2. An entry will not be accepted unless accompanied by the prescribed entry fee. Should a competitor nominate for a restricted event, and be not selected for such entry, the entry shall be refunded.
3. A competitor must, at time of nomination, furnish his last six performances in all events. Any competitor failing to comply with this rule shall be liable to any penalty the Committee may deem fit.
4. If an axeman or sawyer shall win or be awarded a ribbon in an event held after the closing date of entries, he must notify the Society and/or handicapper of such fact immediately upon arrival at the Show. A competitor who fails to comply with this regulation shall be liable to disqualification.
5. Particulars of marks and heats will, as far as practicable, be posted on a notice board in the dressing room during the day before the event is scheduled to take place. A competitor who wins an event after the posting of marks may be re-handicapped for any subsequent event or events. The Committee reserves the right to re-handicap a competitor before or after an event has commenced. For Programme Arrangement purposes, Handicaps shall be those ruling at time entries close. For Relay Teams Contests, Handicaps shall be arranged on the basis of those ruling at the commencement of the Show.

Handicapping limits:—Time: 10-inch combination chop, 20 seconds; 12-inch diameter, 20 seconds; 13-inch diameter, 25 seconds; 14-inch diameter, 27 seconds; 15-inch diameter, 30 seconds; 24-inch diameter double-handed sawing contests, 12 seconds.

8. A competitor who scratches from a heat after particulars have been posted on the notice board (see Clause 5) or have been made public shall not be permitted to compete in another heat of the same event.
9. If a competitor shall scratch from or shall fail to compete in an event he shall not be entitled to any refund in respect of his nomination entry fee.
10. Chopping and Sawing contests will be conducted or sawed in heats and a final as determined by the Society's officials, according to the number of competitors. In so far as circumstances permit a final shall not commence earlier than within one hour of the last heat or semi-final of the relevant event. The Committee shall endeavour to restrict the number of finals on any one day. In Championship events, seeded competitors shall be allocated to the respective heats.
11. A competitor shall be disqualified if he starts before the starting number marked on his log has been called by the Starter. A disqualification shall be indicated by the check starters by the throwing down of a flag in front of the competitor concerned.

16. Should a competitor wish to lodge a protest on the result of any heat, semi-final, or final of any event, he shall personally lodge such protest with the Steward-in-Chief immediately following the Judge's placing and before the competitors leave the ring.
17. Unless otherwise determined by the Committee, the first and second competitors in each heat and no other competitors in that heat shall be eligible to compete in the final.
18. Except as stated in Clause 16, and the Steward-in-Chief deciding that the placings as recorded by the judging machine, if in use, shall be accepted; the decision of the Judge(s) in each event will be final and conclusive.
19. At the conclusion of each event the Judge(s) will indicate to the Check Starter(s) the logs which are to be inspected. The Check Starter(s) will thoroughly inspect such logs to ensure that the foothold or footholds have not been cut through, that slabs (if any) have been dealt with in accordance with the rules, and that the logs have been properly severed (see Clause 28). He will then signal the Judge(s) that everything is in order, and thereupon the Judge(s) will announce his or their placings. Persons, other than officials, competitors and competitors' attendants concerned, shall not be permitted in the ring while inspections are being made by the Check Starter(s).
20. Competitors in heats must continue to chop or saw until three blocks have been severed. Any competitor failing to observe this rule may be dealt with in such manner as the Committee may see fit, unless the Judge(s) are satisfied that such competitor is suffering from exhaustion, or has broken or damaged his axe or saw or is excused for other sufficient reason.
21. Competitors in Under-hand Events must ensure that their logs are set up to enable the competitors to finish the contest facing the Judge(s).
22. In Sawing Competitions all saw cuts must be not less than two inches or more than three inches from the end of the logs.
23. In Single-Handed Sawing Events the free end of the saw must be free of handle and/or any weighting device.
24. A competitor shall not be allowed to make any mark with axe or saw on his log before his starting time is called, provided that in an under-hand event the Competitor may make a foothold. Violation of the rule shall render the competitor liable to disqualification and/or suspension.
25. A competitor shall not trim his log or hit it with the head of an axe, or cut it in any way. In tree-felling events, trimming of the sapwood or deeper is prohibited unless for special reasons and then only after permission is first obtained from the Steward-in-Chief. Fragments of bark may be removed.
26. Logs may be washed only with water. No other preparation shall be used.
27. Every competitor shall cut or saw the block drawn for him and only that block. A competitor who changes or attempts to change the block allotted to him may be disqualified or otherwise dealt with as the Committee may deem fit.
28. In all wood-chopping contests any competitor slabbing his block will be disqualified and shall forfeit his right to all prize money, if any, won by

him in such event, except that he shall not be disqualified for slabbing provided he severs the slabbed piece without assistance from any other person. A slab is defined as that portion of the log which is dislodged as a result of a "run" to saw-cut or foothold.

29. The only persons authorised to be in the arena during the rigging of blocks are competitors who are entered to compete in the event, and the axemen appointed as deputies for the event, Stewards and other Officials.
30. No person other than a competitor, wedger, or official shall enter or be within the ring during the conduct of an event. Assistants in Sawing Events shall not enter the ring before the competitors for whom they are to act as assistants are called for such event.
31. The logs may be any variety of timber and of any length approved by the Officials. The diameter of all logs will be as uniform as practicable for each event. Logs will be numbered and will be allocated by Lot drawn by the Officials in the presence of the competitors concerned.
32. No Official is authorised to assist a competitor by giving advice.
33. Each competitor shall wear white trousers, white boots or shoes, and a singlet which must be of a colour considered by the Committee to be appropriate to the State in which he resides. A competitor's wearing apparel must at all times be kept in a clean and tidy condition throughout the period of the Show.
34. Any competitor conducting himself in an unruly manner, contributing to or inciting discontent, or attempting to deceive an Official, or infringing any of the rules or conditions may be disqualified and/or dealt with as the Council may deem fit.
35. The Committee may, in its absolute and uncontrolled discretion, disqualify, eliminate, or otherwise deal with any competitor in any wood-chopping or sawing event in such circumstances and on such grounds as it may think fit and without assigning any reason therefor.
36. The Society may, prior to or after the closing date of entries, limit the number of competitors in any event.

NOTE:—

- (1) As early as possible after the Wood-Chopping and Sawing Programme has been printed, and before the commencement of the Royal Easter Show, a copy of the Sectional Catalogue will be sent to each competitor. # The BRITSTAND Trophy

"The Britstand Trophy" has won recognition as the Axeman's "Oscar" —as with the well known Academy Awards of the Film Industry, each year's winner of the Trophy is presented with a facsimile miniature of the Bronze figure. Each year a plate engraved with the name of the current year's winner is added to the base of the trophy.

It is the work of well known Australian artist sculptor, Arthur Murch, a winner of the Travelling Scholarship, who has studied in England and on the Continent. In 1951, he was the winner of the Archibald Portrait Prize, one of the world's richest art prizes. The bronze figure in the Trophy depicts a typical Australian axeman standing alongside

the stump of a tree which has been felled. The axeman gazes upward as though to gauge the fall of his next tree.

Axemen to whom miniatures have been awarded include G. E. Parker (Q'ld.), W. M. Johnston (N.S.W.), T. Kirk (N.S.W.), R. McCarthy (N.S.W.), L. Tagg (Q'ld.), J. O'Toole (Vic.), M. Youd (Tas.) and C. MacIntosh (N.S.W.). T. Kirk won the trophy for the third time, in 1952, thus becoming the first ever to win a full size replica of the coveted Trophy.

The Trophy is presented by Britstand Distributors Ltd., Distributors for British Standard Machinery Co. Ltd., the largest manufacturers of Earth-moving, Roadbuilding and Logging Equipment in the Southern Hemisphere.
