SPECIAL PIG REGULATIONS.

Exhibitors are reminded that the Society's General Regulations apply to all sections of the Show and that the Special Regulations hereunder set out which apply to this section only are merely supplementary to the General Regulations.

All pigs (except those entered for bacon classes) over five months old must be registered with the Australian Pig Society, or a recognised Pig Stud Book Society. Pigs, including litters in sow and litter classes, must be from litters duly notified in accordance with the rules of the Australian Pig Society. For particulars apply to Branch Secretaries:—
Lt-Gen. Sir Frank H. Berryman, Endeavour House, 33 Macquarie Place, Sydney; H. T. C. Woodfull, Temple Court, Collins-st., Melbourne; F. J. Kennedy, Primary Building, Creek-st., Brisbane; H. J. Finnis, 7 Pirie-st., Adelaide; J. B. Marshall, 239-243 Adelaide Terrace, Perth; J. S. Millen, 1-21 St. John-st., Launceston, Tas.

No animal other than an exhibit in respect of which application for entry has been accepted by the Society shall be brought on to the Showground by any exhibitor or other person except with the consent of the Director.

No animal other than an exhibit shall be displayed or exposed for sale on the Showground.
Every exhibitor warrants that he is the absolute owner of every animal brought by him or by his authority on to the Showground and agrees to indemnify and shall indemnify the Society against all claims on whatsoever ground and for whatsoever cause made against the Society in respect of such animal at the instance of any other person.

Sec. 5—PIGS (Continued).

PENALTY—NON-EXHIBITION OF PIGS.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of 10s. for each and every entry of pigs not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Director of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by an explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

Age of pigs (litter classes excepted) to be calculated from the birth date shown in the litter registration in the herd book up to 1st April.

The age of pigs in litter classes shall be actual age at the date of judging (Friday, 12th April, 1957). The name and breeding particulars of a boar or sow entered in a class for exhibits born after 1st November, 1956, may be furnished prior to the closing date of entries, or not later than the day before judging. Failure to observe this provision will automatically cancel the entry.

Full particulars must be stated on the certificate of entry of age, pedigree, herd book number if available. In the case where no number is available, proof of acceptance for herd book must be produced, except where otherwise specified.

No pig shall be entered for a class for which it is not eligible on account of age. Exhibitors may be disqualified and debarred from further competition for any breach of this by-law.

No pig over 17 months of age shall be eligible to compete unless the date of farrowing of the last progeny produced is shown on the certificate of entry.

Boars over 12 months old must have had their tusks cut down within six weeks of judging day. Upon arrival on the Showground all boars, over 12 months old, will be inspected by the Superintendent of the Section to ensure that this regulation has been observed. Exhibits not conforming with this regulation will be attended to by the Society's Veterinary Surgeon at the cost of the exhibitor.

All pigs exhibited with a sow shall be her own progeny and not exceeding eight weeks old on day of judging (Friday, 12th April, 1957).

Any sow entered in a sow and litter class, which has not farrowed at the time of judging, may compete in a dry class or vice versa. Such transferred entry shall be additional to any entries made by the exhibitor in the relative class. The exhibitor must advise the Director as early as possible to enable the transfer to be effected before the time of judging.

All pigs exhibited in group classes must be paraded and judged as a group, and not on their awards in individual classes.

First and second prize sows in litter classes may compete individually for Championship and Reserve Championship prizes as defined hereunder.

In awarding the Championship, the Junior Champion, and first prize winner of the relative sex in each class of the relative Sub-section shall be eligible to compete.

In awarding the Reserve Championship, the first prize winner of the relative sex in each class of the relative Sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete, together with the second prize winner in the class in which the Champion was awarded first prize.

In awarding the Junior Championship, which prize is restricted to Berkshires, Large Whites, Tamworths, and Wessex Saddlebacks, the first prize winner of the relative sex in each class of the relative Sub-section shall be eligible to compete provided that no exhibit shall be eligible to compete for the Junior Championship if it is over 12 months old.

Each Selling Agent who makes a sale or sales of pigs situated on the Showground or of pigs after leaving the Showground but before the pigs have reached the destination to which they were sent from the Showground shall pay to the Society a rental equivalent to one per cent of the gross proceeds of the sale or sales.

The removal from an exhibit of any natural markings or interference by staining, or otherwise, to disassemble natural markings will entail disqualification, and the exhibitor will be dealt with as the Council may deem fit.

Exhibitors from other States should obtain from the Stock Branches of their own State and N.S.W. a "Permit to travel" before arranging to despatch the pigs to Sydney.

All pigs shall be fed and attended to by the exhibitor, who shall be responsible for the cleanliness and proper condition of the sties while the pigs remain on the Showground, both before and after the pig sales, and shall be subject to the control of the Superintendent of the Section appointed by the Society. The pigs must be fed and pens cleaned out by 7 a.m. daily.

In the event of any pig being unfed, or any sty being in improper condition at any time while the pig remains on the Showground, both before and after the pig sales, the officials of the Society shall feed and attend to the pig, and the cost of such feed and attendance shall be borne by the exhibitor of the pig.

Any exhibitor who may neglect to feed and properly attend to all pigs exhibited by him during the period through which they remain in the sties, either before or after the pig sales, shall be liable to disqualification after enquiry by the Council.

No pig shall be removed from its numbered pen without the sanction of the Superintendent.

Each exhibitor or his representative will be allowed to get in the pen and show his pig to the Judge, and must remain in the pen until the Judge has finished with that exhibit.

The Superintendent will take delivery on Showground of all exhibits, and at close of Show will deliver same and issue pass-out checks and return railway certificates.

EXHIBITS MUST REMAIN ON EXHIBITION UNTIL THE COMPLETION OF THE DAY SESSION (6 P.M.) ON THE LAST DAY OF THE SHOW, TUESDAY, 23rd APRIL.

All exhibits, except for Classes 73 and 74, must be penned before 8.30 a.m. on Thursday, 11th April. Judging to commence at 9.30 a.m. on Friday, 12th April. Exhibits entered in Classes 73 and 74 must be penned not later than 8 a.m. on Thursday, 11th April.

INSPECTOR'S VERIFICATION OF TYPE, DESCRIPTION AND ELIGIBILITY.

(a) Each animal shall be subject to inspection at any time on or before the day immediately preceding judging day by an inspector or inspectors appointed by the Society.

(b) If any such inspector shall certify that in his opinion

(i) the animal is not true to type, or

(ii) is not of such description or merit as to be a worthy exhibit in the class or classes in which it is entered, or

(iii) such animal bears any marking, whether in the nature of colour, tattoo, fire or other brand, surgical operation, or otherwise contrary to the markings disclosed in the relative certificate of entry, or does not show some such marking attributed to it in the relative certificate of entry or if any such marking or absence of marking is not in accordance with the particulars furnished in respect of such animal by the relative breed society.

The Society may require the animal to be forthwith removed from the Showground and the exhibitor, upon receipt of such notice shall forthwith remove such animal and failing such removal by him within the time prescribed by the Director the Director may remove the animal or cause the animal to be removed and all costs and expenses of removal shall be borne by the exhibitor and shall be refunded to the Society. Each such animal shall at all times be at the sole risk and responsibility of the exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the exhibitor who shall indemnify and hold indemnified the Society its servants and agents from all claims whatsoever in respect of the animal whether by reason of any loss or injury to or caused by the animal or because of transportation, feeding or housing or otherwise howsoever.

Sec. 5—PIGS (Continued).

(c) No inspector shall be required to furnish to the exhibitor any reasons for his determination nor shall there be any appeal against such determination at the instance of the exhibitor provided always that the Steward-in-Chief or Assistant Steward-in-Chief of the Pig Section of the particular class in which such animal is entered for exhibition may override any such determination and permit the animal to remain on the Showground with or without the right of being paraded and or exhibited as such Steward-in-Chief or Assistant Steward-in-Chief may, in his absolute discretion, determine.

(d) The Australian Pig Society (N.S.W. Branch) shall be requested to nominate three persons qualified to act as inspectors in order to facilitate the appointment of an inspector or inspectors by the Society for the purpose of this regulation.

DATES OF BIRTH FOR CLASSES RESTRICTED BY AGE.

Stated hereunder is an explanation regarding classes which restrict the eligibility of an exhibit by the fact of its age. SPECIAL NOTICE.

PIG STUDENTS.

Students from the Hawkesbury Agricultural College and the Veterinary School of the Sydney University will be appointed for the purpose of assisting exhibitors with the preparation of their pigs. Such assistance shall be available from the day before judging of the breed up to and including the day on which the breed is sold by Public Auction during the currency of the Show. Exhibitors desiring students must state on their Certificate of Entry the number they require. They shall also undertake to pay 10s. per day, for each student, towards the Society's expenses incurred by the appointment of the students. Should an exhibitor desire the services of students at an earlier or until a later date, the cost for the extra period shall be borne wholly by the exhibitor. Unless the aforesaid is observed the students shall not be available.

RESTRICTED ENTRIES.

Exhibitors are advised that entries for the 1957 Royal Easter Show will be restricted as follows:

Two nominations may be made by intending exhibitors in classes for animals over 17 months old and not over 4 years old; over 12 months old and not over 17 months old; and in Pen classes for animals not over four months old on the understanding that should it be found that the available penning accommodation is insufficient, one entry shall be withdrawn.

In all other classes excepting Boar Progeny Groups and Sow Progeny Groups, three nominations may be made by intending exhibitors on the understanding that should it be found that the available penning accommodation is insufficient, one entry shall be withdrawn.

One entry only will be permitted in Boar Progeny Group Classes and Sow Progeny Group Classes and in such Classes the progeny only shall be exhibited.
