary Surgeon at the cost of the exhibitor.

All pigs exhibited with a sow shall be her own progeny and not exceeding eight weeks old on day of judging (Friday, 1st April 1955).

Any sow entered in a sow and litter class, which has not farrowed at the time of judging, may compete in a dry class or vice versa. The exhibitor must advise the Director as early as possible to enable the transfer to be effected before the time of judging.

All pigs exhibited in group classes must be paraded and judged as a group, and not on their awards in individual classes.

First and second prize sows in litter classes may compete individually for Championship and Reserve Championship prizes as defined hereunder.

In awarding the Championship, the Junior Champion, and first prize winner of the relative sex in each class of the relative sub-section shall be eligible to compete.

In awarding the Reserve Championship, the first prize winner of the relative sex in each class of the relative sub-section other than the exhibit to which the Championship has been awarded, shall be eligible to compete, together with the second prize winner in the class in which the Champion was awarded first prize.

In awarding the Junior Championship, which prize is restricted to Berkshires, Large Whites, Tamworths, and Wessex Saddlebacks, the first prize winner of the relative sex in each class of the relative sub-section shall be eligible to compete, provided that no exhibit shall be eligible to compete for the Junior Championship if it is over 12 months old.

Each Selling Agent who makes a sale or sales of pigs situated on the Showground or of pigs after leaving the Showground but before the pigs have reached the destination to which they were sent from the Showground shall pay to the Society a rental equivalent to one per cent of the gross proceeds of the sale or sales.

The removal from an exhibit of any natural markings or interference by staining or otherwise to disfigure natural markings will entail disqualification and the exhibitor will be dealt with as the Council may deem fit.

Exhibitors from other States should obtain from the Stock Branches of their own State and N.S.W. a "permit to travel" before arranging to despatch the pigs to Sydney.

All pigs shall be fed and attended to by the exhibitor, who shall be responsible for the cleanliness and proper condition of the stalls while the pigs remain on the Showground, both before and after the pig sales, and shall be subject to the control of the Superintendent of the section appointed by the Society. The pigs must be fed and pens cleaned out by 7 a.m. daily.

In the event of any pig being unted, or any sty being in improper condition at any time while the pig remains on the Showground, both before and after the pig sales, the officials of the Society shall feed and attend to the pig, and the cost of such feed and attendance shall be born by the exhibitor of the pig.

Any exhibitor who may neglect to feed and properly attend to all pigs exhibited by him during the period through which they remain in the stalls, either before or after the pig sales, shall be liable to disqualification after enquiry by the Council.

No pig shall be removed from its numbered pen without the sanction of the superintendent.

Each exhibitor or his representative will be allowed to get in the pen and show his pig to the Judge, and must remain in the pen until the Judge has finished with that exhibit.

The Superintendent will take delivery on Showground of all exhibits, and at close of Show will deliver same and issue pass-out checks and return railway certificates.

EXHIBITS MUST REMAIN ON EXHIBITION UNTIL THE COMPLETION OF THE DAY SESSION (6 P.M.) ON THE LAST DAY OF THE SHOW, TUESDAY, 12th APRIL.

All exhibits, except for Classes 90 and 91, must be penned before 8.30 a.m., judging to start at 9.30 a.m. on Friday, 1st April. Exhibits entered in Classes 90 and 91 must be penned not later than 5 p.m. Wednesday, 30th March.

Stated hereunder is an explanation regarding classes which restrict the eligibility of an exhibit by the fact of its age. The dates shown within the parenthesis are those on, or between which, the exhibit must be born to enable it to compete in the class referred to immediately preceding the parenthesis.
