In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show Yard, any person making any entry will be subject to a fine of £1 for each entry of goats not exhibited, unless a certificate under the hand of exhibitor or his authorised agent be lodged with the Director of the Society before the day of Exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

TYPE AND PRODUCTION CLASSES

Conditions

Exhibits entered in Classes 1 to 7 are restricted to Does which have qualified for a State Official Production Certificate not later than 28th February, prior to the next Royal Easter Show. CONDITIONS.

PREFACE.

The Fat Lamb Carcase Competitions will be governed by the general Rules and Regulations of the Royal Agricultural Society and by the Special Regulations hereunder.

The Special Conditions are designed to permit exhibitors to provide exhibits between the 1st July and the closing date for entry (31st January, 1956) at an age and in a condition most suitable for the export trade.

In order to ensure that the carcasses judged are representative of a "car load" furnished by the exhibitor the Special Regulations contemplate that in respect of each entry each exhibitor will submit at least 100 lambs from which a representative selection of six will be made and after slaughtering three of the carcasses from these six will be regarded as the exhibitor's exhibit and will be judged at the N.S.W. State Abattoir, Homebush, in competition with other exhibits.

Facilities are provided to enable the draft or "car load" of lambs to be sent to the exhibitor's selling agent at any time between 1st July and the closing date of entry so that this selection of six lambs can then be made and the carcasses held in the freezing chambers of the N.S.W. State Abattoir until all exhibitors' carcasses are ready for submission to the Judge.

SPECIAL REGULATIONS.

- The following Special Regulations apply to entries and exhibits for the 1956 Royal Easter Show but may be revised in respect of entries or exhibits for any subsequent Royal Easter Show.
- The closing date for entry for the 1956 Royal Easter Show is Tuesday, 31st January, 1956.
- LAMBS ARE TO BE SLAUGHTERED AT N.S.W. STATE ABATTOIR, HOMEBUSH BAY, SYDNEY.**
- Each exhibitor shall nominate an agent at Flemington sale yards to act as his Agent and shall notify the Director of the Society of such nomination in writing and such notification shall be given at least seven clear days before the despatch of the exhibitor's "car load" of lambs pursuant to the provisions hereinafter contained. The Royal Agricultural Society of N.S.W. will nominate an agent for any exhibitor whose "car load" of lambs is to be forwarded to the SYDNEY MEAT PRESERVING COMPANY (LIMITED) or the RIVERSTONE MEAT CO. PTY., LTD., provided advice is received within the aforementioned stipulated period.
- Applications for entry may be lodged with the Society at any time between the 1st day of July, 1955, and the closing date for entry but the Society shall not be called upon to accept or reject an application until after the closing date for entry and no act on the part of the Society prior to formal acceptance of the application in writing shall be regarded as or constitute an acceptance of the application.
- An exhibitor shall be restricted to three entries in any one class.
- An exhibitor shall consign or deliver to his nominated agent at Flemington sale yards, or the Sydney Meat Preserving Company (Limited), Auburn, or the Rivers'ons Meat Co. Pty., Ltd., Riverstone, a "car load" of lambs comprising a minimum of 100 head.
- At least **SEVEN CLEAR DAYS' PREVIOUS NOTICE** in writing of the date when the "car load" of lambs will reach Flemington, Auburn, or Riverstone and be delivered to the nominated agent shall be given to the Director. Lambs must be consigned to Flemington, Auburn, or Riverstone whether they are sold on the property or are to be submitted for public auction at Flemington. **Lambs will not be accepted for slaughter unless this provision is observed.**
- The lambs comprising the "car load" must all be lambs bred by the exhibitor and every such lamb must be of suitable age and condition for the export trade.
- Each exhibitor shall furnish particulars, in writing to the Director, of the breed of the sire and dam of the respective lambs comprising the "car load" and such particulars shall accompany the application for entry.
- The six lambs of each "car load" shall be indelibly and clearly marked by the exhibitor so that they may be identified as comprising the "car load" and be distinguished from the lambs comprising any other "car load" of the same exhibitor.
- The expression "car load" means a mob of lambs capable of being contained in a sheep van for transport by road or rail.
- The following rules and procedure will apply to each "car load"—
 - An exhibitor may select and raddle his lambs prior to their despatch to Flemington, Auburn, or Riverstone. Upon receipt of the consignment of the "car load" by the relative agents at Flemington, Auburn, or Riverstone, if a selection has not already been made, the exhibitor, or failing him the Society, will arrange for an expert, who will be a representative of the New South Wales Meat Exporters, to select and raddle, for the purpose of identification, six lambs which must be representative of the bulk of the lambs comprised in the "car load."
 - The six lambs so selected and the balance of the lambs comprising the "car load" shall be subject to inspection by an Inspection Committee (known as the "R.A.S. Stewards' Fat Lamb Inspection Committee").
