SPECIAL HORSE REGULATIONS

Exhibitors are reminded that the Society's General Regulations apply to all sections of the Show and that the Special Regulations hereunder set out which apply to this section only are merely supplementary to the General Regulations.

PENALTY—NON-EXHIBITION OF HORSES.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of £2 for each horse not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Director of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals, or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

TROPHIES ON DISPLAY.

Trophies offered for competition in the Horse Section shall be on display in the special windows provided for the purpose in the Society's General Showground Office.

Age of Horses.

The age of all horses to be calculated as from 1st August. Every horse foaled before 1st August in any year shall be deemed to be one year old on that date. A filly is defined as a female under 4 years of age.

Veterinary Certificate.

A certificate of soundness must be produced with:—

- Every stallion 2 years old and over.
- Trotting or Pacing Stallions in harness.
- Every mare in stud classes 3 years old and over;

before such horses shall be allowed to compete. The following certificates will be accepted:—

- Royal Agricultural Society of N.S.W.
- Stock Branch of the Department of Agriculture, N.S.W.
- The Government of any other Australian State or New Zealand, in which case an examination of the horse for identification purposes will be made by the Society's veterinary surgeons.

Stallions and mares will be examined on **Thursday, 31st March**, for soundness and conformation by a Board appointed by the Council of the Royal Agricultural Society of N.S.W., consisting of a breeder and two veterinary surgeons, and the Society's Certificate will be issued to each animal passed by such Board.

Weather permitting, veterinary examinations will be conducted in the centre of the main ring. Otherwise they will be carried out under the Martin and Angus Grandstand or in the Trotting Marshalling Yard.

VETERINARY EXAMINATIONS WILL NOT BE HELD AFTER THURSDAY, 31st MARCH.

Life certificates will be issued for stallions and mares (not geldings) passed as sound at six years of age, provided that the Certificate is issued after a special examination and by a Veterinary Surgeon specially appointed by the Society for the purpose.

A rig shall not be passed as a stallion.

Board of Appeal.—In the case of a horse being rejected for unsoundness, the Board of Appeal shall consist of three veterinary surgeons, and in the case of rejection on conformation the Board shall consist of two breeders and a veterinary surgeon. All appeals shall be decided previous to horses being judged. A deposit of one guinea must accompany each appeal.

Nominations and Entries.

The expression "nomination" shall be deemed to be synonymous with Application for Entry, and "Certificate of Nomination" shall be deemed to be synonymous with Certificate of Entry.

All nominations should be made on the prescribed certificate of nomination. Certificates of nomination will be posted to exhibitors on application.

When forwarding nominations exhibitors should state the number of class (as per schedule) for which they desire to compete, together with the following description of the horse, viz.:—Name, colour, and sex, date foaled or age, name and address of breeder, name of sire, and name of dam. The colours for trotting contests must be stated. Every rider or driver in jumping or trotting events must give his name at the scales. All riders and drivers in jumping and trotting events must wear skull caps, which will be provided by the Society.

Exhibitors in stud classes will not be allowed more than three nominations or entries in any one class.

Sec. 1—HORSES (Continued)

It shall be a condition of nomination in light horse, pony, hunting and jumping classes and contests (studs and trotters excepted) that the performances of each horse or pony be stated on a Performance Form.

The exhibitor shall in his nomination form certify in respect of each exhibit where such exhibit is situated at date of the lodgment of the entry form.

Each exhibitor shall, if and when requested so to do, furnish such evidence as the Society may require as to the means by which the exhibit has been transported to the Showground from the place at which it was situated as at the date of lodgment of the relative nomination form and when such transport occurred, and as to whether the exhibit has been situated elsewhere than at the place stated in nomination form, and if so, where and for how long during the period between the date of lodgment of nomination form and date of arrival of the exhibit at the Showground.

No animal other than an exhibit in respect of which application for entry has been accepted by the Society shall be brought on to the Showground by any exhibitor or other person except with the consent of the Director.

NO HORSE SHALL BE DISPLAYED OR EXPOSED FOR SALE ON THE SHOWGROUND.

Every exhibitor warrants that he is the absolute owner of every animal brought by him or by his authority on to the Showground and agrees to indemnify and shall indemnify the Society against all claims on whatsoever ground and for whatsoever cause made against the Society in respect of such animal at the instance of any other person.

If, in the opinion of a Veterinary Surgeon of the Society, an animal on the Showground shall be so injured or be so affected by sickness, disease or other ailment as to warrant its destruction or its removal from the Showground as the case may be, the Society shall be entitled to have the animal destroyed and/or removed from the Showground and/or shall be entitled to require the owner to forthwith remove the animal from the Showground. All costs incurred by the Society in connection with such animal shall be for the account of the owner and shall be refunded by him to the Society.

Performance Form.

A performance form for the purpose of conveying the information specified hereunder is to be completed for each horse or pony (Studs and Trotters excepted). This form is to be forwarded with the Nomination form and fees to reach the Director not later than Wednesday, 15th December, 1954. Should either the performance form or the fees be omitted the Nomination form shall be returned to the applicant as incomplete. In the event of the nomination not having been re-submitted in proper order to reach the Director not later than Wednesday, 15th December, 1954, the application shall be deemed to have been cancelled. The closing date of nomination shall not be extended for any reason whatsoever.

Information to be furnished on the performance form is:—

- (a) Name of horse or pony. (A separate form to be completed for each exhibit);
- (b) Age of horse or pony. (State day, month, and year of foaling, if known);
- (c) Prizes gained by the horse or pony nominated, viz.:—Name of Show; Date of Show; Prizes—first, second, or third, etc. (If a horse or pony was exhibited and was not awarded a prize, such is to be stated);
- (d) Name of exhibitor;
- (e) Remarks. (Briefly to be stated the nature of the class in which the exhibit was entered and/or gained prizes. The approximate number of exhibits in such class to be given).

From the nominations the Society will determine which entries are to be accepted. Not later than the 1st March, 1955, the Society will advise all nominators whether their horse or pony's nomination has been accepted as an entry for competition at the 1955 Royal Easter Show in the class or classes stated. The exhibitor will also be advised, as early as practicable after entries have been accepted, whether a stall, on the Showground or otherwise, has been allocated the horse or pony for which the entry has been accepted. See Regulation concerning the payment for stalls.

Fees for horses or ponies for which nomination is made and the entry not accepted shall be refunded.

In awarding the Championship, unless otherwise stated, the first prize winner of the relative sex in each class of the relative sub-section shall be eligible to compete.

In awarding the Reserve Championship, unless otherwise stated, the first prize winner of the relative sex in each class of the relative sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize.

If a Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship as the case may be, then the Championship shall be awarded to the animal which was awarded the Reserve Championship as the case may be.

Measuring Horses and Ponies.

Horses, galloways, and ponies entered in classes for which the height is limited must be measured by the Official Measurer before competing. No exhibit shall be judged unless so measured.

THE OFFICIAL MEASURER WILL ATTEND THE SHOWGROUND ON WEDNESDAY, THURSDAY, FRIDAY, AND SATURDAY, 30th MARCH, 31st MARCH, 1st APRIL, and 2nd APRIL. AN EXHIBIT WILL NOT BE MEASURED ON THE DAY IT IS TO BE JUDGED.

When measuring a horse, galloway, or pony, an allowance of one half (1/2) of an inch is to be made for shoes. Where an exhibitor disagrees with the Official Measurer's figure for an animal which has been measured with shoes on, he may, should he so desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any animal prior to measurement.

Should a horse, galloway, or pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding horse, galloway, or pony class.

Horses, galloways, and ponies will not be measured unless the breast plate showing their number in the class for which they are being measured is produced to the Official Measurer for the purpose of enabling him to impress same with a rubber stamp showing the official measurement and his initials.

Life measurement certificates will only be issued for horses, galloways, or ponies, seven years old or over. A Life Certificate shall not be issued unless, at the time of measurement, the exhibit is unahod.

Horses, galloways, and ponies will be measured by the Official Measurer, for Life Certificates on Tuesday, 12th April.

Time-Table of Judging.

A time-table of judging of all classes and events will be posted to each exhibitor after entries close.

When framing the Time-Table of Judging every endeavour will be made to avoid the judging of two classes concurrently in which one exhibitor may be interested, the Society, however, cannot accept any responsibility if the judging time happens to conflict with one or more classes or events.

SCRATCHINGS—HUNTERS, JUMPERS, AND TROTTERS.

Exhibitors and/or Nominators must lodge scratchings for all Hunting, Jumping, and Trotting Events with the Horse Superintendent, viz.:—

For Hunting and Jumping Events—not later than 5 p.m. on the day before that on which an event is scheduled to take place.

See Special Regulations at head of Hunting and Jumping Events.

For Trotters—at least three-quarters of an hour before the event concerned is timed to commence. See Regulation at head of Trotting Events.

EQUIPMENT.

(Keepers on whips—No spurs with spikes).

No whip shall be used during the exhibition or Parade unless it has a keeper.

No spurs with spikes shall be used at any time on the Showground.

ROLL CALL IN MARSHALLING YARD.

COMPETITORS IN RING EVENTS MUST HAVE THEIR HORSES IN THE MARSHALLING YARD UNDER THE MARTIN AND ANGUS STAND NOT LATER THAN 15 MINUTES PRIOR TO THE COMMENCEMENT OF THE EVENT. ANY EXHIBITOR NOT BEING PRESENT WITH HIS OR HER HORSE AT THE TIME OF ROLL CALL, WHICH WILL BE TAKEN FIVE MINUTES BEFORE THE COMMENCEMENT OF THE EVENT, WILL NOT BE PERMITTED TO COMPETE IN SUCH EVENT. AFTER THE ROLL CALL THE STEWARD IN CHARGE OF THE MARSHALLING YARD WILL ADVISE THE RINGMASTER THE NUMBER OF COMPETITORS PRESENT AND READY TO COMPETE IN THE EVENT ABOUT TO TAKE PLACE.

CHILDREN'S RIDING CLASSES.

EXCEPT IN THE CASE OF CLASSES FOR RIDERS 15 YEARS OLD AND UNDER 17 YEARS, OR OF EQUIPMENT CONTESTS FOR RIDERS 15 YEARS OLD AND UNDER 18 YEARS, CHILD RIDERS UNDER 16 YEARS OLD SHALL, UNLESS OTHERWISE STATED, BE RESTRICTED TO PONY OR GALLOWAY MOUNTS.

Except for classes restricted to riders six and under nine years of age, parents or assistants will not be permitted in the Ring during the judging of Children's Riding classes.

Arrival of Exhibits.

Unless otherwise stated in the Ring Time Table, all horses (ponies excepted) must be on the Showground before 9 a.m., Saturday, 2nd April. Sheep and Ponies which will be judged on Friday, 1st April, must be on the Showground not later than 9 a.m. on that day. Saddle and Harness Ponies must be on the Showground by 9 a.m., Saturday, 2nd April. Stallions and mares will be examined on the Showground on Thursday, 31st March. Animals will not be examined after Thursday, 31st March. Horses entered for harness classes and contests must be on the ground one hour, at least, before the judging or contests take place. Horses coming long distances, and for which stalls have been allotted, may be stabled on the Showground before the Show.

Passes for attendants can be obtained at the Director's office on the Showground on presenting exhibitor's entry ticket. No horse may be removed from the ground after arrival, unless a pass (obtainable from the Horse Superintendent) is presented to the gatekeeper; in the event of horses removed each night a deposit of £2 must be lodged.

ALLOCATION OF STALLS AND BOXES.

(Limited Number Available).

Except in the case of horses competing solely in riding classes or in riding events, the Society, to the extent to which stalls and/or boxes are for the time being available, and SUBJECT TO THE PAYMENT BY THE EXHIBITOR OF £2 IN RESPECT OF EACH EXHIBIT (WHICH PAYMENT SHALL ACCOMPANY HIS APPLICATION FOR ENTRY OF SUCH EXHIBIT) will allocate one or more stalls and/or boxes to each exhibitor according to the number and composition of the exhibitor's exhibits and each allocation shall be made as soon as practicable after the closing date of entries. Each exhibitor will be given particulars of each allocation to him.

Sec. 1—HORSES (Continued)

The Society will in due course refund to the exhibitor the £2 so paid in respect of an exhibit if—

- (a) no stall or box shall be allocated for use of such entry either alone or in company with some other entry or entries;
- (b) the stall or box has been used throughout the period of the Show by the exhibit or exhibits for which it was allocated and the stall or box has been used in accordance with the Show Regulations and not otherwise;
- (c) if, during the currency of the Show, the Society cancels the allotment but such cancellation has not been induced by any contravention of or non-compliance with the Show Regulations on the part of the exhibitor, or by reason of the non-use of the box or stall for the purpose for which it was allocated, or
- (d) if the allocation of the stall or box has been cancelled by the Society prior to the commencing day of the Show pursuant to a written request of the exhibitor for such cancellation.

One box will be set aside by the Society in respect of every 15 horses to be used for the storage of feed; the owners of the horses may use the box in common only with each other and for the purposes only for which it is allocated.

Any horse found in a stall or box not allocated to such horse shall if so required by the Director, be immediately removed from the Showground and shall not again enter the Showground except with the written consent of the Director.

Except by order of the Director no number or other mark of identification placed by the Society on or in a stall or box whether by placard, painting, posting or otherwise, shall be removed, disguised or altered, nor shall any other notice, number or mark be posted or placed in or upon such stall or box. The observance of this Regulation shall be the responsibility of the exhibitor to whom the stall or box is allocated.

No stall or box shall be used other than for the animal and for the purpose for which it has been allotted to the exhibitor, and the exhibitor shall be responsible for ensuring that no breach of this provision occurs.

The Society may at any time, whether before or during the currency of the Show, revoke the allotment of any box or stall and may or may not at its discretion allot some other box or stall to the exhibitor.

Upon the revocation of any allotment of a box or stall the exhibitor whose allotment has been revoked shall immediately vacate the same and give vacant possession to the Society.

Bedding and feed will be placed in boxes at the expense of exhibitor before the arrival of horses, provided the Director is notified of the time of arrival. Exhibitors must not use sawdust and/or wood shavings in bedding down their horses.

Should an exhibitor desire to have his exhibits stalled adjacent to those of another exhibitor, he must append a note to this effect on the Certificate of Nomination.

Night Stalls for Trotters.

When required, stalls for Trotters competing in the Evening Ring Programme shall be available on application to the Horse Superintendent. This reservation will be restricted to the evening of competition, country Trotters excepted.

Exhibit Numbers.

Exhibit numbers (Breast Plate) for exhibits (Riding classes excepted) will be supplied at the Horse Superintendent's Office, situated in the Horse Section. For Riding Classes, Arm Band numbers will be issued when the exhibits and riders are assembled under the Martin and Angus Grandstand for the judging of each class. On all occasions the exhibit numbers (Breast Plate or Arm Band) must be affixed to each horse or rider before entering the ring. Arm bands must be returned to the Official, appointed for the purpose, in the Assembly Yard, under the Martin and Angus Grandstand, prior to leaving the Assembly Yard after each class or event has been judged. Pass-out checks and return railway certificates can also be obtained at the Horse Superintendent's Office.

Marshalling Yard Passes.

No exhibitor, rider, or attendant will be permitted to enter the Marshalling Yard unless he or she has received a Marshalling Yard Pass for the particular class from the Horse Superintendent. These passes, which are issued to permit a competitor and his mount to gain access to the Marshalling Yard for the purpose of obtaining his Arm Band prior to entering the ring, shall be handed to the Society's official at the entrance gate to the Marshalling Yard. A Marshalling Yard Pass does not entitle an exhibitor, a rider, or an attendant to enter the Jockey's Stand.

Parades.

Each exhibit must be paraded as from time to time directed by the Society. Each exhibit, whilst participating in a parade, must for identification purposes carry a breastplate provided for the purpose by the Society in such manner as the Society may direct and in particular so that it may be readily seen by spectators and so that the animal may be readily identified by the number assigned to it.

Every rider and every attendant of an exhibit must be attired in accordance with directions given from time to time by the Society.

All horses must parade as they are shown in their competitive classes daily. Any exhibitor who fails to parade his horses shall forfeit all prize money (if any) won by him and be liable to a fine of £5 for each animal not paraded. A special parade of prize winners will be held on a day to be fixed if time permits. Should a horse be sold prior to the close of the Show, the entrant shall be responsible for the observance of the Parade regulations. The Committee may grant exemption to any exhibit from participating in the Grand Parade.

This rule will be strictly enforced.

Age and Weight Restrictions in Hunting and Jumping Contests.

Unless otherwise stated a lady competing in a Hunting or Jumping Contest must be 16 years of age or older.

Unless otherwise stated ladies competing in Hunting Contests shall not be restricted to a weight limitation.

Judges' Authority—Ladies' Hunting Events.

A Judge in any Ladies' Hunting Event may warn off a horse which in his opinion is unfit to be ridden by a lady in such event.

Substitute Judge.

The Council reserves the right to substitute a judge when deemed necessary.

Pavilions Open to Public.

The Horse Pavilions (see exceptions) shall be open to the public daily from 9 a.m. to 9 p.m., Good Friday, 8th April excepted, on which day they shall be closed at 6 p.m.

All Horse Pavilions will be closed to the public one-half hour before and after each Grand Parade.

Departures.

All horses except those competing in contests to take place after 5 p.m., Tuesday, 12th April, may depart from the Show on that day at 5 p.m.

Horses must not be removed from the ground unless a pass (obtainable from the Superintendent) is presented to the gatekeeper.

Exhibitors wishing to keep their horses on the Showground after the conclusion of the Show must obtain permission from the Director, who may grant the privilege for a period not exceeding 14 days.

Railway Certificates.

Certificates granting reduced rail carriage of horses, returning to the station they were trucked from, can be obtained at the Superintendent's office. These certificates should be obtained before the horses leave the ground, and should be presented at the Stock Booking Office at Central Railway Station, when the horses are trucked, otherwise full trainage will be charged. A concession rail certificate will not be issued unless the exhibit is returned to the station whence it was trucked within four weeks of the date of the forward journey.

Sec. 1—HORSES—Thoroughbreds

EXHIBITORS—THIRD PARTY RISK.

It is the practice of the Society to take out a policy of insurance purporting to cover the legal liability on the part of an exhibitor of live stock towards any third party in respect of damage to the person or property of such third party caused by any fractious act on the part of any exhibit of the exhibitor whilst on the Showground provided always that, for the purposes of this regulation, the term "live stock" shall be confined to horses, cattle, goats, pigs, poultry, dogs, and cats.

The Society, however, shall not be liable to any exhibitor if it shall fail to take out a policy of insurance effectively protecting any exhibitor or exhibitors against any such claim.

ALLOCATION OF STALLS AND BOXES.

(Limited Number Available).

The attention of intending exhibitors is drawn to the Regulation relative to the allocation of stalls and boxes. Same will be rigidly enforced.

ADMISSION TO JOCKEYS' STAND.

The Society will issue a limited number of tickets the holders of which will be admitted to the Jockey Stand enclosure. Any person not in possession of a ticket shall not be entitled to enter or remain in the enclosure.

FODDER.

It is responsibility of the exhibitor to arrange for his fodder requirements. The sale of all fodder is in the hands of the Official Produce Merchant, whose store on the Showground will be open during the Show.

Fodder shall not be admitted to or removed from the Showground without authority. For purposes of admission, a written order must be presented to the gatekeeper by the exhibitor or his representative. In the case of removal an official pass-out check is required. Admission orders and pass-out checks are obtainable from the Director.

For the convenience of exhibitors or other persons specially authorised to enter or leave the Showground with fodder, gates have been allocated as follows:—

- (1) Entry—Furber Road.
- (2) Exit—(a) From the Horse Section—Lang Road.
(b) From Cattle and Pig Sections—Paddington.

Conveyances may enter the Showground between 6 a.m. and 8.30 a.m. and must leave by 9.30 a.m. on ordinary days, or by 9 a.m. on Good Friday, Easter Saturday, and Easter Monday.

FIRE REGULATION.

EXHIBITORS IN THE HORSE SECTION ARE ADVISED THAT THE USE OF PRIMUS STOVES, ANY HEATING OR LIGHTING APPLIANCE OF A LIKE CHARACTER OR ANY NAKED LIGHT, IS STRICTLY PROHIBITED IN THE HORSE STALLS OR PAVILIONS.

For Two-Year-Olds

The Sydney Turf Club has inaugurated the Golden Slipper Stakes with the object of introducing an outstanding race for Two-Year-Olds which will enhance the already high standard of racing in Australia and New Zealand and also benefit the interests of Thoroughbred Breeders in those countries.

New ground is broken in Australian racing in that emphasis is for the first time placed on the side of the Brood Mare. It is also the first attempt to link Thoroughbred Breeders directly with the promotion of a major race and to give them a substantial interest in the distribution of prize money.

All subscriptions and sweepstakes received, together with the added money, will be distributed to the owners of placed horses and the nominators of their respective dams. It is hoped that the total prize money for such distribution will make the Golden Slipper Stakes the richest Two-Year-Old race in Australasia.

Racing virtually begins with the Two-Year-Old and it is felt that the prospect of winning a substantial stake must have an effect on the yearling market beneficial to the Breeder. In addition, the Golden Slipper Stakes has an inestimable value in publicity for Australasian racing and thoroughbred breeding both here and overseas.

The Directors of the Sydney Turf Club believe that the Golden Slipper Stakes is in the interests of racing. It introduces to Australian racing a major race conducted along new lines. It provides an additional opportunity for the owners of Two-Year-Olds to extend their interest in racing and it gives the owners of Brood Mares a chance to benefit from the success of their work.

Entries for the 1958 Golden Slipper Stakes close on 30th April 1955.

All ponies must be officially measured. The Official Measurer shall set out the height, duly initialled on the imprint of a rubber stamp applied to the breast plate of the animal in question.

No exhibit shall be judged unless the breast plate has been so marked.

The Official Measurer will attend the Showground on Wednesday, Thursday, Friday, and Saturday, 30th March, 31st March, 1st April, and 2nd April, between 10 a.m. and 4 p.m. A pony will not be measured on the day it is to be judged. Should a pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding pony or horse saddle class.

A contestant who, in the opinion of the Stewards, is not attired in accordance with the standards laid down by the Society shall not be permitted to compete.

PARADES.

All horses must parade as they are shown in their competitive classes daily. This rule will be strictly enforced.

ELIGIBILITY OF ENTRY.

An exhibit may be nominated in all classes for which it is eligible, provided the nomination has been made in the usual way.

(Girl or Boy Riders.)

(Special Prizes)—Cups, Trophies, or Open Orders to the value of £20, presented by Ferris Bros. Pty., Ltd., Makers of "Ferris" Car Radio Receivers and Electric Trains, 252 Dowling-st., East Sydney. The birth certificate of each rider must be produced at the time of making the entry, when the certificate of entry will be endorsed accordingly. The Committee also reserves the right to again review a birth certificate.

TRAINING TESTS.

The object of these elementary training tests is to encourage progressive training of both rider and pony. They can be used in judging horsemanship or the training of a pony or both. These tests, in their turn, form the basis for and lead up to adult dressage tests.

GENERAL REMARKS.

1. Pony should be straight, head steady, reins in constant contact with mouth. Halt should be firm and square with the horse's weight on all four legs.
2. Turn on fore-hand. Pivot on near-fore leg, no raising of head—momentary halt on completion of movement.
3. As above, except that the off-fore leg acts as pivot.
4. Transition from one pace to the other should be smooth and definite. A lengthening of the stride should be shown at the strong trot, with the hooks well engaged (not left behind), steps should be even. When reducing the pace, the weight should not be thrown on the fore-hand and there should be no quickening of the cadence.
5. In this circle the pony should be bent to the left, and must perform an even circle coming in contact with X in the centre and regaining the track at the quarter markers (marked 11 yards on either side of B and E) and at C.
6. The pony should strike off into a canter at C, the head should not be bent outwards and the quarters should not be allowed to swing to the inside. The circle should be performed as in the trot.

7. The strong canter is not a racing gallop, but a balanced lengthening of the stride showing a definite increase of pace. Transitions from one pace to another should be smooth and on the hooks.

SADDLERY.

To be ridden in a plain snaffle only (dropped nose-band may be used). Spurs may be worn, but whips may not be carried. Martingales or running reins are not allowed.

DEFINITION OF PACES.

(In accordance with the Statutes and General Regulations of the Federation Equestre Internationale.)
Halt—At the halt, the pony, standing square on his four legs and immobile, must be ready to move forward at the least pressure of the rider's legs.

Extended Walk—At the extended walk, the pony should cover as much ground as quickly as possible WITHOUT haste and without breaking. The hind-legs passing clearly beyond the tracks of the fore legs. The rider gives freedom to the head and neck of the pony without, however, losing contact, so as to be able at any moment to make the pony change his pace, his speed, or his direction.

Extended Trot—At the extended trot, the pony extends his action, his neck is stretched, his shoulders vigorously driven on by the haunches, gains ground forward without noticeably increasing height.

Ordinary Walk—The ordinary walk is a free, regular and unrestrained walk. The pony walks briskly, but with a calm, deliberate and even step, each clearly marked, distinct and equally spaced. The rider keeps a light and steady contact on the reins.

Ordinary Trot—The ordinary trot is a pace between an extended and a collected trot. The pony goes forward freely and quite straight, engages his haunches which remain very active, pulls gently at the reins with a balanced and even bearing. His strides should be as far as possible equal; the hind legs follow exactly in the tracks of the fore legs.

Ordinary Canter—The ordinary canter is a pace between an extended and collected canter. The pony perfectly straight from the poll to the tail, goes freely with a natural balance.

Rein-back—The rein-back is the walk backwards of the pony. It is correct when the pony lifts his feet and brings them down in pairs diagonally almost simultaneously, the haunches remaining well in line. The pony walks back step by step, constantly ready, at the wish of the rider, either to halt or to advance without halting.

Comments:

1. All movements in Dressage tests may be progressive unless otherwise stated. It is therefore, better to put in one or two strides at the walk and get the "move-off" smooth and straight, than to try to break straight into the trot and cause the movement to be rough and crooked.
2. In the extended trot make the horse lengthen his stride and let there be a definite difference between the extended and the ordinary trot. Be careful to maintain the cadence throughout the transition and the correct bend round the corners. Keep the ordinary trot lively though with shortened strides and the same cadence.

Sec. 1—HORSES—Trained Pony Test (Continued)

3. Make good wide loops, making sure you go right up to the side line. It is better even to come back a little at the end of each loop as you pass the centre and then change the bend smoothly. Keep the slow trot active.
4. In the halt, the horse must stand absolutely still on all four legs on the track parallel to the long side and remain on the bit. Count six slowly. The horse must move off smoothly, remaining on the bit without throwing up his head.
5. Turn about on the haunches, the inside hind-leg being the pivot, the fore-legs performing a semi-circle with even strides round this pivot, the outside fore-leg moving over and in front of the left. The pivoting leg when raised should be replaced on the same spot; it is a bad fault if it is drawn back. The horse should be flexed in the direction of the turn, but the neck should not be bent. The rider's outside hand should not be carried across the withers. As soon as the turn is completed and the horse parallel to the long side he should proceed at once at the walk. After three or four strides at the walk break into the canter. Here the transition should not be progressive as it definitely lays down that the canter be done from the walk. Be careful to avoid the quarters coming in and the head being bent out or thrown up.
6. Be sure that the circle is round and goes well up to the prescribed dimensions. There should be no variation in the pace. The horse should be flexed in the direction to which he is going and the hind-legs follow in the tracks of the fore-legs. A very common fault is that the second half of the circle is flatter than the first; it is better to err in the other direction as if the second half of the circle is flat it makes a more abrupt return to the long side and prevents it from being smooth.
7. Come smoothly away from the short side, make the loops well up to but not beyond the quarter lines and maintain the same bend throughout. The horse should always be bent to the leading leg whether cantering false or true. Be careful not to get on two tracks and be sure to make all three loops the same size.
8. The old canter should be continued to within six feet of the prescribed point and the change produced progressively, i.e., through the trot. There should be at least one stride at the walk and the new canter obtained from the walk not more than six feet beyond the prescribed point. The horse's body must remain straight on the diagonal line throughout.
9. After the salute, the horse must move off with a loose rein straight towards the judges. The aid to turn may be given by a slight contact of the outside rein, the horse then being allowed to walk up the long side with a loose rein.
10. The horse should go freely and actively forward, maintaining activity and cadence in all paces, with smooth transitions. Good and steady head and tail carriage, no raising or beating of the head, no tail swishing. Clear four-time walk evenly spaced. Springing activity from one diagonal to the other in the trot. Canter definitely three-time and straight.

11. Rider's body should be upright with seat well down in the saddle and should be still, the hands and the legs steady. The hands must always remain on their own side of the horse's neck with the elbows close to the sides and legs should never be in front of the perpendicular. The heels well down even when giving aids and knees turned well in to the saddle. All aids should be correct and as invisible as the training of the horse permits.

runs on air

The Atmos clock breathes, every time temperature changes, it takes into itself energy from the unending supply in the atmosphere. A magnificent example of clockmaking at its finest, the amazing movement is visible in its glass case. Priced at £93/10/-, £99, £102/15/-; in chr., gold and copper finish. WEIGHTS.

6. In a hunting and jumping contest for horses there will be separate classes for the following, that is to say:—

 - (b) Horses suitable for carrying and carrying not less than 12-stone in weight;
 - (c) Horses suitable for carrying and carrying not less than 13-stone in weight.
7. A horse shall not be permitted to enter in more than one class unless it complies with the weight limitation, e.g., 11-stone horse cannot compete in a 12-stone or 13-stone class, or vice-versa.
8. If a horse is entered as an exhibit in a weight class and if in the opinion of its exhibitor it shall have gained or lost weight carrying capacity between the date of entry and the date scheduled for the judging of such class and if the exhibit by reason of such gain or loss is considered to be ineligible for the class in which it is so entered the exhibitor may apply to the Committee to have the exhibit transferred to the appropriate weight class for which it is eligible.
9. The Committee may in its discretion transfer any exhibit from one weight class to another whether upon its own initiative or at the request of the exhibitor or the Committee may refuse to do so.
10. The judge shall have the right to disqualify any exhibit if in his opinion such exhibit is not eligible to compete in the class in which it is entered or paraded and upon such disqualification the exhibit shall forthwith be removed from the Judging Ring.

RIDERS TO BE WEIGHED.

11. All riders participating in a hunting or a jumping contest, for which there is a weight provision, must be weighed immediately on re-entering the Martin and Angus Marshalling Yard through the Trotters' entrance from the Ring.

14. When measuring a horse, galloway, or pony an allowance of one-half ($\frac{1}{2}$) of an inch is to be made for shoes. Where an exhibitor disagrees with the Official Measurer's figure for an animal which has been measured with shoes on, he may, should he so desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any animal prior to measurement.

ENTRIES.

15. Where a class is divided into divisions for purposes of judging, nominations must be made in the division in which the nominator desires to compete. 20. Where the Committee has divided a class into two or more divisions and where notice of its having done so has been published, a nominator may indicate in his certificate of entry the division to which he prefers a particular exhibit to be allocated. In making its allocation the Committee will take into consideration any preference so declared but will not be bound to accede to same.

 - (a) he shall apply in writing to the Committee for consent to such withdrawal and any such application shall embody or be accompanied by a statement of the reasons for such withdrawal.
 - (b) the application must be lodged with the Horse Superintendent at least twenty-four (24) hours before the time at which the division is scheduled to be judged.

26. The Committee may at any time withdraw any exhibit from one division to which it has been allocated and re-allocate the exhibit to some other division of the same class. But notice of such re-allocation shall as soon as practicable—
 - (a) be given to the nominator, and
 - (b) be posted at the office of the Horse Superintendent.
27. The prize money originally allocated in the Prize Schedule to the divisions of a class shall not be disturbed unless the divisions of such class are amended after the closing date of nominations, in which case the allocation of the aggregate prize money amongst the divisions shall be, as nearly as practicable, pro rata to the number of entries allocated to the division or divisions respectively.

34. The Society shall have the sole right to determine the eligibility of any animal for any particular class and without prejudice to the generality of the foregoing to determine the aggregate amount of prize money which an animal shall be deemed to have won for the purposes of these Regulations.

1. Obstacle Knocked Down:

- (a) An obstacle is said to be knocked down when, through the fault of the horse or rider, any part is knocked down, or one of its ends at least is dislodged.
- (b) Touches, raps, and tips do not penalise. Slats will on no account be used.

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued)

- (c) When an obstacle is composed of several elements placed on top of another in the same vertical plane, such as several bars fixed to the same upright (post and rails), a knock-down of the top element only is penalised.
- (d) When an obstacle to be taken in one jump is composed of several elements not in the same plane (Triple Bars, Double Oxer), a knock-down of one or more elements will be penalised only as for one knock-down.

Consequently, if a horse refuses, runs out, or falls in between any of these obstacles, the rider is obliged to start over again from the first of these fences.

All faults, including refusals at each fence during the various attempts, will be totalled up.

The complete Double or Treble should be numbered as one obstacle only.

2. Refusal :

- (a) If, in the opinion of the Judge(s), the horse is presented at the fence and refuses to attempt to jump, or runs out at the side, it shall count as a refusal, whether the fence is knocked down or not.

If the fence is knocked down it shall be put up again before the rider makes another attempt. The rider should not continue his or her round until the Judge(s) gives the signal. Should a competitor, who has knocked down a fence when refusing deliberately jump that fence before it is re-set, he or she will be eliminated.

If the horse, in attempting to refuse, slides into the obstacle, pushing it down, and its hind-legs cross the line, it shall count a jump and four faults be scored. If, however, the horse stops before the hind-legs cross the line of the jump, and is taken back, it shall count as a refusal.

If the horse, after refusing, is pushed through the fence, the faults made will be added to those for the refusal. When the obstacle is composed of more than one element to be taken in a single jump or leap by the horse (i.e., Double Oxer, Parallel Bars, Triple Bars, etc.), the line shall be deemed to be that of the element nearest the take-off side of the obstacle.

- (b) Showing an obstacle to the horse after a refusal and before resuming the course incurs elimination.
- (c) Should a competitor, on entering the Ring, show his horse an obstacle before commencing the round, he will be eliminated.
- (d) If a horse, when refusing an obstacle, knocks down the obstacle and jumps it before it is re-set, he will be eliminated.
- (e) If a horse refuses and slides through the obstacle, the competitor must return and await the re-setting of the obstacle and then re-jump it. Should he continue without attempting to re-jump the obstacle he will be eliminated.

3. Running-Out :

It is considered as running-out and the horse must be brought back to jump the obstacle again, failing which he is eliminated, when :—

- (a) the horse, not being properly under the control of his rider, avoids the obstacle he should have jumped ;
- (b) he jumps the obstacle outside the boundary flags which mark it.

4. Refusals at a Double or Treble :

Clearing an obstacle which is a Double or a Treble constitutes a particular test, and the fences cannot, therefore be separated.

5. Penalties and Marking :

Table " A "

- (a) First turn round, circle, run out, or refusal ... 3 faults
Second turn round, circle, run out, or refusal ... 6 faults
Third turn round, circle, run out, or refusal ... Eliminated
The above are cumulative on the entire round.
- (b) Obstacle knocked down ... 4 faults
- (c) Fall of horse and rider or fall of rider only ... 8 faults
Definition of a Fall :—A horse is considered to have fallen when the shoulder and quarters on the same side touch the ground or touch the obstacle and ground. A rider is considered to have fallen when there is a separation between him and his horse which necessitates his remounting or vaulting into the saddle.
- (d) Jumping an obstacle out of correct order ... Eliminated
- (e) Jumping an obstacle before it is re-set ... Eliminated
- (f) Horse leaving the arena, whether mounted or riderless ... Eliminated
- (g) Landing on the marked tape of a water jump or with a foot in the water, knocking over a boundary flag ... 4 faults
(Note: Should a horse land in water or ditch, in addition to knocking down the fence, he cannot be penalised more than four faults. It is only one obstacle.)

Table " B "

- (a) Obstacle knocked down—10 penalty seconds.
- (b) Exceeding time allowed—penalised by two penalty seconds at the start of each second over time allowed.
- (c) Falls and the first two disobediences are penalised automatically by loss of time.
- (d) Faults which incur elimination under Table " A"—Elimination.

Table " C "

For this Table, the faults are counted as seconds in proportion to the length of the course and the number of obstacles. (See Table on next page). The other penalties are the same as for Table " B."

MOST NEW CAR BUYERS AGREE...

Holden is today's finest value!

Here's the plain proof of Holden's extra value. During the first ten months of last year, official registrations of Holden were more than *three times greater* than those of any other car model.

There are so many reasons for this Holden popularity. *Australia's Own Car* is the only car that gives you this ideal combination — • 6 cylinder square engine performance at the lowest price • 30 m.p.g. economy as reported by owners • 6 passenger roominess at the lowest price • Dependability proven in the hands of more than 170,000 satisfied owners • List prices from as low as £870 plus tax • High resale value.

And, in addition to these big-value features, it's good to know that anywhere in Australia you can rely on being able

to get low cost factory guaranteed Holden parts and service.

The combination of all these real benefits makes Holden—to-day's finest value—the car you'll want to see and drive first. Call in and see your Holden Dealer soon. He'll be glad to help you. In view of the very heavy demand for "New-Look" Holden Sedans may we suggest that you place your order as soon as possible.

CLASS 232—The "Australian Women's Weekly" Timed, Touch, and Out Contest.

(Special Prizes)—£100, presented by Consolidated Press, Ltd., 168 Castlereagh-st., Sydney, publishers of the Daily Telegraph, Sunday Telegraph, The Australian Women's Weekly, A.M., and Chucklers' Weekly. First, £50; second, £25; third, £15; fourth, £10. For "B" Group horses over 14.2 hands. To be tried over a course which includes not more than 14 obstacles. Maximum height of obstacles, 4 feet 6 inches. For the purpose of timing this contest a stop watch will be set in motion when the competitor passes a post, approximately 30 feet from the first obstacle. The aim of the contestant is to negotiate as many jumps as possible in the allotted period of 1 minute 30 seconds, the expiry of which is signalled by the ringing of a bell. A test automatically ends at the first fault incurred whatever it may be (knock-down, any disobedience, etc.). The contestant successfully negotiating the greatest number of obstacles and covering the greatest distance of the course shall be the winner. In the event of a tie the winner shall be decided by a jump-off over a limited number of obstacles, when the time factor shall decide the award.

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued)

After the ringing of the bell to signal the expiry of the competition, the competitor will continue on and jump the next obstacle. Should this not be done, the competitor will be eliminated. Ladies and gentlemen are eligible to ride in this contest at catch weights.

The Australian Scene

In many parts of Australia scenes of healthy stock grazing in lush pastures engenders great confidence in our national economy.

That such conditions exist is due not only to nature's contribution of sunshine and rain, but also to the very considerable power placed in man's hands as a result of scientific investigation.

Research by I.C.I. and Associated Companies, involving the expenditure of millions of pounds, has made available to the man on the land modern agricultural chemicals and animal remedies, to meet the thousand and one problems with which he is confronted.

The following are but a few of the specific products which kill weeds, stimulate growth or combat the many plant and animal pests and diseases—

- * 'Cuprox' — protects fruits, vines and vegetables against fungus diseases.
- * 'Thiotox' — the outstanding TMTD fungicide for fruit trees and vines.
- * 'Rulene' — the 25% DDT emulsion for control of many plant pests.
- * 'Gammexane' insecticidal dusts and sprays.
- * 'Phenovis' — the most efficient remedy for worms in sheep.
- * 'Rujet' sheep jet and spray.
- * 'Rucide' — DDT cattle dip.
- * 'RuKrean' — DDT cattle spray.

CLASS 239—The "Anthony Horderns" Pony and Galloway Timed, Touch, and Out Contest.

(Special Prizes)—£50, presented by Anthony Hordern and Sons, Limited, Universal Providers, Brickfield Hill, Sydney. First, £32; second, £12; third, £8. For ponies and galloways not exceeding 14.2 hands to be tried over a course which includes not more than 14 obstacles. Maximum height of obstacles, 3 feet 9 inches. For the purpose of timing this contest a stop watch will be set in motion when the competitor passes a post, approximately 30 feet from the first obstacle. The aim of the contestant is to negotiate as many jumps as possible in the allotted period of 1 minute 30 seconds, the expiry of which is signalled by the ringing of a bell. A test automatically ends at the first fault incurred whatever it may be (knock-down, any disobedience, etc.). The contestant successfully negotiating the greatest number of obstacles and covering the greatest distance of the course shall be the winner. In the event of a tie the winner shall be decided by a jump-off over a limited number of obstacles, when the time factor shall decide the award. After the ringing of the bell to signal the expiry of the competition, the competitor will continue on and jump the next obstacle. Should this not be done, the competitor will be eliminated.

Ladies, gentlemen, or children shall be eligible to ride in this contest at catch weights.

- To clearly define the width of the jump, a tape shall be placed at the foot of the take-off obstacle and another parallel to it at the edge of the water on the landing side of the jump. The length of the jump cleared shall be the distance between the tapes measured between the edge closest to the take-off and the farthest edge on the landing side. This contest will be jumped over one obstacle only to consist of the water (approximately 12 feet) with a low brush hurdle approximately 1 foot 6 inches to 2 feet high placed along the take-off edge of the water. Affixed to the hurdles will be low wings extending approximately 14 feet from the take-off side. Each contestant will be allowed three attempts. Failure to completely clear the water and tapes shall constitute a fault. A fault shall count as an attempt. A refusal shall also count as an attempt. After each contestant has successfully negotiated the jump, or has been eliminated, further brush hurdles shall be placed behind the existing hurdle at a distance to be deter-

mined by the Committee, and this process shall be repeated until the winners have been determined. Should two or more horses jump the same ultimate width, the prize money will be divided.

The "Sydney Morning Herald" World's Record Water Jump.

(Special Prize)—£50, presented by John Fairfax and Sons Pty., Ltd., proprietors of the "Sydney Morning Herald," will be paid to the owner of the horse, galloway, or pony which beats the world's record water jump of 27 feet 3 inches. An attempt may be made on the record either in the above-mentioned event or as a distinct contest. In an endeavour to establish a world's record in a distinct contest a contestant will be permitted three attempts. A refusal shall count as an attempt. The rider will be given the opportunity of deciding the distance at which the additional obstacles, as hereinbefore stated, will be placed behind the water. In order to beat the world's record the horse, galloway, or pony must clear a spread of at least 4 inches beyond the existing measurement. Should two or more contestants break the world's record during the 1955 Royal Easter Show the prize money will be equally divided.

The Society will not recognise any claim for a record water jump unless the measurement has been made in the manner prescribed above.

 Rain in some of the pastoral areas and the cancellation of trucks affected supplies of sheep and cattle at Flemington yesterday. In the sheep section penning comprised 11,593 sheep, 1,688 lambs and loggots, and 4,950 suckers—a total of 18,231, compared with 22,600 expected. Only 1,503 cattle—1,283 fat and 218 stores—were available against 2,000 expected.
