FINE stuff this 'PHENOVIS' . . . yes "fine" is the right word. No ready-to-use worm drench on sale in Australia contains phenothiazine more finely ground than 'PHENOVIS'. For the treatment of gastro-intestinal worms in livestock, there is nothing as good as 'PHENOVIS', containing extremely fine ground phenothiazine particles.

BECTIVE HEREFORD STUD

SOUTH BOOROOK BRIMFIELD

The Bective Hereford Stud was founded in 1929 with the purchase of females from Hobartville, Golf Hill, Ennisview and Mount Leonard and Glengarry dispersal sales. Since then the best sires sold in Sydney have been procured and used in the Stud (the latest addition being South Boorook Brimfield, purchased at 1954 Show Sales for 6700 gns.) with the result that the Stud is finding ready sale for both males and females that are offered, and has also figured prominently in the Show ring in Sydney and Brisbane and locally. The aim of the breeders is to produce soft, early-maturing, well-marked types of cattle with good heads, brood in the buttocks and standing square on their feet. Bective bulls meet with ready sale when offered and universally purchasers' comments are very encouraging and pleasing to the breeders.

PRIZES, £80.

Presented by The Broken Hill Proprietary Company, Limited, Iron and Steel Manufacturers, etc., Sydney Office: 28 O'Connell-st. Steel Works: Newcastle, N.S.W.

CONDITIONS.

These competitions are for the purpose of educating and encouraging cattle exhibitors and attendants to parade exhibits before a judge in the most efficient manner. Suitable attire of competitors and condition of animals, although highly desirable, shall not be the deciding factor except in the case of equality of competitors.

There shall be two competitions and a Championship, viz:—

- (a) Senior Paraders' Competition. (From this competition one parader from each breed shall be selected to contest the Championship Prizes), and
- (b) Junior Paraders' Competition. (The winner shall be eligible to contest the Championship Prizes).

The Senior Paraders' Competition shall be restricted to exhibitors and/or their principal herdsmen.

The Junior Paraders' Competition shall be restricted to exhibitors' cattle attendants, other than exhibitors and principal herdsmen.

From the contestants in the Senior Paraders' Competition one parader in each breed shall be selected to contest the Championship Prizes on Friday, 19th April. The selection shall be made during the judging of the cattle classes on Friday, Saturday, and Monday, 12th, 13th, and 15th April.

The winner of the Junior Paraders' Competition shall be eligible for the Championship.

Sec. 2—CATTLE—Cattle Paraders' Competitions (Continued).

The Senior Competition shall commence as soon as the exhibits in each class enter the Judging Ring on Friday, Saturday, and Monday, 12th, 13th, and 15th April. The selected competitor from each breed shall be the one who, in the opinion of the competition selectors, parades his animals in the most efficient manner. Account will be taken of difficulties which a competitor may have in controlling an exhibit.

A competitor shall not be placed at an advantage or disadvantage as a result of parading animals in a less or greater number of classes.

Each competitor shall be allotted an armband number which must be worn in each class, and in the championship judging. The armband number shall be the only form of identification.

The Championship Paraders' Competition shall take place on Friday, 19th April. Each selected senior competitor and the winner of the Junior Paraders' Competition shall parade an animal as though under judging conditions.

One judge shall decide the Championship prizes.

SPECIAL REGULATIONS.

- DEFINITIONS**—The following definitions apply to the Fat Cattle and Carcase Classes.
 - Stud**—This term in relation to an animal means that both its sire and its dam are registered in the Herd Book of a recognised Stud Beef Cattle Breed Society.
 - Pure-Bred**—This term shall apply to an animal only if the sire and the maternal sire in each of the three next preceding generations of the dams were all stud animals of the same breed.

PROVIDED THAT—

 - In the case of a Poll Hereford a forebear shall be deemed to be a stud animal of the same breed if recognised by the Australian Hereford Society as being or having been a Hereford;
 - In the case of a Poll Shorthorn a forebear shall be deemed to be a stud animal of the same breed if recognised by the Shorthorn Society of Australia as being or having been a Shorthorn.
 - Natural Pastures**—Mean grass lands, whether improved, fertilized, or otherwise, and include lucerne, rye, phalaris, and other like grazing pastures, and growing crops.
 - Stall Fed** in relation to an animal denotes that it has not been exclusively pasture fed.
 - Carcase Classes** are those classes in which the carcass only is entered for exhibition or competition.
 - Shorthorns** will include pure-bred animals of the Beef-Shorthorn breed whether they be horn Shorthorns or dehorned Shorthorns.
 - Herefords** will include pure-bred animals of the Hereford breed whether they be horn Herefords or dehorned Herefords.
 - Carcass Judge**—The person appointed to judge the Carcase Classes.
 - Shorthorn Judge and Hereford Judge**—The persons appointed to judge respectively the classes for which horned Shorthorns and horned Herefords are alone eligible.
- Exhibitors in the Dairy Cattle Section will be allowed only ONE entry in each of the following classes:—
 - Over 18 months and not over 2 years of age.
 - Over 12 months and not over 18 months of age.
 - Not over 12 months of age.

Except as above and except where otherwise specified exhibitors in the Beef, Dual-Purpose and Fattling Cattle Sections will be allowed to enter not more than THREE exhibits in each single class and THREE entries in each group class. In any class for Dairy Cows in milk only and where the age restriction is five years or over an exhibitor may enter any number of exhibits.
- Every exhibit must be the property of the exhibitor at judging day, and must have been owned by him at all times during the period of three months immediately preceding day of judging.
- Exhibits in classes for live animals must be quiet and tractable and be trained to tie up and to lead.
- The certificate of entry must—
 - be supported by statutory declaration lodged with the Director before the closing date for entries and such declaration—
 - must be made by the exhibitor;
 - must verify the particulars in the certificate of entry;
 - must contain a statement that the age of each animal entered for exhibition, or whose carcass is entered for exhibition, does not exceed the age specified in relation to such animal in the certificate of entry;
 - must contain a statement as to where each animal has been fattened and the particulars of the food upon which the animal has been fed during the twelve months prior to the day of entry and upon what ration it will thereafter be fed until judging day;
 - expressly state in respect of each animal being an exhibit or comprised in an exhibit, whether such animal is horned, dehorned or poll.
- In export classes the Judge may be given by the Chief Steward the weights of exhibits. It will be left to the discretion of the Judge to disqualify or to penalise any exhibit if an animal shall be considered to be over or under weight or size, but an animal shall be precluded from parading before the Judge by reason only of weight or size.
- The Society shall have the right to weigh any or all exhibits at any time, and each exhibitor shall afford the Director all facilities and assistance if and when required so to do.
- The weight of an exhibit certified by the Director to be correct shall for all purposes be accepted as correct.
- Any animal shall not be eligible for entry in any single class for fat stock if it is over the age of 18 months.
- Particulars of ages of exhibits in each class (other than in carcass classes) may be furnished to the Judge, and shall be so furnished if the Judge shall require it.
- If at any time any question shall arise as to the age of any exhibit the Director may require the exhibitor to furnish evidence as to the age to the satisfaction of the Steward-in-Chief and failing such production the exhibit may be disqualified by the Steward-in-Chief.
- The Judge, in making his decision in classes for live stock, will take into account early maturity, quality, conformation, development, evenness and depth of flesh, and absence of wasteful fat, and in the case of pure-bred exhibits, breeding and trueness to type, and in the case of pen class exhibits, uniformity of size, quality, and type of the animals comprised in the exhibit.
- The Judge will not be bound to grant an award to any exhibit which in his opinion he considers of insufficient merit to receive such award.
- If an exhibit shall in the opinion of the Steward-in-Chief be of insufficient merit for exhibition, whether from point of view of Show preparation or of standard of excellence, the Society by its Director may require the exhibitor to remove the exhibit from the Showground, and the exhibitor upon being so required shall forthwith remove the exhibit, and if he shall fail to do so the Society at the expense and on behalf of the exhibitor may take all appropriate steps to have the exhibit removed and slaughtered and/or sold, and all costs and expenses incidental thereto shall upon demand be forthwith paid by the exhibitor to the Society.
- Except with the consent of or as directed by the Director all exhibits in classes for live stock must remain on exhibition until the termination of the Show.
- Except as otherwise specified in the Show Schedule, both the sire and the dam of an exhibit shall be either stud or pure-bred animals of the same breed.
- The prizes awarded in carcass classes shall be awarded to the exhibitor and shall be the property of the exhibitor and not of the purchaser.
- In the event of any question or dispute arising as to any matter or thing affecting the entry of or retention of any animal on the Showground, or affecting the exhibition or qualifications of any animal or as to the right or obligation of any exhibitor or of the Society or as to the interpretation or application of any regulation of the Society, every such question and dispute may be referred by the Society or by the exhibitor or other party affected to the Steward-in-Chief, who shall determine such question or dispute acting upon such information and evidence as he may think fit regardless of the ordinary rules of evidence, and his decision shall be final and be accepted as binding upon all parties to such question or dispute and upon all persons affected thereby.
- Should it be found that a steer, at the time of examination prior to judging, shows more than the prescribed number of teeth, it shall not be sold while on the Showground.

CARCASE CLASSES.

20. No carcass of any animal shall be eligible for entry in the carcass classes unless the animal is entered for exhibition and is exhibited in one or other of the classes for live fat stock.
21. The following rules will apply to the judging of carcass classes:—
 - (a) The animals of which the carcasses are entered for competition will be slaughtered at the abattoir at Homebush Bay;
 - (b) Carcasses will be dressed and weighed and will then be exhibited to the Judge in the presence of the Stewards of the Fat Cattle Section, and if so desired by the Judge or by any Steward, carcasses will be quartered and will be further cut up as may be required. If the carcass is weighed hot, the official weight shall be deemed to be scale weight, less three per cent;
 - (c) the Judge shall not be present during the killing or during the dressing of the carcasses;
 - (d) care shall be taken by the Stewards that each carcass shall be capable of identification by the Steward-in-Chief and by the Chief Steward, but shall not be identifiable by the Judge and shall not bear a catalogue number;
 - (e) no information shall be given to the Judge, and the Judge shall not seek or obtain information which may tend to distinguish any one or more carcasses from another or others;
 - (f) in the judging of a carcass the Judge shall have regard to quality, depth and evenness of fleshing, and to conformation, lightness of bone, marbling and absence of waste.

Judging to start on:—

Thursday, 11th April, 2.30 p.m.—Pure-Bred Stall Fed Steers on the hoof.

Tuesday, 16th April—Steer Carcasses.

All animals exhibited in Classes 165 to 173 must, in the opinion of the Judge, be typical of the breed.

All Fat Cattle to be weighed at 9 a.m., Thursday, 11th April, the weight of each animal to be posted on the pen.

JUDGING ARRANGEMENTS.

The steers must be quiet and tractable in order to be led into the Judging and Sale Rings. They may be either stall fed, grazed on natural pastures or both.

The steers are to be weighed alive at 9 a.m., Thursday, 11th April and the weights will be handed to the various Judges who will commence judging at 2.30 p.m., Thursday, 11th April. Steer carcasses will be judged on Tuesday, 16th April.

The steers will be sold by auction on behalf of the exhibitors at 10.30 a.m. on Saturday, 13th April, after which those entered in carcass classes will be sent to the N.S.W. State Abattoir, Homebush Bay, where they will be slaughtered on Monday, 15th April. The Judge will not be on the killing floor while the steers are being slaughtered and carcasses dressed. The day following slaughter the carcasses will be weighed and judged. The Judge has power to have the carcass cut as he wishes in order to arrive at a correct judgment. The prizes are the property of the exhibitors who enter the steers and carcasses and not the purchasers.

The Committee reserves the right of freezing and placing the 1st, 2nd, and 3rd prize carcasses, and cuts therefrom, in a refrigerated cabinet at the Royal Agricultural Society's Show of this year, and delivering same after the Show has terminated. The delivery of carcasses not so selected will not be given to the purchaser or purchasers until the Judge has completed his awards.

In effect the maximum number of points which may be gained is 500 points for type and conformation and 500 points plus for production. In the event of two or more receiving equal points, the group gaining the highest number of points for production will be declared the winner. Where two records for the same cow are completed within the period the record giving the greater number of points for production will be used.

Points for production will be calculated on the 4 per cent. fat corrected method which reduces all milk yields to a 4 per cent. butter-fat basis and is a measure of the energy value of the milk solids and an estimate of the amount of work performed by the cow.

The Formula for reduction to 4 per cent. equivalent is: butter-fat in lbs. multiplied by 25 to equal lbs. milk at 4 per cent.

WOOL AWAY!

"Don't worry—
I'm sending it to Grazcos"

**THE GRAZCOS
Classing & Pooling
Service**

GRAZCOS is the wool growers own co-operative organisation. It provides growers with an essential wool classing and pooling service.

Facilities are available for the classing of clips which cannot be prepared properly in the shed.

After classing, suitable lines are forwarded to the broker for sale under the station brand whilst the smaller lines are pooled.

The Grazcos pool is the ideal way to market oddments from the main clip, wool from straggler shearings and other wool oddments.

Last year more than 100,000 bales of wool, representing consignments from many thousands of individual growers, were sold under the widely known Grazcos brand.

This large volume of wool made it possible to present the wool in big even lines meeting with wide competition from buyers.

PENALTY—NON-EXHIBITION OF GOATS.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show Yard, any person making any entry will be subject to a fine of £1 for each entry of goats not exhibited, unless a certificate under the hand of exhibitor or his authorised agent be lodged with the Director of the Society before the day of Exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

JUDGING DAY AND EXHIBITION PERIOD.

Goats will be judged at 9 a.m., Thursday, 18th April, and will remain on exhibition on that day and until 5 p.m. on Easter Saturday, 20th April.

Goats must be registered in a Herd Book recognised by the Royal Agricultural Society of N.S.W., and proof of registration must accompany all entries for the Show. Any doe, entered as dry, if in milk at the time of the competition, may compete as a wet doe, and vice versa.

All goats shall be fed and attended to by the exhibitor while the goat remains on the Showground.

If a Champion or Reserve Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship or Junior Championship then the Championship or Junior Championship shall be awarded to the animal which was awarded the Reserve Championship or Reserve Junior Championship.
