*one of our jobs
is to help
the man on the land*

Ever stop to think that the man on the land requires expert banking service as much as his city cousin? The E. S. & A. Bank has established throughout the country many branches managed by men familiar with the personal and business problems that affect the farmer. These bankers know the local conditions where they reside. Their years of experience combined with a thorough understanding of Australian business and banking procedures, make their advice and assistance invaluable.

Full banking facilities available including Hire Purchase Finance through ESANDA LIMITED (Inc. in Vic.) to help you buy cars, business equipment, farm and earth moving equipment, household goods, etc.

Call and discuss the details at our Snowground office in the Manufacturers' Hall or with the manager of your nearest E. S. & A. Branch.

ROYAL EASTER SHOW 12th to 23rd April, 1957

MEASURING HORSES AND PONIES.

Horses, galloways, and ponies entered in classes for which the height is limited must be measured by the Official Measurer before competing. No exhibit shall be judged unless so measured.

THE OFFICIAL MEASURER WILL ATTEND THE SHOWGROUND ON WEDNESDAY, THURSDAY, FRIDAY, AND SATURDAY, 10th, 11th, 12th, and 13th APRIL. AN EXHIBIT WILL NOT BE MEASURED ON THE DAY IT IS TO BE JUDGED.

When measuring a horse, galloway, or pony, an allowance of half (½) of an inch is to be made for shoes. Where an exhibitor disagrees with the Official Measurer's figure for an animal which has been measured with shoes on he may, should he so desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any animal prior to measurement.

Should a horse, galloway, or pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding horse, galloway, or pony class.

Horses, galloways, and ponies will not be measured unless the breast plate showing their number in the class for which they are being measured is produced to the Official Measurer for the purpose of enabling him to impress some with a rubber stamp showing the official measurement and his initials.

Life measurement certificates will only be issued for horses, galloways, or ponies, seven years old or over. A Life Certificate shall not be issued unless, at the time of measurement, the exhibit is unshod.

The Official Measurer will attend the Showground on Wednesday, Thursday, Friday, and Saturday, 10th, 11th, 12th, and 13th April, between 10 a.m. and 4 p.m. A pony will not be measured on the day it is to be judged. Should a pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding pony or horse saddle class.
