BECTIVE HEREFORD STUD

SOUTH BOOROOK BRIMFIELD

The Bective Hereford Stud was founded in 1929 with the purchase of females from Hobartville, Golf Hill, Ennisview and Mount Leonard and Glengarry dispersal sales. Since then the best sires sold in Sydney have been procured and used in the Stud (the latest addition being South Boorook Brimfield, purchased at 1954 Show Sales for 6700 gns.) with the result that the Stud is finding ready sale for both males and females that are offered, and has also figured prominently in the Show ring in Sydney and Brisbane and locally. The aim of the breeders is to produce soft, early-maturing, well-marked types of cattle with good heads, broad in the buttocks and standing square on their feet. Bective bulls meet with ready sale when offered and universally purchasers' comments are very encouraging and pleasing to the breeders.

A RAILWAY QUIZ

● **Have you seen the Railway Show Exhibit?**

It is in the Manufacturers' Hall.

● **Are you making good use of the Railway Office on the Showground?**

It is there for your convenience. You will find it in Bent Street, under the Members' Grandstand, open from 9.00 a.m. to 5.00 p.m.

● **Have you had a trip in an air-conditioned train?**

Modern air-conditioned expresses are now operating regularly in daylight hours between Sydney and Nowra, Albury, Parkes, Dubbo, Newcastle, Armidale, and Grafton.

● **Are you consigning all your freight by rail?**

If so you are supporting the transport system that helps you in many ways. The Railways give concession rates on show exhibits, rebates of freight to encourage various industries, and comparatively low rates on primary products.

WOOL AWAY!

"DON'T WORRY—
I'M SENDING IT TO GRAZCOS"

The GRAZCOS
Classing & Pooling
Service

GRAZCOS is the wool growers own co-operative organisation. It provides growers with an essential wool classing and pooling service.

Facilities are available for the classing of clips which cannot be prepared properly in the shed. After classing, suitable lines are forwarded to the broker for sale under the station brand whilst the smaller lines are pooled.

The Grazcos pool is the ideal way to market oddments from the main clip, wool from straggler shearings and other wool oddments.

Last year more than 100,000 bales of wool, representing consignments from many thousands of individual growers, were sold under the widely known Grazcos brand.

This large volume of wool made it possible to present the wool in big even lines meeting with wide competition from buyers.

Sec. 2—CATTLE—Fat Cattle (Continued)

2. No exhibitor shall enter more than three exhibits in any one class.
3. Every exhibit must be the property of the exhibitor at judging day, and must have been owned by him at all times during the period of three months immediately preceding day of judging.
4. Exhibits in classes for live animals must be quiet and tractable and be trained to tie up and to lead.
5. The certificate of entry must—
 - (1) be supported by statutory declaration lodged with the Director before the closing date for entries and such declaration—
 - (a) must be made by the exhibitor;
 - (b) must verify the particulars in the certificate of entry;
 - (c) must contain a statement that the age of each animal entered for exhibition, or whose carcass is entered for exhibition, does not exceed the age specified in relation to such animal in the certificate of entry;
 - (d) must contain a statement as to where each animal has been fattened and the particulars of the food upon which the animal has been fed during the twelve months prior to the day of entry and upon what ration it will thereafter be fed until judging day;
 - (2) expressly state in respect of each animal being an exhibit or comprised in an exhibit, whether such animal is horned, dehorned or poll.
6. In export classes the Judge may be given by the Chief Steward the weights of exhibits. It will be left to the discretion of the judge to disqualify or to penalise any exhibit if an animal shall be considered to be over or under weight or size, but no animal shall be precluded from parading before the judge by reason only of weight or size.
7. The Society shall have the right to weigh any or all exhibits at any time, and each exhibitor shall afford the Director all facilities and assistance if and when required so to do.
8. The weight of an exhibit certified by the Director to be correct shall for all purposes be accepted as correct.
9. Any animal shall not be eligible for entry in any single class for fat stock if it is over the age of 2½ years.
10. Particulars of ages of exhibits in each class (other than in carcass classes) may be furnished to the Judge, and shall be so furnished if the Judge shall require it.
11. If at any time any question shall arise as to the age of any exhibit the Director may require the exhibitor to furnish evidence as to the age to the satisfaction of the Steward-in-Chief and failing such production the exhibit may be disqualified by the Steward-in-Chief.
12. The judge, in making his decision in classes for live stock, will take into account early maturity, quality, conformation, development, evenness and depth of flesh, and absence of wasteful fat, and in the case of pure-bred exhibits, breeding and trueness to type, and in the case of pen class exhibits, uniformity of size, quality, and type of the animals comprised in the exhibit.
13. The judge will not be bound to grant an award to any exhibit which in his opinion he considers of insufficient merit to receive such award.
14. If an exhibit shall in the opinion of the Steward-in-Chief be of insufficient merit for exhibition, whether from point of view of Show preparation or of standard of excellence, the Society by its Director may require the exhibitor to remove the exhibit from the Showground, and the exhibitor upon being so required shall forthwith remove the exhibit, and if he shall fail to do so the Society at the expense and on behalf of the exhibitor may take all appropriate steps to have the exhibit removed and slaughtered and, or sold, and all costs and expenses incidental thereto shall upon demand be forthwith paid by the exhibitor to the Society.
15. Except with the consent of or as directed by the Director all exhibits in classes for live stock must remain on exhibition until the termination of the Show.
16. Except as otherwise specified in the Show Schedule, both the sire and the dam of an exhibit shall be either stud or pure-bred animals of the same breed.
17. The prizes awarded in carcass classes shall be awarded to the exhibitor and shall be the property of the exhibitor and not of the purchaser.
18. In the event of any question or dispute arising as to any matter or thing affecting the entry of or retention of any animal on the Showground, or affecting the exhibition or qualifications of any animal or as to the right or obligation of any exhibitor or of the Society or as to the interpretation or application of any regulation of the Society, every such question and dispute may be referred by the Society or by the exhibitor or other party affected to the Steward-in-Chief who shall determine such question or dispute acting upon such information and evidence as he may think fit regardless of the ordinary rules of evidence and his decision shall be final and be accepted as binding upon all parties to such question or dispute and upon all persons affected thereby.
19. Should it be found that a steer, at the time of examination prior to judging, shows more than the prescribed number of teeth, it shall not be sold while on the Showground.

CARCASS CLASSES.

20. No carcass of any animal shall be eligible for entry in the carcass classes unless the animal is entered for exhibition and is exhibited in one or other of the classes for live fat stock.
21. The following rules will apply to the judging of carcass classes:—
 - (a) the animals of which the carcasses are entered for competition will be slaughtered at the abattoir at Homebush Bay;
 - (b) carcasses will be dressed and weighed and will then be exhibited to the judge in the presence of the stewards of the Fat Cattle Section, and if so desired by the judge or by any steward, carcasses will be quartered and will be further cut up as may be required. If the carcass is weighed hot, the official weight shall be deemed to be the scale weight, less three per cent.
 - (c) the judge shall not be present during the killing or during the dressing of the carcasses;
 - (d) care shall be taken by the stewards that each carcass shall be capable of identification by the Steward-in-Chief and by the Chief Steward, but shall not be identifiable by the judge and shall not bear a catalogue number;
 - (e) no information shall be given to the judge, and the judge shall not seek or obtain information which may tend to distinguish any one or more carcasses from another or others;
 - (f) in the judging of a carcass the judge shall have regard to quality, depth and evenness of fleshing, and to conformation, lightness of bone, marbling, and absence of waste.

JUDGING ARRANGEMENTS.

The steers must be quiet and tractable in order to be led into the Judging and Sale Rings. They may be either stall fed, grazed on natural pastures or both.

The steers are to be weighed alive at 9 a.m., Thursday, 31st March, and the weights will be handed to the various judges, who will commence judging at 3 p.m., Thursday, 31st March. Steer carcasses will be judged on Tuesday, 5th April.

The steers will be sold by auction on behalf of the exhibitors at 10.30 a.m. on Saturday, 2nd April, after which those entered in Carcass classes will be sent to the N.S.W. State Abattoir, Homebush Bay, where they will be slaughtered on Monday, 4th April. The judge will not be on the killing floor while the steers are being slaughtered and carcasses dressed. The day following slaughter the carcasses will be weighed and judged. The judge has power to have the carcass cut as he wishes in order to arrive at a correct judgment. The prizes are the property of the exhibitors who enter the steers and carcasses and not the purchasers.

The Committee reserves the right of freezing and placing the 1st, 2nd and 3rd prize carcasses, and cuts therefrom, in a refrigerated cabinet at the Royal Agricultural Society's Show of this year, and delivering same after the Show has terminated. The delivery of carcasses not so selected will not be given to the purchaser or purchasers until the judge has completed his awards.

Ideal average weights.

For the purpose of these competitions, and as a guide to exhibitors, the ideal weights are generally considered to be:—

(a) Live weight, between 1000lb. and 1200lb.

(b) Export Carcass, between 680lb. and 760lb.

DATES OF BIRTH FOR CLASSES RESTRICTED BY AGE.

Stated hereunder is an explanation regarding classes which restrict the eligibility of an exhibit by the fact of its age. The dates shown within the parentheses are those on, or between which, the exhibit must be born to enable it to compete in the class referred to immediately preceding the parentheses.

Age—Not over 21 months (On or after 1st June, 1953); Not over 18 months (On or after 1st Sept., 1953); Over 12 and not over 18 months (1st Sept., 1953—28th Feb., 1954).

By naming Perpetual Trustee Company Limited as your Executor and Trustee—alone or jointly with a relative or friend—you will ensure for your beneficiaries all the advantages provided by the services of this experienced organisation.

If you would know more of the services rendered by the Company—and its charges—ask that a copy of the booklet "Your Executor and Trustee" be sent to you.

Procedure and Organisation that ensures efficient management of Pastoral Estates

A study of the procedure and organisation of Perpetual Trustee Company Limited will show how efficient and economical administration of Pastoral Estates is assured and how the interests of the beneficiaries are fully safeguarded.

• THE COMPANY

Perpetual Trustee Company Limited was established in 1886 with the management of Estates as its central and primary purpose. Its long experience enables it to make decisions and shape a policy for each Estate that is sound, progressive and abreast of the times. The Company, unlike a private Trustee, has continuous existence. It is always available when called upon to act.

• METHOD OF ADMINISTRATION

Estates are administered by the Board of Directors and the Management through the Company's Trust Officers. The Board is composed of men of wide experience to whom all important matters of policy are referred for decision. The management maintains close supervision over the work of all Departments.

• TRUST OFFICERS

The Trust Officers are senior members of the Company whose whole training has been to fit them for the efficient and careful administration of Estates. They are responsible for the overall and continuous administration of Estates entrusted to their care. They are assisted by Specialists, and Specialist Departments and by highly trained staffs under their control.

The Trust Officers are in frequent conference with the Management and through the Management with the Board of Directors.

• STOCK & STATION DEPARTMENT

The Company has its own Stock and Station Department which, in association with the Trust Officers, gives full time, close and careful attention to the Pastoral properties under its control.

• OTHER SPECIALIST DEPARTMENTS

Special Departments of the Company deal with Accountancy, Real Estate Sales, Securities, Rent Collecting, Repairs, Loans on Mortgage, Stocks and Shares, Taxation, etc.

• COUNTRY OFFICES

For the convenience of those in the country, having business with the Company, it has offices at Tamworth and Orange, in each of which is a Country Representative who makes regular tours of his area and keeps personal touch with the Company's clients.

• PASTORAL INSPECTIONS AND CONSULTATIONS.

Competent men who are in constant touch with Country conditions all over the State, make their reports and recommendations direct to the Management.

PENALTY—NON-EXHIBITION OF GOATS.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show Yard, any person making any entry will be subject to a fine of £1 for each entry of goats not exhibited, unless a certificate under the hand of exhibitor or his authorised agent be lodged with the Director of the Society before the day of Exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

JUDGING DAY AND EXHIBITION PERIOD.

Goats will be judged at 9 a.m., Thursday, 7th April, and will remain on exhibition on that day and until 5 p.m. on Easter Saturday, 9th April.

PARADERS' COMPETITION.

See Class 30.

SPECIAL GOAT REGULATIONS.

Exhibitors are reminded that the Society's General Regulations apply to all sections of the Show and that the Special Regulations hereunder set out which apply to this section only are merely supplementary to the General Regulations.

Goats must be registered in a Herd Book recognised by the Royal Agricultural Society of N.S.W., and proof of registration must accompany all entries for the Show. All goats not of age for registration must be the progeny of registered sires and dams and definitely recorded in the kid register of the Goat Breeders' Society of Australia. For particulars of the Goat Breeders' Society of Australia, apply to the Secretary, I.I. Gen. Sir Frank H. Berryman, Endeavour House, 33 Macquarie Place, Sydney; H. T. C. Woodfull, Secretary, Victorian Branch, Temple Court, 422 Collins-st., Melbourne; H. J. Finnis, Secretary, South Australian Branch, 7 Pirie-st., Adelaide; J. B. Marshall, Secretary, Western Australian Branch, 9 Howard-st., Perth.

The age of all goats to be calculated from the birth date shown on the kid record and/or registration form up to the official Judging day, Thursday, 7th April.

All Does will be milked dry, commencing at 5 p.m., Wednesday, 6th April, when an inspection will be made. The exhibitor or his representative to be present when the Does are being stripped out. Any Doe, which in the opinion of the steward is carrying excessive milk shall be debarred from competition. Should the judge require any Doe to be milked out before making his award same shall be done.

Any doe, entered as dry, if in milk at the time of the competition, may compete as a wet doe, and vice versa.

All goats shall be fed and attended to by the exhibitor while the goat remains on the Showground.

In awarding the Championship, the first prize winner in each class of the relative sub-section shall be eligible to compete.

In awarding the Reserve Championship, the first prize winner in each class of the relative sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize.

In awarding the Junior Championship, the first prize winner in each class in the relative Sub-Section shall be eligible to compete, provided that no exhibit shall be eligible to compete for the Junior Championship if it is over the age of two years and, in the case of a Saanen, if it is not a maiden.

In awarding the Reserve Junior Championship, the first prize winner in each class in the relative Sub-Section, other than the exhibit to which the Junior Championship has been awarded shall be eligible to compete together with the second prize winner in the class from which the Junior Champion was drawn, provided that no exhibit shall be eligible to compete for the Reserve Junior Championship if it is over the age of two years and, in the case of a Saanen, if it is not a maiden.

If a Champion or Reserve Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship or Junior Championship then the Championship or Junior Championship shall be awarded to the animal which was awarded the Reserve Championship or Reserve Junior Championship.

In all classes where only two or three prizes are offered, Very Highly Commended, Highly Commended, and Commended cards may be recommended at the discretion of the judge.
